# ASSOCIATED STUDENTS

The Associated Students (AS) council set a goal of better representation of ethnic minorities, incorporation of the AS council, and sponsorship of more student related activities.

The AS council was led by President Frank Chavez, Vice-President Mark Sektan; Secretary Donna Habermann, and Representatives-at-Large Jim Garay, Lenore Granados, Nick Penland, Belinda Quesada, and Vanessa Rohloff.

"By virtue of being elected, I feel the council has, in part, accomplished better minority representation," stated President Chavez.

Also the council sponsored numerous activities this year, including quarterly socials, movie showings, the King-of-the-Hill contest, and the St. Valentine's dinner dance.

## FALL SPORTS SEE GAINS

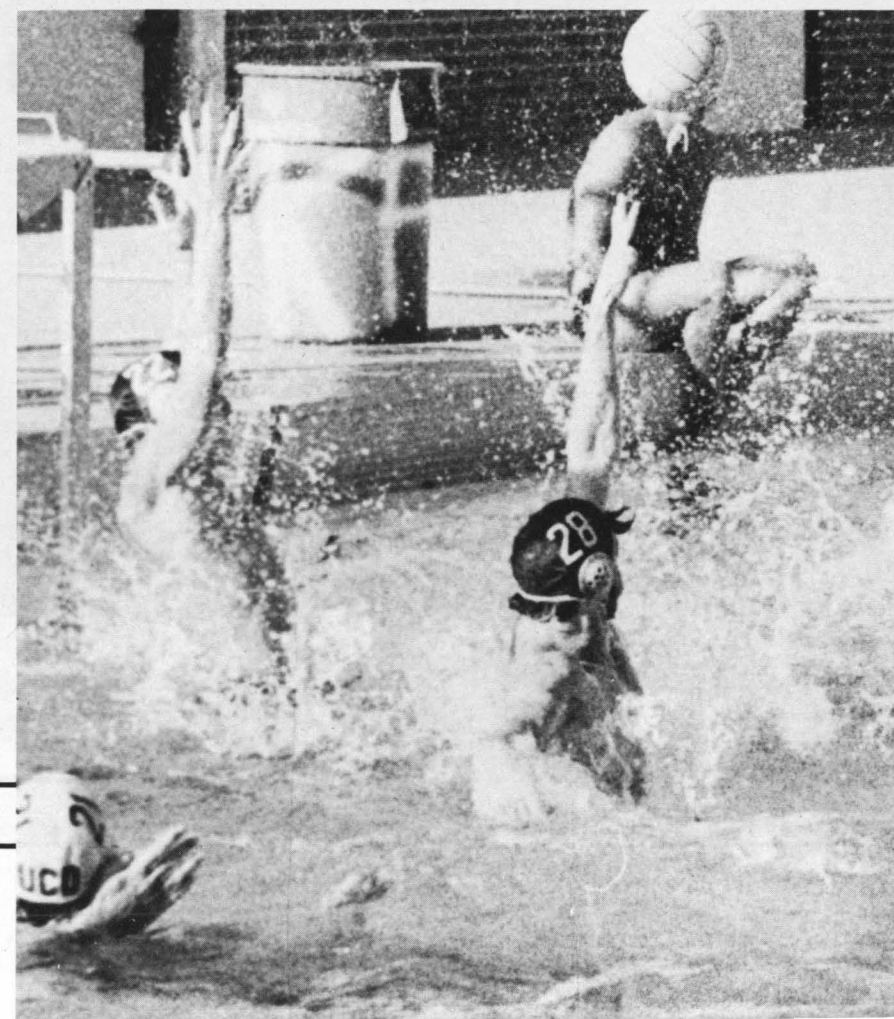

A determined effort by each member of the Pioneer Women's Cross Country team enabled them to capture a second consecutive AIAW National Championship at Seattle. The Pioneers won the title going away. Standouts for Hayward were Michele Aubuchon and Stefani Stoutt who received All American recognition by finishing third and fourth respectively at the national meet.

In football Cal State tied Chico State for second place in the FWC with a 3-2 record in the conference and a 6-4 mark for the season. Hayward ended the season on a strong note by defeating St. Mary's College 30-0. Ron Greene was the leading rusher for the season with 747 yards on 182 carries and six touchdowns. He also caught 16 passes for another two TD's.

