

University to Receive \$950,000 Amgen Grant

WHO:

--President Richard R. Rush
--Jean Lim, president of the Amgen Foundation
--Dr. Phil Hampton, professor of chemistry
--CSUCI's educational partners, including California Lutheran University, Moorpark College, Oxnard College, Pepperdine University, Pierce College, Ventura College, and Westmont College.

WHEN: Thursday, October 20, 4:30 p.m.

WHERE: California State University Channel Islands, Science Building, Conference Room 221

WHAT: At the above place and time, an Amgen Foundation official will present a \$950,000 grant to CSUCI President Richard R. Rush. The money will fund state-of-the-art science instrumentation that will be used by CSUCI students and faculty and accessible to their counterparts at seven regional universities and colleges.
