Disaster preparedness exercise is Sept. 15

By Karen Dundas, EPO Chair

The Fall Disaster Preparedness Exercise (DPX) is usually conducted in November. The exercise has been moved to Wednesday, Sept. 15, so that Leisure Village can be part of a bigger picture by joining with the City of Ojai and other communities in Ventura

County participating in an "OK" count.

The Village "OK" sign count will begin at 9 a.m. Leisure Village will communicate our count tally by HAM radio in the evening of Sept. 15 as an additional event.

Please mark your calendars now as a reminder to display

your yellow "OK" sign in a window most visible from the street on Sept. 15. If you do not have an "OK" sign, please contact your village coordinator. The September Village Voice lists the current coordinators and their telephone numbers. Villages 6, 13 and 18 are presently without coordinators. If you

live in one of these villages, please call EPO Assistant Chair Marc Stone at 987-2609 for an "OK" sign.

Village coordinators will be contacting as many residents as possible a few days prior to the exercise as a reminder to put out the "OK" signs. Your coordinators thank you in advance for your support.

LV security worker praised

Among Leisure Village's many prominent residents, count one of our own security personnel as a young hero.

On July 14, 19-year-old Tyler Zeller, a Moorpark resident, along with his pal, Michael Hagel, was alerted to a brush fire beginning less than a mile from the Hagel home where the friends were at the time. Tyler, wearing only shorts and flip-tops, raced to the scene and began throwing dirt on the flames while Hagel ran for a 500-gallon water truck that was part of his family ranch. Fortunately, Zeller had prior training as a cadet with the Ventura County Fire Department.

Capt. Scott Zeller of the Ventura County Fire Department — Tyler's father — stated, "The fire could have grown from anywhere to 40 or 50 acres. Given enough time or had no one ever seen it, it would have hit the hills and then taken off."

(Material for this story was taken from the July 23 Moorpark Acorn. — Editor)

Tyler Zeller, 19, helped put out a brush fire near his Moorpark home, averting a potential disaster.

Ballot issues Sept. 23 topic

How will you vote on the ballot issues?

The Current Issues Forum will present the Hon. Steven Perren, associate justice of the Court of Appeal, and Hon. Melinda Johnson, retired judge of the Superior Court, at 7 p.m. Thursday, Sept. 23, in the AR to discuss the 10 or more propositions on the November ballot.

The judges will evaluate propositions dealing with marijuana; local governments' limiting the state's use of local government, transit and transportation funds; several propositions that would attempt to ease the annual gridlock in the budget process; and others dealing with auto licenses, environment, and redistricting.

Also, please reserve Monday, Oct. 4, when the Current Issues Forum will present the candidates for Camarillo City Council at 7 p.m. in the AR.

You now have two opportunities to become an informed voter.

Several new activities are being offered in Leisure Village. For more information, see Page 5.

There will be a special ceremony in Ventura on Sept. 11 to honor the men and women who died on that day nine years ago. See Page 8.

The reception hosted by Camarillo Healthcare Center to thank the Camera Club was a grand success. See the photo below and Page 3.

Village General Manager Bob Scheaffer, left, accepts a plaque from Camarillo Healthcare Center Director Matthew Huefner expressing thanks for the donation of 103 photos.

LETTERS

What a pleasure to have a ramp that enables me to get into the street, after 10 years of pleading with the Board and Architectural Chairmen, with no success.

As a paraplegic, it had always been a worry as to how I could leave my yard in case of a fire or any emergency.

Since I can no longer drive, it will be a pleasure to be able to go to the Recreation Center to take advantage of the activities and programs offered.

I will be able to visit neighbors and friends, now that I have the ability to access the street.

The ramp does not detract from the view of neighbors and visitors of Village 32, and it was constructed at a reasonable price.

How nice to no longer be "a prisoner in my own home!"
— Eileen Splinter, V. 32

BLOOD PRESSURE CLINIC

Due to the Labor Day holiday, the Your Neighbors Care Group blood pressure clinic will be canceled. It will resume on the first Monday in October at 6 p.m. in the MPR.

Camarillo Healthcare Center thanks LV for photos

By Pat O'Connor, V. 19

The Camarillo Healthcare Center has been a second home to some of our Villagers while they recovered from surgeries or injuries before returning home to Leisure Village. Under the direction of Mathew Heufner, this wonderful facility recently completed an extensive makeover that upgraded every nook and corner.