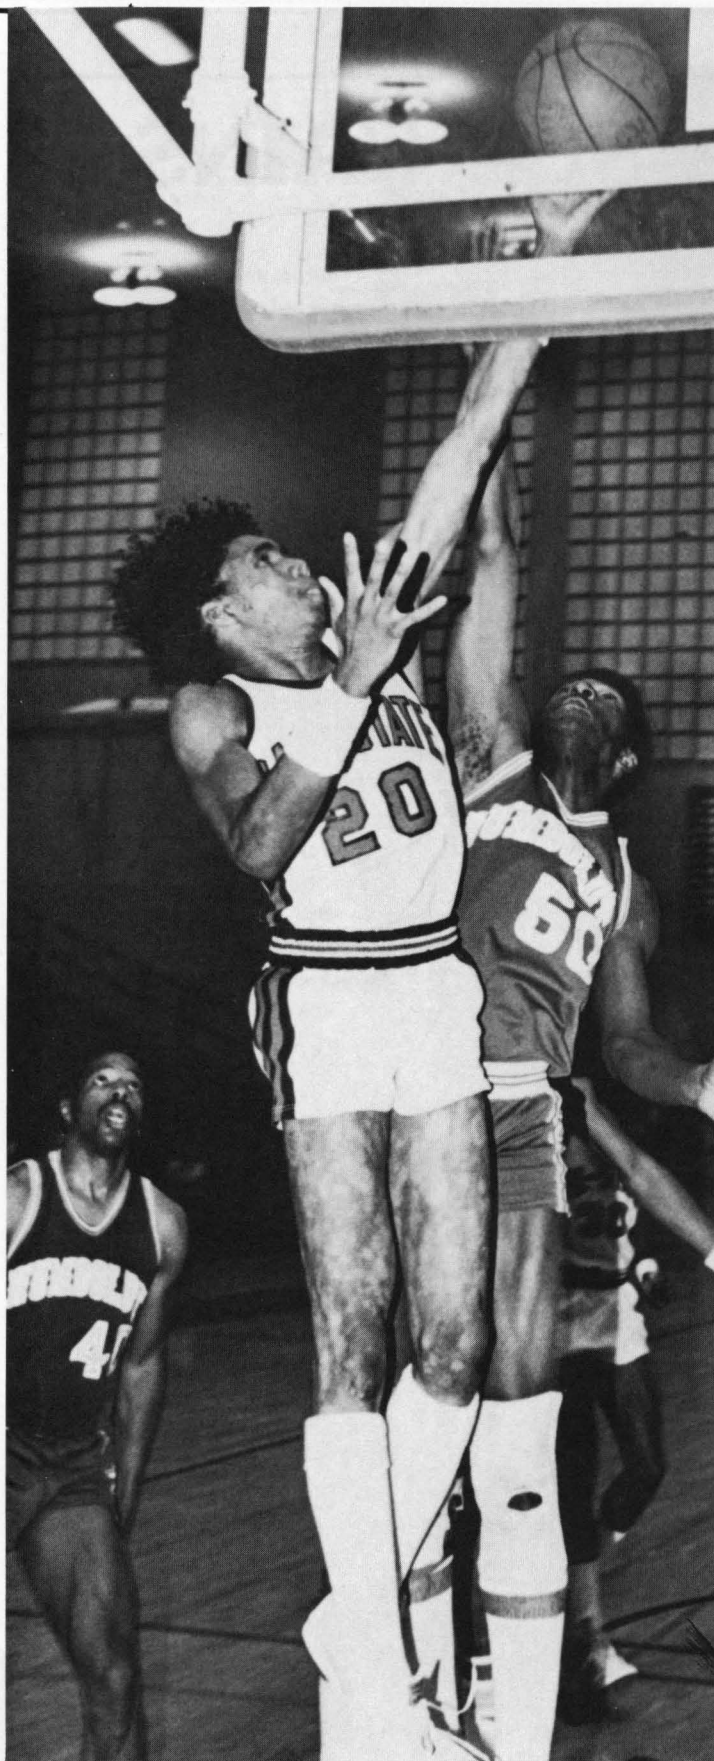

The water polo team had a successful season with a 12-15 over-all record. The Pioneers lost a 14-12 heartbreaker to Davis in their last meet. Lloyd Cardone was the season's leading scorer with 52 goals.

The men's cross country team placed fifth in the FWC championships. Jay Peters was Hayward's top finisher with a time of 33:17 in the 10,000 meter course.

