

days, 25 percent within 61-90 calendar days, and no refund 91 days to the end of the semester.

**Housing Facility Fees.** The licensee of a residence hall facility in instances of cancellation, revocation, or vacating shall owe fees as provided in Section 42019 of Title 5, *California Code of Regulations*, regardless of whether the licensee ever assumed actual occupancy and regardless of whether a licensee who has assumed actual occupancy moves out prior to the designated period of obligation. The university shall refund all money collected in excess of such obligation as soon as reasonably possible. A copy of Title 5, Section 42019, is available in the Henry Madden Library, Student Affairs Office, and Housing Office.

### Estimate of Expenses

The basic expenses for attendance at CSU Fresno for a year (two semesters) for full-time students who live away from home are approximately \$6,500. This figure is exclusive of the nonresident tuition fee but includes an estimate of such personal items as clothes, laundry, and incidental expenditures. Students who live at home or share apartments with other students and commute to the campus are able to reduce their expenses considerably below the estimated figure. The cost of room and board may also be reduced by cooperative living arrangements or part-time work in exchange for room and board.

**Room and Board** .....\$4,142-4,302  
**Registration Fees** .....\$1,648  
**Books and Supplies** .....\$612

**Average Annual Cost of Education and Sources of Funds Per Full-Time Equivalent Student.** The 20 campuses and the Chancellor's Office of The California State University are financed primarily through funding provided by the taxpayers of California. The total state appropriation to the CSU for 1993-94 (including capital outlay funding in the amount of \$240,459,000) is \$1,723,703,000.

### SOURCE OF FUNDS AND AVERAGE COSTS FOR 1993-94 CSU BUDGET (Projected Enrollment: 247,494 FTES)

	Amount	Average Cost Per FTE Student	Percent
Total Cost of Education	\$2,081,064,210	\$8,408	100.0
State Appropriation	1,483,244,000	5,993	71.3
Student Fee Support	489,572,610	1,978	23.5
Support from Other Sources	108,247,600	437	5.2

However, the *total cost of education* for CSU is \$2,081,064,210, which must provide support for a projected 247,494 full-time equivalent students (FTES). The number of full-time equivalent students is determined by dividing the total academic student load by 15 units per term (the figure used here to define a full-time student's academic load).

The *total cost of education* in the CSU is defined as the expenditures for current operations, including payments made to the students in the form of financial aid, and all fully reimbursed programs contained in state appropriations, but excluding capital outlay appropriations and lottery funds. The *average cost of education* is determined by dividing the total cost by the total FTES. The average cost of education is further differentiated into three categories: State Support (the state appropriation, excluding capital outlay), Student Fee Support, and Support from Other Sources (including federal funds).

Thus, excluding costs that relate to capital outlay (i.e., building amortization), the average cost of education per FTE student is \$8,408. Of this amount, the average student fee support per FTE is \$1,978. The State University Fee, application fee, and nonresident tuition are included in the average costs paid by the students; individual students may pay less or more than \$1,978, depending on whether they are part-time, full-time, resident, or nonresident students.

### Debts Owed to the Institution

Should a student or former student fail to pay a debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise, or any combination of the above from any person owing a debt" until the debt is paid. (See Title 5, *California Code of Regulations*, Sections 42380 and 42381.) For example, the institution may withhold permission to receive official transcripts of grades from any person owing a debt. If a student believes that he or she does not owe all or part of an unpaid obligation, the student should contact the campus business office. The business office, or another office on campus to which the student may be referred by the business office, reviews the pertinent information, including information the student may wish to present, and advises the student of its conclusions with respect to the debt.

**VIP Bike Registration.** The Volunteer Identification Program is available free of charge on the CSU Fresno campus. With this service your bike is engraved with your driver's license number or a serial number and is listed on a statewide computer system if stolen. Forms for VIP registration are available at the University Student Union information desk, the residence halls and the Commons #4 Office, and the Campus Security Office.