This didn't escape the notice of the eagle eye of our Camera Club president, Jerry Spector, as he visited his mom. Jerry, as always, looks for ways to lend a helping hand and was inspired to suggest that LV's Camera Club, having taken thousands of pictures over the years, might be talked into donating some of them to decorate the walls and halls of the facility. Heufner was delighted at the suggestion, and with the Camera Club's help, chose 103 of the pictures taken by club members.

These pictures, ranging in size from 11-by-14 to 20-by-30, were printed,

matted and framed and now grace the residents' rooms and all the hallways.

On Wednesday, Aug. 11, the center held a thank you reception, inviting everyone from the Village for a preview and catered meal.

Tracy Varnell, the admissions coordinator and community liaison, is to be recognized and thanked for working tons of extra hours preparing and hosting the event. Also in attendance were Kevin Kildee, mayor of Camarillo, and Mike Morgan, vice mayor.

Our general manager, Bob Scheaffer, accepted a plaque honoring the Village for its thoughtful donation. A special plaque also was awarded to our Jerry Spector for all his time and efforts with this special project.

Mary Hurt, LV's assistant manager, and Susan Rockwell, LV's recreation manager, were also on hand.

And a special thank you goes out to the LV Musicians, which played such beautiful music for us during the event.

The LV Musicians play during the reception held to thank the Camera Club for donating 103 photos that now adorn the healthcare center.

In memoriam

Marion Baxter, V. 26
Helen Hertzberg, V. 33

Thank you all for the many calls and cards during my illness. They have been very comforting and I appreciate them all. Where else but in this community can each and every one be concerned

about their neighbors?

We live in a wonderful, caring Village that is beautiful. Just look out your window and love your neighbor. Peace.

Better Breathing meetings resume

By Lorraine Comer

September is here, and Better Breathing is back. So, let me take this opportunity to invite anyone who has had difficulty with either an everyday situation or with physical activity to the Better Breathing class. If you are in need of a solution, we would like to

help solve your problem.

During the next Better Breathing session, we will review the respiratory system and how to get the best out of every day.

Hope to see you the second Wednesday of September at 10 a.m. in the Sun Room.

Braille Institute wants to help Village

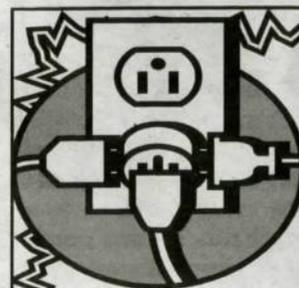

By Kenneth Wilson

For our visually-impaired folks: The Braille Institute wants to contact a few of our residents to inform them of the many extremely valuable advantages it offers. Although many of these are not new, they are not well enough known. They include tools, equipment and teaching that are needed by most seniors, especially low-vision people. In other words, their thrust is not especially directed to blindness — instead they are aimed at prevention and then towards comfort for difficulties associated with age.

Many aging problems are connected with loss of sight. As an example, loss of balance is 30 percent due to vision.

Cutting-edge information from college-based studies and from speakers in several medical areas frequently give helpful knowledge to those attending Braille meetings.

We want to explain in more detail. A short meeting is planned in the Village in the future for this purpose. If you are interested in this program, please call Kenneth L. Wilson at 484-3044 or Elizabeth Howett at 384-1057.

Realtors Corner: Make sure trust is up to date

**By Sharron Parker, Realtor
Troop Real Estate, Inc.**

I was recently involved in a Leisure Village real estate transaction in which the deceased property owner had inadvertently neglected to include the home in the trust. This was not discovered by the family until the escrow was opened, and it significantly complicated the transaction, extended the time to close and added to legal expenses of settling the estate.

A homeowner needs to verify that the home and all other significant assets are included in his or her trust or will in order to make certain that these most important matters are handled

in accordance with their wishes and that nothing be left to interpretation.

The successor trustee or executor should have a copy of this documentation or know where to find it in the home when it is needed. The trust or will package should also include a business card from the preferred attorney, accountant or tax adviser and Realtor. Finally, a copy of the package should be kept in another location for fire safety reasons.

A Realtor or title company can verify if your home has been recorded in your trust.