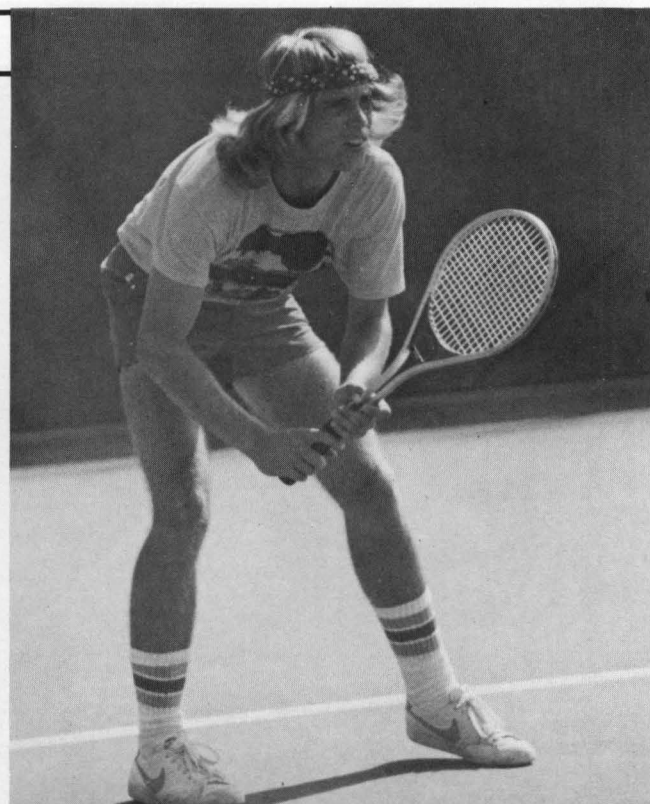

The soccer team finished third in the FWC, and the women's volleyball team took a seventh in the GSC championships.

Kevin Barbour gets the jump on Humboldt as Larry Pettis awaits rebound.

Gary Scholl (inset), ranked third, anticipates serve.

