Dear Dudu -

Inclosed is a letter
received this morning - Emma
made very good biscuits for
breakfast this morning. I have
a bad head - how is yours and
your neck? - better I hope - do
try and rest it - Mrs Baldwin
called yesterday - says, Kittie will
not return until 1st of Sept she
does not approve - but says Mrs
Randolph has such an influence
over Kittie she can persuade
her to do what she wishes. I do
hope your K.A.T.s will never take
her - I know she'll try and influence
anyone of you to get the place -

When Emma went around to give
Florence your address - the minister
was playing ball with the youngsters
on the street - she was not introduced.
Pa went to Dan this morning
Mollie says she has little Dargie's
have typhoid fever - Aunt Cordelia
to be pleased with things at
Soda Springs and wants you
to go up - I am

your loving

Mamma

All send their love -