New York Club

"Ice cream, ice cream, get your ice cream" at the members-only Ice Cream Social, Thursday, Oct. 7, at 7:30 p.m. in the AR. By popular demand, we'll be entertained by the engaging couple, Kenny Larson and Patricia McPhearson, last heard at our February meeting. For further information, check LVTV and the posters in the Recreation Center.

Today's Rockettes better watch out if the Razzmatappers decide to return to dancing as a fulltime career. This lively group of senior but not old dancers dance to the music from the 1930s to 1990s. The dancers are ages 56 to 80; some are former professionals and others came to dance later in life.

Lee Olsen and Sandy Barry formed the Razzmatappers in 1998. The dancers— Sandy Barry, Joni Flaherty, Yvonne Gill, Tricia Kling and Lee

Olsen — have one goal in common: to dance. Each number, about a half a dozen in all, was accompanied by Fred LaPorte singing city titled songs, including "Chicago," "Monterey," and closing with, of course, "New York, New York" during costume changes for each number. As a special treat, Jerry Weisbecker gave a powerful rendition of "Mack the Knife."

Tell your friends that all residents of Leisure Village are invited to join the New York Club and enjoy all the programs that you see. They need not be New Yorkers. Membership is a modest \$7.00 — a real savings over the \$3.00 for each program and includes members' only special programs. For further information, call Leatrice Posner at 388-6440.

We want to thank those members of the Writers Club who sent us fascinating stories of their experience when first visiting New York. If you would like to share yours, whether as a New Yorker or visitor, let us know.

For more information, call Bob Prowler at 987-5282 or Ben Perry at 388-1902.

Women's Club

Our October general meeting will bring a new group to our musical library. We will be hosting the jazz quartet from Adolfo Camarillo High School. You will be delighted with the performance of these young talented musicians. If you like good listening music, come hear them Thursday, Oct. 7, in the AR at 1:30 p.m. They will pick up the beat after a short business meeting.

The members of the Workshop group that meet each Tuesday in the MPR at 9 a.m. are keeping their eyes on the work to be done before the November Holiday Bazaar. A preview of a few of the items to be available will be shown before the general meeting.

As usual, bring to the meeting an item for Food Share and keep looking around your kitchen for Campbell's Soup labels, Box Top for Education

coupons — cereals such as Rice Chex, Cheerios, Total, Wheaties, and some Kleenex, Scott products, Viva paper towels, Hamburger Helpers, Betty Crocker cake mixes and many, many more. Put the labels and coupons in the trays next to the Food Share boxes. All are appreciated by the groups we support.

Showtyme

By Phil Kamens

Showtyme presents on Friday, Sept. 10, at 7:30 p.m. in the AR, singing sensation Arlene Simone. She will be accompanied by a great pianist, Ron Rose. Arlene has starred in theatrical productions throughout the country, playing leading roles in "Gypsy," "Mame," "Anything Goes," "Showboat" and too many more to list. The two albums she has available, "There's a Lady On Stage" and "Faces of Love," are huge successes.

LV Travel

By Conrad Kaiser

The Travel Committee has had some very interesting trips since our last report.

On Aug. 10, we went to the Federal Reserve Bank in downtown L.A. The trip escort was Therese Kaiser. We had a wonderful tour of the bank and saw how worn-out money was disposed of. Everyone on the tour was given a small bag of shredded \$1 bills for a souvenir. We also saw millions of dollars of new money stacked and being readied for general circulation. It was fascinating. The tour ended

on a high point with a delicious luncheon served in the bank's elegant restaurant. The tour guides gave everyone a better understanding of how our monetary system works.

Please join us on the trips below that we have planned for September as we try to make everyone enjoy themselves.

- Chinatown and the Far East. Sept. 23, escorted by Mary Jane Porter, \$52. Includes driving tour of Koreatown and Little Tokyo, lunch, shopping and transportation.

- Standby only: Laughlin Riverside Resort, Sept. 28-30, escorted by Harriet Lit, \$92 double, \$111 single.

Computer Club

By Barbara Krolita

September is here, so we're resuming the Genealogy, Mac SIG and Mac Beginners sessions — the latter beginning at 11 a.m. Thursday, Sept. 16, in the Computer Lab, then continuing the same pattern the first

and third Thursdays of succeeding months. The SIG sessions will be on the third Saturdays of the month at 11 a.m. in the Computer Lab, so save Saturday, Sept. 18, for the first SIG, and succeeding third Saturdays. Duane Waln is the Mac Mentor at 388-3704.