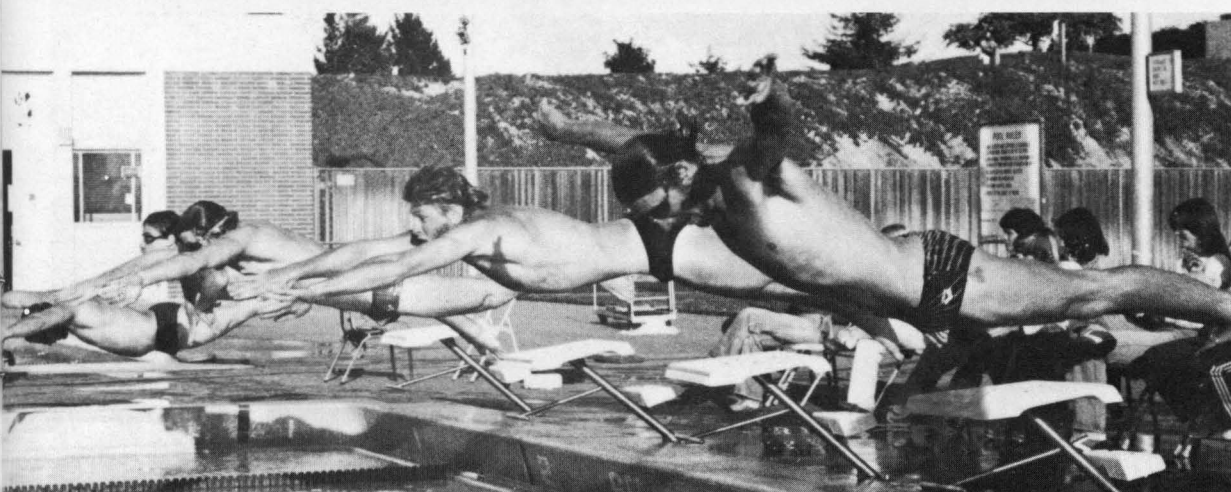

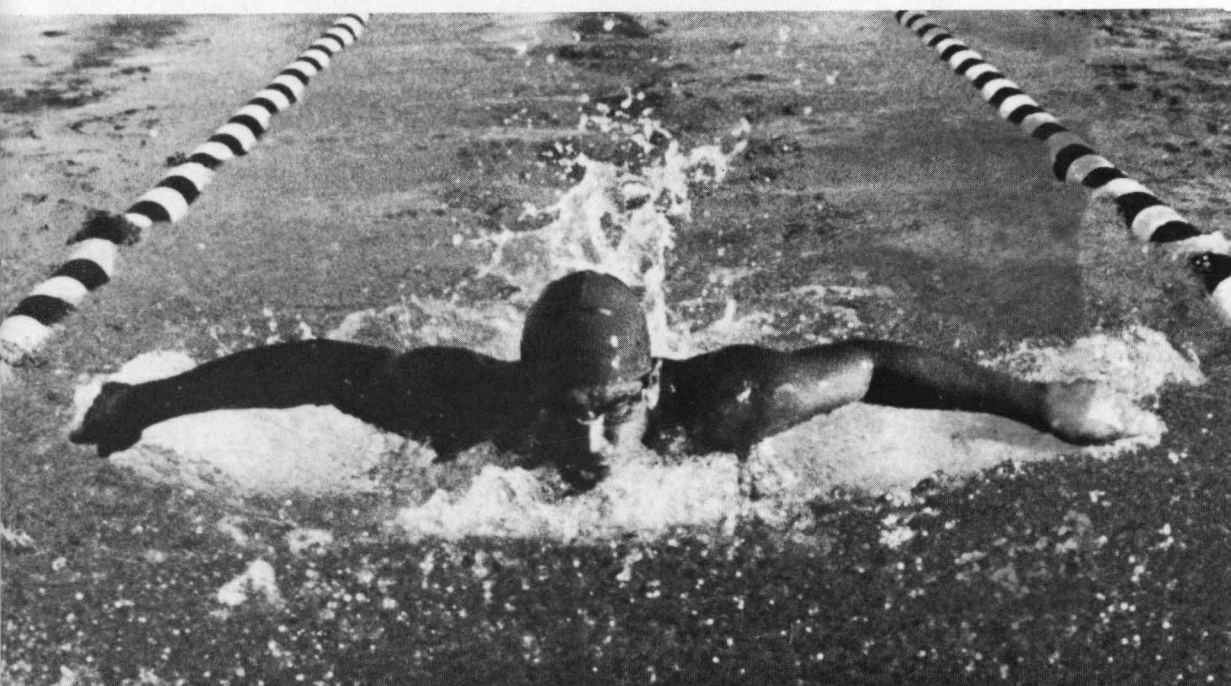

In men's basketball the Pioneers suffered their worst season ever as they finished seventh in the FWC with a 2-10 record and 3-24 overall. Senior guard Dino Clark led the team scoring with an average of 12.9 points a game. Forward Tom Klingenberg was named all-FWC while Clark and James Endo made honorable mention.

The women's basketball team enjoyed its most successful season since 1974 by finishing fourth in the GSC with a 9-5 mark and 17-10 overall. The Pioneers had a balanced scoring attack led by Vicki Hannsford with a 13.2 point per game average.

The men's tennis team, five-time FWC champions, went through a rebuilding season in 1981. Three returning players were Scott Montgomery, Andy Bean, and Jeff Southwick.

Both the women's and men's swimming teams had very good seasons. The women swam to second place in the GSC and eighth in the AIAW nationals. They were led by Co-captains Olivia Moore, butterflyer, and Pam Williams, breaststroker, and sparked by freestyler Tricia Price, and divers Lori Stilson and Donna Baker. The men finished third in the FWC, led by backstroker George Osterberg, captain. At the nationals in Ohio, Osterberg won third place in the backstroke. And the Hayward men swimmers captured 10th place in Ohio—the best the Pioneers have ever done at the national meet.

