Dear Patrícia:

(I have Wed.
reserved for
our dinner)

My photo lecture is at
9:30 tomorrow. I'll drive over
before that. If you want a ride
call me early - anytime after
6:30 - I'll be glad to take you
whenever you wish. You should
not have to walk or ride your

bike. You need a couple more
days to improve, (yourself) -
or longer - if necessary, before
you have to exert yourself.
If you don't call me earlier, I'll
phone you by eight. So as I
know your schedule I can know
when to call you or not so as
not to call you too soon and not
to inconvenience you at any time.
Let me be as helpful as I can.
Love — Carl.