The Genealogy sessions, as before, will be on the first Thursdays of the month, meeting at 10 a.m. just before the Mac Beginners meeting. Please keep in mind that genealogical information is relevant for both PC and Mac users.

David Harris invites all Villagers to his new classes on "David's Computer Magic" or "Computer Tricks you don't know and would love to learn." The classes will be twice a month on the first and third Thursdays at 1 p.m. in the Computer Lab. John Corbin will be continuing his Microsoft Office Basics classes on the second, third and fourth Mondays at 10 a.m.

One-on-one help sessions are held every Thursday at 3 p.m. Please bring any questions you may have.

We are looking for someone

to teach a basic class on Adobe Photoshop Elements, so if that is a program you know well and if you're interested in sharing your knowledge with others, contact Davis Harris at papadavid1@verizon.net.

Bowling

By Marty Simons

Sign-ups for the 2010-2011 season have been completed, and we welcome all those returning and all the new bowlers. Right now, it appears that we will have more than 16 teams for the new season, which begins on Friday, Sept. 10. We had hoped to have a list of the teams in this column, but there are

some late qualifiers. By the time you read this, the teams will have been made up and posted in the atrium at the Rec Center. For those still interested in bowling, we are always happy to have substitute bowlers. For information as to how to join, please call Marty Simons at 987-9295 or mail martys36@roadrunner.com.

Booster Club

By Lin Grant

The Booster Club is planning a special Veterans Day experience. Mark your calendars for Thursday, Nov. 11, from 2 to 5 p.m. We are creating a USO in the AR with entertainment, dancing and — you guessed it — donuts! This is a free event to celebrate the service of our Village veterans to our country. Tickets will be limited to 240, with only two tickets allotted per household. Watch for details as we get closer to Veterans Day.

The Boosters are purchasing 8- to 9-quart rolltop chafing dishes. They will held by the club but will be available for use by all clubs and committees in the Village by paying a small refundable deposit to the Booster Club, and the money will be returned upon receiving them back in good condition. If you want to use them, please call Wilma Hutson or Marilyn Riveles.

The Boosters are submitting to the LV Board, for their approval, the donation of wooden shutters for the sliding doors in the library. These

Camera Club members awarded ribbons at Ventura County Fair

By Marion Green

August was a very exciting month for the Camera Club.

On Aug. 11, the club was honored for its contribution of 103 photographs to the Camarillo Healthcare Center. All Leisure Village residents were invited to the open house that was held to honor the Camera Club. The administrator awarded the club and Jerry Spector, our president, a plaque to honor their generous contributions.

In addition to that honor, two members won ribbons at the Ventura County Fair. Marion Green won a second place ribbon in the Patriotic category for her picture of the Vietnam War Memorial, and Marlene Votion

won the Directors' Choice Award for her photograph of The Flag at Manzanar.

At our meeting on Aug. 4, we welcomed first-time judge, professional photographer Dennis Griffin. The assigned topic was Shadows and/or Reflections. The first-place winner was Verna Cryder, second place went to Marion Green and third place went to Hemu Kalle.

Honorable Mentions were awarded to Frank DeSimone and Marlene Votion.

In the Open Category, Verna Cryder, won first, second place went to Frank De Simone and third place awarded to Jeanine Cason.

Honorable Mentions were

given to Jack Caldwell and Bob Sandusky.

Jerry Cohen won first place in the Creative Category, Judy Spector took second and Bill Robinson won third place.