# 1980-81 INTRAMURALS GET WIDE SUPPORT

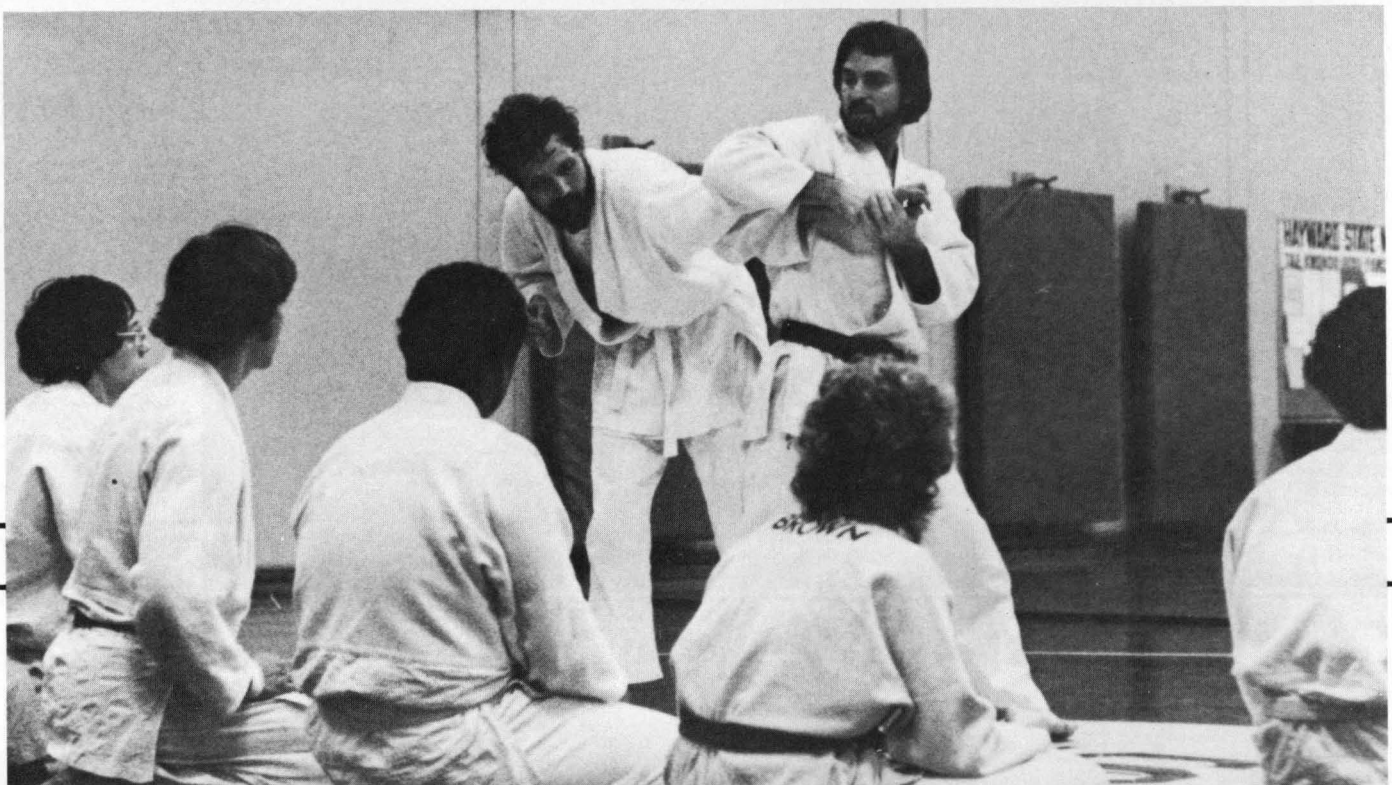

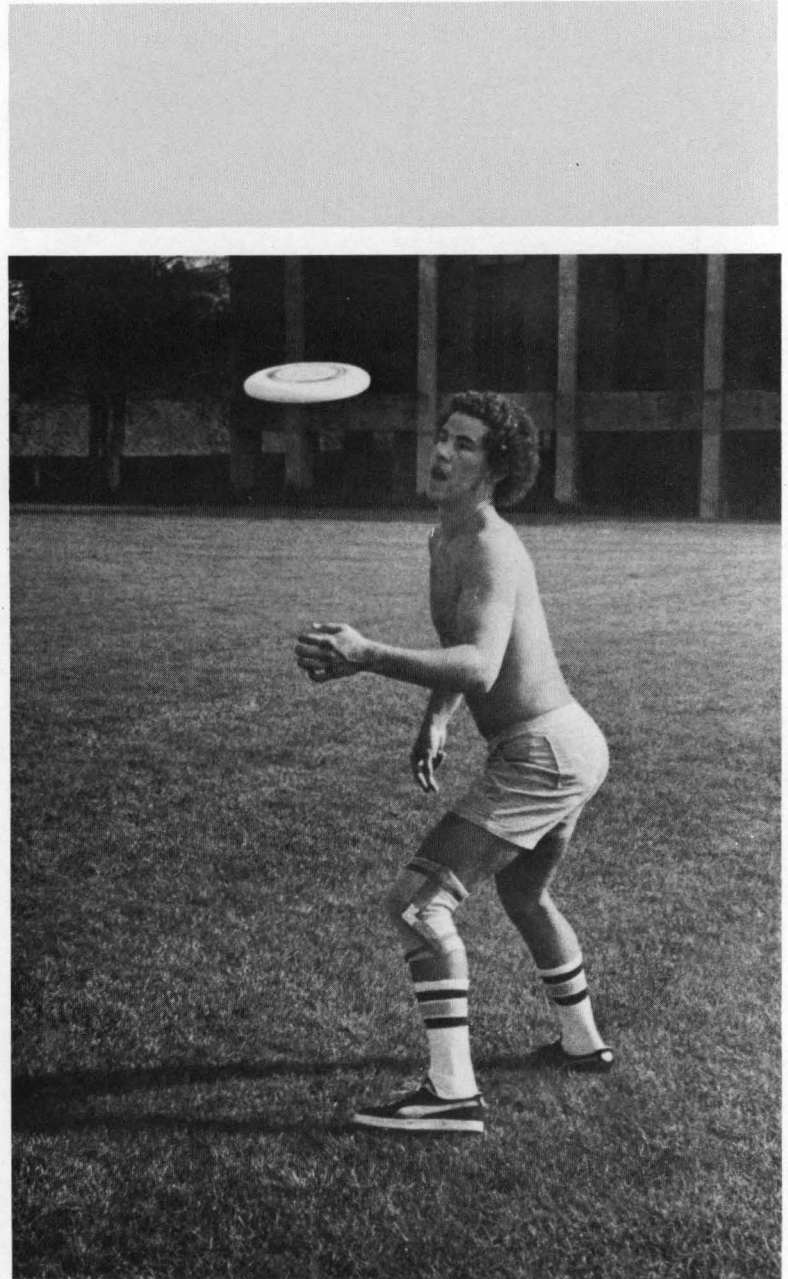

Intramurals were one of the most popular activities on campus this year. It was popular because of the free use of campus gym equipment and facilities, as well as the chance for just plain fun. Several hundred students involved themselves in many of the different sports.

