Notice of Public Hearing:

Notice is hereby given that Environmental Impact Report E-77-9 is released for public review, and a public hearing will be held before the Oxnard Planning Commission in the Council Chambers of City Hall, 305 West Third Street, Oxnard, California, at 7:30 p.m. on December 1, 1977, to consider Environmental Impact Report E-77-9 for:

Tentative Subdivision Map of Tract 2854 and Zone Change Application No. 601, to rezone from C-R (Community Reserve) to R-1 (Single Family Residential) or to include a planned development additive, or to such other more restrictive zone than the present zoning as the Planning Commission may recommend on that approximate 7.8 acres, located in Neighborhood 4 of the Central Community at the easterly extension of Geranium Place. Filed by Standard Pacific - Ventura, 32123 Lindero Canyon Road, No. 212 Westlake Village, California 91361.

Subject to the State of California Environmental Quality Act of 1970, any person or group may provide input for consideration and inclusion for any required Environmental Impact Report.

The draft report will be available for examination at the Oxnard Planning Department, 305 West Third Street, Oxnard, California, and the Oxnard City Library, 314 South "C" Street, Oxnard, California.