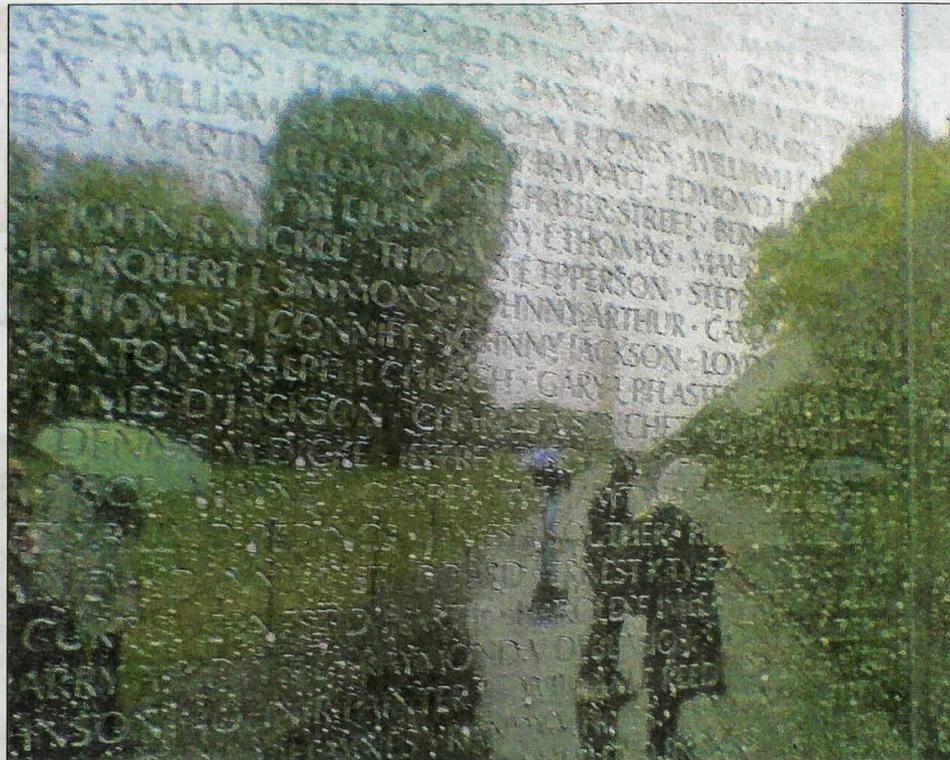

Honorable Mentions went to Marlene Votion and Betty Murray.

The assigned subject for our September competition will be Photojournalism and/or Action.

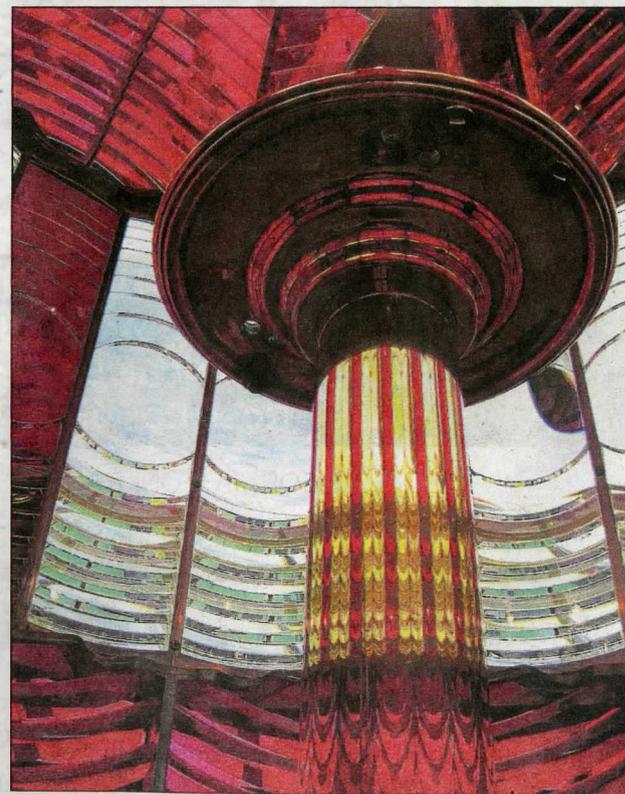

Everyone is invited to view the judging process on the first Wednesday of the month. It is always interesting to hear a professional photographer critique our pictures.

Refreshments will be served.

Our scheduled first and third Wednesday meetings will commence again in September.

Clockwise from top left: Marlene Votion won the Directors' Choice Award at the County Fair for "The Flag at Manzanar." Marion Green won a second-place ribbon in the Patriotic category at the fair for the Vietnam Wall. Verna Cryder won first place in the Assigned category of Shadows and Reflections in the August Camera Club competition for "Light in a Storm." Jerry Cohen took first in the Creative category for "Make Mine a Double." And Verna Cryder won first in the Open category for "Coming In For A Landing."