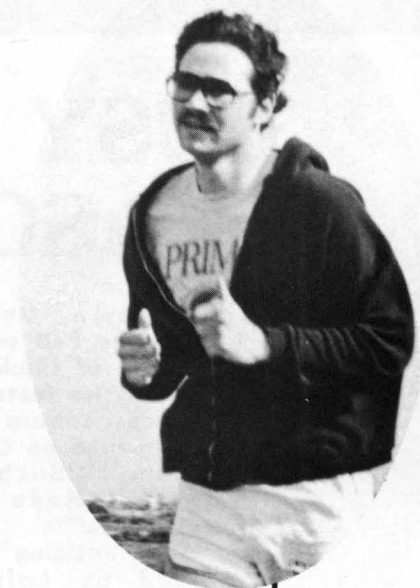

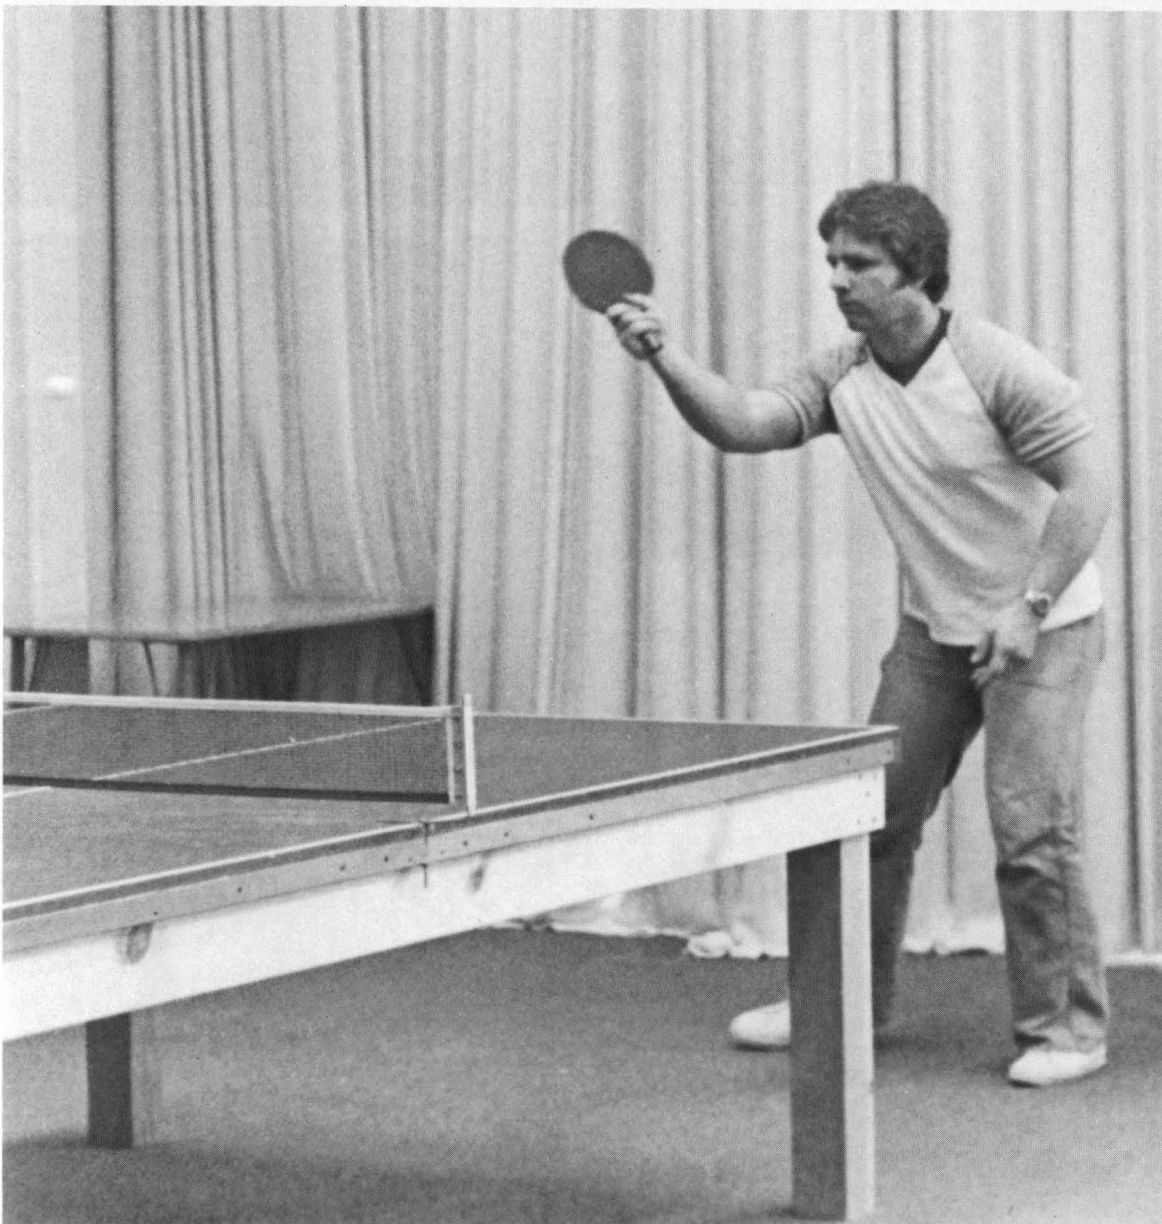

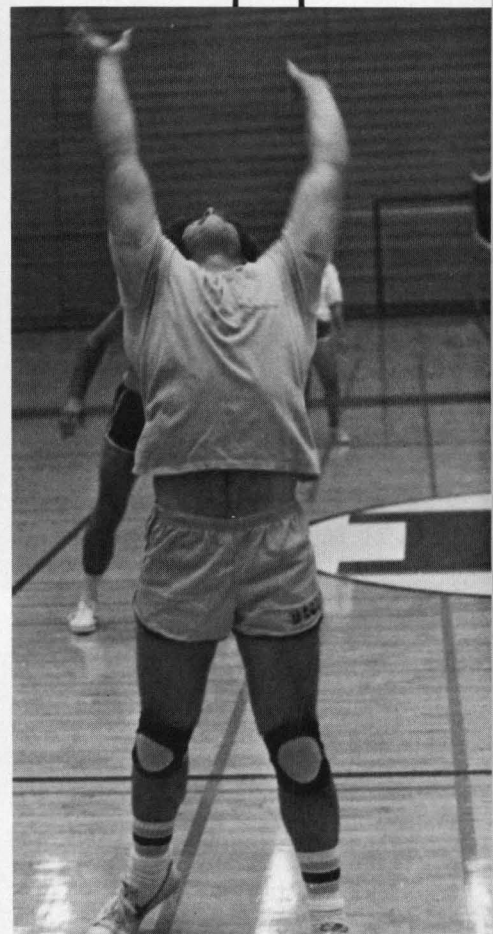

Director Jack Holleman was assisted by Carol Hale, who encouraged involvement by anyone, especially women.

"The ratio of men to women is about 3:1, but hopefully more women will want to get involved. We really stress co-ed teams, especially in volleyball and indoor soccer," Holleman said.

Fall, winter, and spring quarters had full schedules of events. Fall events included badminton, touch football, racquetball, tennis, soccer, volleyball, and miniature golf fun night. Winter sports included basketball, table tennis and chess tournaments, and ice-skate/broomball and rollerskate nights.

Below—Instructor Robert Zambetti demonstrates karate techniques. At right—When the sun comes out, frisbee enthusiasts practice their favorite sport by the Agora. Opposite page—Modern dance classes have also become very popular on campus; held in late February, the table tennis tourney was competitive and full of top-notch play; co-ed volleyballers set up a spike for a teammate; and running the newly constructed par course, has become yet another popular activity on campus.

## BUSY DRAMA SEASON AT CSUH

The Drama Department kicked-off the Fall season with a production of Uncle Va "Uncle Vanya." Also featured in the 1980-81 season were "A Funny Thing Happened on the Way to the Forum," "Such Stuff as Dreams Are Made Of," and "Golliwhoppers!"

## DEDICATION

This yearbook is dedicated to Ed Railton who died December, 1980, at age 69. Ed started college when he was 63. He graduated from Cal State in 1978 and had just completed all requirements for his Master's degree when he died.

Ed was active on campus, including serving as managing editor of Escape magazine.

The poem (part of which appears below) was written by Ed's son, Rich.

To those who knew him,  
he was a white-haired impish elf  
with a jaunty step and a quick wit.

