R. E. Jack esq,
Dear Sir:

Yours of 11th inst
relative to the School
bill and the Senatorship
came to hand a day or
two after the balloting
had begun. I had taken
a place in the Grand
column. I care so nothing
that indicates that
the Senatorial fight is
going to mix up with
legislation. The fight
is in no sense "bitter"
and it is not the gener-
al belief that the Governor
will have a knife out
for bills because of
votes for the Senator.

Am glad to hear that
you are getting plenty
of rain.

Yours truly
J. C. Smith