For more than 35 years this has been a yearly event. Coffee, tea, punch, soft drinks and special refreshments will be provided. BYOB.

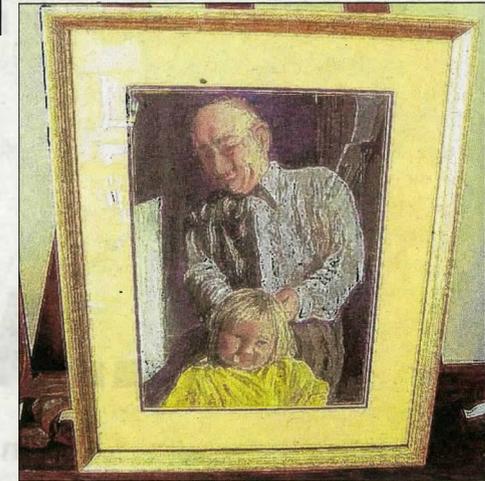

Admission is a \$10 donation per person, and if you want to reserve a certain number of seats at a table, it must all be paid at one time at \$10 each.

Village residents win ribbons at fair

Clockwise, from top left, Gwen Zimring won a second-place ribbon for her pastel, "Desert Blooming." Aurelie Zachary won first place for her ceramic plate. Zimring won a first-place ribbon for her pastel, "First Haircut," and Zachary won second place for her acrylic, "Hummingbird." Zachary also won honorable mentions for her pastel "Alison," her watercolor "Diane" and her pastel, "Sunset on the Lake."

The Wry Eye

Yeah, I was one; I ignored our Village law,
The one against filling any wild bird maw.
Oh, sure, it looks like I was in command,
But they would take the finger from my hand.

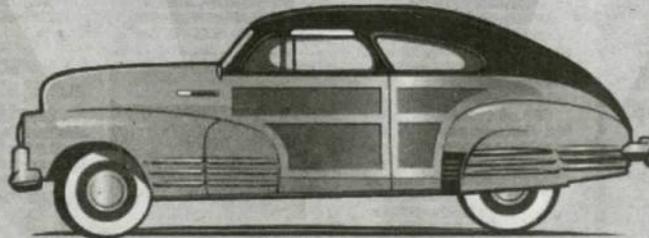

Friends and family thought I'd tamed the wild.
Once, five zoomed in, each acting like my child.
I know, I know — I ignored rule nineteen twenty,
Mister Guilty, wild-bird feeder, Joseph Benti.

But I've kicked the habit, so help me, despite their beady eyes
Rules is rules* — besides, my kids will be fed by those other guys.

*Rule 19.20: Feeding of animals and wild birds outside the home is prohibited. Hummingbird feeders are permitted however.

She was in the WAVES and her accounts tell a good story. Give us a try. We meet every Monday at 1 p.m. in the MPR room. Hope to see ya!

Saturday Night Dance

By Howard Koehn

Summer is finally here, and the Saturday Night Dance is always a cool place to be. Come on over to the air-conditioned AR and blow off some steam.

September will start off big with the always popular Rhythm Kings playing for our annual Hawaiian Night. Break out your Muu-Muu or Hawaiian shirt and receive a lei at the door.

Sept. 11 is Jerry Dokken, and on Sept. 18 we have something new, Upper Hand, a country one-man band with a singer. I hear they are pretty good. Come on out and give them a chance. September ends with the Dick Parent Trio on Sept. 25. They seem to sound better every time they play.

Remember admission is \$7.00 now, but you still get great popcorn, punch and coffee.

See you there.

Exercise Group

By Millie Seidman

Once upon a time, when we were young, we were required to attend physical education classes. Love it or hate it, the class known as PE, Phys-Ed, or Phy-Ed, played a role in our early lives. The exercise routine that we follow Monday through Friday at 8 a.m. in the Pavilion is reminiscent of the calisthenics from those days, and this is our Senior PE class without a gym teacher! There is no one to take attendance or check to see if your gym clothes came back clean on Monday, and no grades! Just come, participate and maybe get a little nostalgic.

Single Active Seniors

By Zelda Greentree

The annual SAS picnic was fun and delicious. Kudos especially go to Naomi Brill, Allan Caldwell, Della Carmona, Bobbie Comer, Zelda Greentree, Anne Haas, Max Heller, Nancy Kuebel, Michele Malkin, Muriel Rosenkranz and our president, Judy Siegel. Next year again!