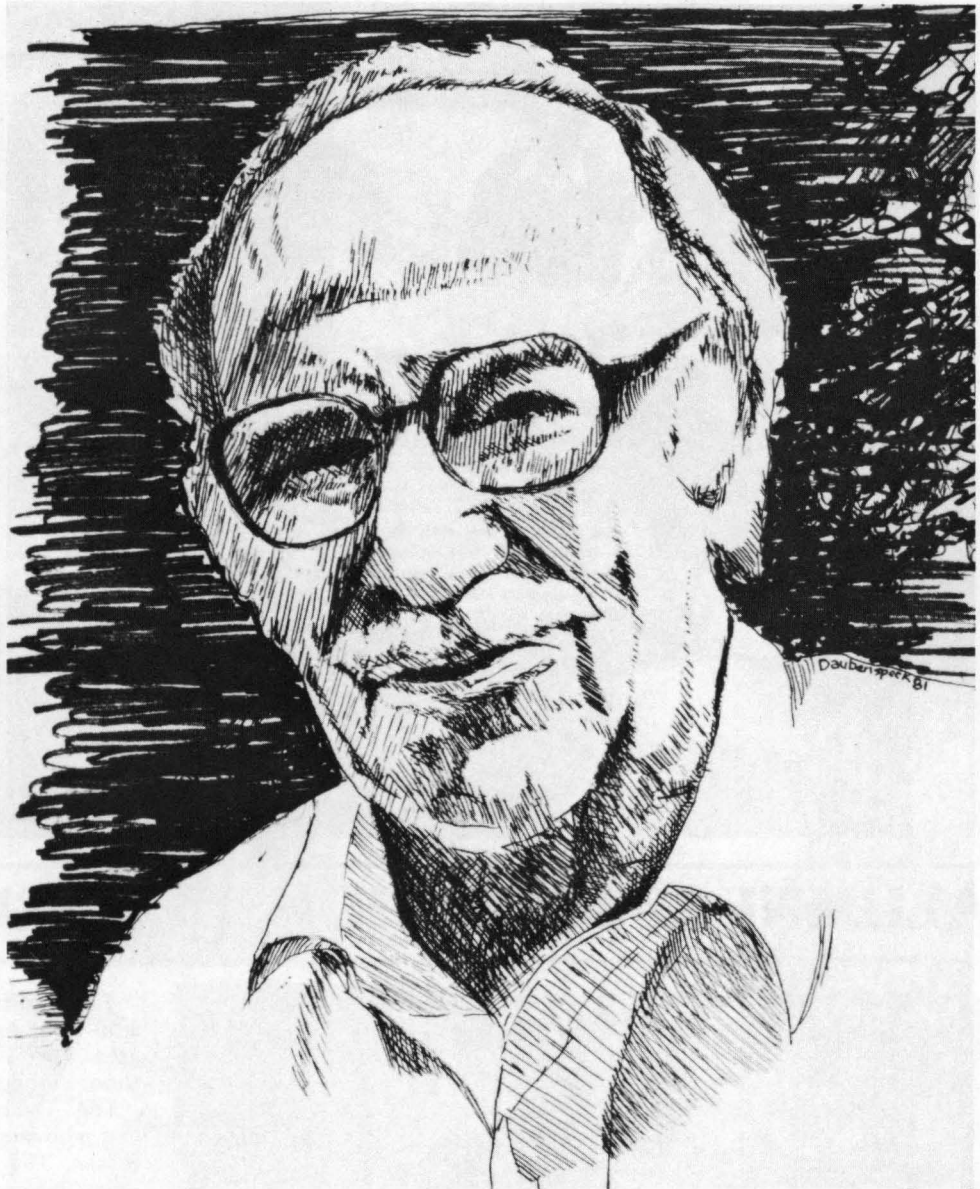

To those who knew him better,  
he was a man of stature  
that exceeded his size.  
The quickness of his step and wit  
was born of an undying need  
to accomplish that myriad of tasks  
he had set for himself.

To those who knew him as a friend,  
he was a willing listener and a sage  
adviser with a genuine interest in  
those who needed him.

As I write this, I wear the ring I  
had seen  
him wear all the years I've known  
him.

Although the ring fits my finger,  
I pray that someday  
I will grow to fit the ring.  
For I knew him as my Father.

Rich Railton

## ALUMNI ASSOCIATION AND SCHOOL COUNCILS

The CSUH Alumni is looking for dedicated seniors who want to give something back to Cal State. Graduates who are willing to help Cal State by donating time, money, and experience may join CSUH Alumni.

The Alumni is a group of men and women just like you who are interested in giving support to their alma mater. The Alumni is a good way for graduates to keep informed about university happenings, and to keep in touch with old friends and make new ones.

It's not just all give. Some of the benefits of belonging are discounts on theater admissions, free admission to all athletic events, and check-out library privileges. The Alumni also sponsors a Commencement brunch in June for graduating seniors, Annual Dinner Meeting (April), Annual Picnic (August), Theatre Night (February), and Sunday brunches. There are also monthly meetings on the third Thursday of every month.

Something that the Alumni offers the university is a scholarship which is given to a student in each of the four schools based on service given to the university and participation in university-related events.

The Alumni also founded the Ale Haus where all the proceeds go into a scholarship fund.

To be able to do more, the Alumni needs you and your fresh new ideas and energy.

"To further the academic experience of the students within their school, each council produced a variety of speaker series and social gatherings. Amongst the many successful activities were the Business and Economic Happy Comedy/Speaker Night, The Science Geology and Biology Speaker Series, the Education Underwater Hockey Workshop, and the Arts, Letters and Social Science Student/Staff Rap Session."
