Dear Tolmach Family:

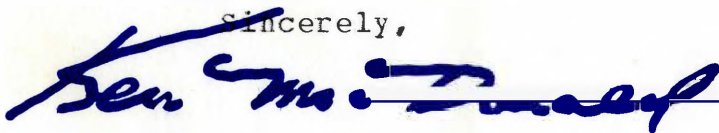

As I write this letter I recall the words of President John F. Kennedy when he said, "Sometimes partisanship asks too much of us." I have carefully studied both the legislative record of the Assemblyman Chuck Imbrecht and the campaign proposals of his opponent. I have seriously considered both candidates in relation to my own legislative experience and have concluded that Assemblyman Chuck Imbrecht deserves our continued support.

I feel that Chuck Imbrecht has effectively worked for the people of Ventura County. We are very fortunate in having men of the qualities and education of Chuck who are willing to serve in a very demanding and sometimes frustrating job.

I know that representing 300,000 people is not an easy task and I understand the strain of the office. As our Assemblyman, Chuck has represented our interests and still has maintained close ties with the people of the district. I believe that he has successfully continued Ventura County's tradition of independent leadership.

I hope you will join me and set aside partisanship for a moment and vote for Assemblyman Chuck Imbrecht. Thank you.

Sincerely,