On Sept. 7, SAS will meet in the Annex for games and "Manipulation" at 7 p.m.

Our speaker on Sept. 14 will be Carol Sweeney Zimmet, always interesting and provocative. This time, "What Do I Want To Do When I Grow Up?" Get ready to participate in your own "defense." As always, count on a stimulating evening. The Sept. 14

meeting will take place in the MPR at 7 p.m.

The following Tuesday evening, Sept. 21, SAS will present their monthly movie in the Annex at 7 p.m. It's called, "Me and Orson Welles" and stars Zac Efron, Christian McKay, Ben Chaplin, Claire Danes and Kelly Reilly. This movie is directed by Richard Linkletter (any relative of Art?).

The second night of games and Manipulation is Sept. 28 in the Annex. Keep looking for the posters, TV announcements and phone call reminders for all of our meetings.

Country Line Dance Workshop

By Ida Kubica

Dance Workshop meets on Tuesdays from 3 to 4:30 p.m. in the AR. At 2:45, Betty Dean leads a review of the dance steps used in the dances and will introduce a dance we will be dancing that afternoon. Regular attendance is the key to learning the steps.

The first week in August, Susan Rockwell brought in 22 Chinese Foreign Exchange students, with one female group leader, hosted by English teacher Joan Louth, to our dance. They joined in with Betty Dean's intro session and then Rhoda's next two dances, along with the rest of us. They were quick learners, and we all enjoyed dancing together.

The Chinese students were in Ventura County for 2 1/2 weeks,

Other visits included Disneyland, Hollywood, UCLA, Golf-N-Stuff, Ventura City Hall and, of course, the Ventura County Fair. Jazzercise

By **Bettie Twa**

Looking for a great exercise class? Come check out Jazzercise any Monday, Wednesday or Friday from 9 to 10 a.m. in the AR. Custom fit your

level of workout to your own needs with a certified, qualified instructor. Renee will help you learn how to work at your own level and pace with low-impact aerobics combined with strength training and toning to some fun music with a room full of your friends and neighbors. There's a gentle warmup and gradual increase in activity, then the cool down, some toning and a light routine to finish off our hour. Somehow we always end up with a smile on our faces and feeling energized to get on with the rest of our day.

If you have to miss a class now and then, for any reason, it's no problem. There's no charge for missed classes, and classes are all year round with no lengthy breaks in between.

Come spend a stress-relieving hour, lowering your cholesterol, and feel your energy and level of fitness grow with each class. While these classes are low impact, you can be sure to get a good aerobic workout geared to our age group, while you work at your own pace.

Our instructor, Renee, is a

certified instructor with Jazzercise and has all the knowledge it takes to give us a safe, energetic workout. She is knowledgeable about how to modify each movement to accommodate any restrictions in movement we might have by giving us alternative ways to move and still get maximum benefit.

If you love to workout with fun music in a friendly relaxed environment, then Jazzercise could be just the thing to get healthy with. It's worked for me for a lot of years.

Remember to bring water, wear some rubber-soled shoes and hand weights, if you choose. While hand weights are optional, if you choose to use them and haven't used them before, we recommend you start with two-pound weights and gradually work your way up. However, keep in mind, they are optional. You do it your way! This is your workout!

We all look forward to seeing you any Monday, Wednesday, or Friday starting at 9 a.m. Please arrive at least 10 minutes before starting time to get checked in and meet Renee, our instructor with over 20 years of

teaching experience. Eight of those years were right here in Leisure Village!

Participation continues to grow with new and returning players in ping pong, tennis, pickleball and paddle tennis. See the Racquet Club bulletin board for playing times and contacts. Choose your choice of game and join the fun.

Women and men of all levels are encouraged to play in the tournament. Play will be from 8 to noon with "Bring your Picnic Lunch" after play is completed. The Paddle Tennis inter-retirement communities play has been delayed to some time in October.

The Mavericks

By Margo Secia

It was wonderful seeing everyone in August for our Game Day and Ice Cream Social. We all enjoyed our many games, having a picnic lunch and topping off the afternoon with ice cream. It was a beautiful summer day in the park with lots of food, friends and fun.

