Subject: Fw: Friday, April 3rd-Environmental Career/Awareness Day

Great opportunity to see and participate in an educational Environmental event. Thanks Sal, for your leadership - helping students realize the importance of protecting our environment.

I hope some of you will attend - please share announcement with others.
Lupe

Hello NHEC Friends,

Rio Vista Elementary is having their 3rd Annual Environmental Awareness and Career Day. We are excited about the opportunity to work with members in and around our community to further educate our young scholars about environmental topics and careers. Please fill out the attached volunteer form. Also, take a look at the attached fact sheet, as it will provide you with details about the event and pictures from our Environmental Day last year.

As always, we are all incredibly grateful to you for your support!

You may contact Linda Valdes by email at [REDACTED] or [REDACTED], if you have any questions or require additional information. You may also contact me at [REDACTED] or email.

Thanks again,

Salvador Ramirez