We want to remind everyone about our upcoming Casino Night on Friday, Sept. 24, from 7 to 10 p.m. in the AR. The professional company of Casino Knights will be providing the game tables and dealers. There will be four poker tables, eight blackjack tables, a Roulette table and a Craps table available for play. For those who don't know how to play, we've been assured that the dealers will be very helpful. Tickets are on sale now for \$20 each and when presented at the door the night of the event, they will be exchanged for \$300 in "funny money" for play at the tables. There will be prizes awarded at the end of the evening when you turn in the "funny money" you've won, and for each \$100, you will be given a raffle ticket to be put in the raffle drum for the drawings.

The top prize is a three-day, two-night stay at Sam's Town Resort in Las Vegas, and there will also be many other wonderful prizes. The club will provide snacks, coffee and wine. What a great night this will be, so get your tickets early from any board member, as there are only 150 tickets available and are being sold on a first come, first served basis.

In October we are planning a Halloween Costume Party Dance (costumes optional) with the always-popular Sherimerry group providing the music. All details for this event on Friday, Oct. 22, at 7 p.m. in the AR

will be in the October issue of "Inside Leisure Village." Please plan to come.

If you have any questions or wish to purchase tickets for Casino Night, please feel free to call President Joe Miller at 383-0715 or Sharon O'Connor at 389-6834.

Friday Night Country Western Dance Club

By Sue-Ellen Colp

Labor Day weekend Sept. 3 will be the next dance from 7:30 to 10:30 p.m. in the AR. The lesson will be at 8:15, and Marshall will be teaching a dance called Try Try Try, so why don't you all come out to try the new dance?

Last month Dave and Esther taught the Barn Dance, which was enjoyed by all. It was a circle dance that everyone could do. So bring the family and friends on the long weekend off to a great dance. Bring a snack, BYOB and the cost is \$5.00. Punch and water will be served,

and there are always great snacks provided. So come join the fun.

Thank you to everyone who has made this dance such a success, and we're looking forward to many more.

For more information, call Sharon O'Connor at 389-6834.

DO YOU REMEMBER?

Familiar names from the past

By Lois Keeler

Many of you here in the Village were raised in the Southern California area. I hope some of these names might ring a bell:

Brown's Ice Cream Parlor next to Grauman's Chinese Theater, The Pig'n Whistle, Clifton's Cafeterias, Little Joe's, Mike Lyman's, The Brown Derby, Barney's Beanery, Tiny Naylor's, Edna Earl's Fog Cutter and Musso & Franks.

Of course, we all remember the big bands and dancing at the Palomar and later at the Palladium. How about the Florentine Gardens, Ocean Park Ballroom, Rainbow Room and the Balboa Pavilion?

I remember so well standing in front of the bandstand watching Gene Krupa until closing time, knowing I would be grounded for getting home late, but we still had to do it.

I think of Friday night dances at Van Nuys High School and my father not understanding why we had to drive all the way to Glendale for a hamburger and one of those thick milkshakes at Bob's Big Boy. Remember the drive-ins, Toad In The Hole, Chili Bowls and so much more?

Those "Big Nights" were spent at Earl Carroll's, Mocambo, Trocadero, Coconut Grove at the Ambassador Hotel, Brown Derby, Ciro's, Cotton Club, Beverly Wilshire Hotel or down a peg at Slapsy Maxie's.

There were so many more, and these are just some I remember. Maybe you can refresh my memory or share your memories with me from your neck of the woods.

Call me at 383-0651 and we'll talk. This article was published in 2005, and I thought some of our new people might enjoy it.

Bereavement group meets most Fridays

By Zelda Greentree

The Bereavement Support Group meets on the second, third and fourth Friday mornings of each month from 10 to 11:30 a.m. in the Sun Room.

This is a support group for the bereaved, to provide a safe, non-

judgmental and confidential outlet for sharing with peers who have gone through a similar experience. For those of you who are looking for such a group at this time in your life, we welcome you. For further information, please call Zelda at 389-9694.

BURMA SHAVE

A guy who drives a car wide open
 Is not thinkin' — he's just hopin'.

Cautious rider to her reckless dear:
 "Let's have less bull and a little more
 steer."

At intersections look each way.
 A harp sounds nice, but it's hard to
 play.

Passing cars when you can't see
 Will get you a glimpse of eternity.
