

Grade Symbols and Grade Points

A—Excellent. Performance of the student has demonstrated the highest level of competence, showing sustained superiority in meeting all stated course objectives and responsibilities and exhibiting a very high degree of intellectual initiative.
(4 grade points per unit)

B—Very Good.¹ Performance of the student has demonstrated a high level of competence, showing sustained superiority in meeting all stated course objectives and responsibilities and exhibiting a high degree of intellectual initiative.
(3 grade points per unit)

C—Satisfactory.² Performance of the student has demonstrated a satisfactory level of competence, showing an adequate level of understanding of course objectives, responsibilities, and comprehension of course intent.
(2 grade points per unit)

D—Unsatisfactory.^{2, 3} Performance of the student has been unsatisfactory, showing inadequacy in meeting basic course objectives, responsibilities, and comprehension of course content.
(1 grade point per unit)

F—Failure. Fails to meet course objectives. Work at this level does not meet requirements for credit toward a degree.
(0 grade points per unit)

U—Failure—Unauthorized Withdrawal.⁴ The symbol *U* indicates that an enrolled student did not complete course requirements and did not properly withdraw from the course. It is assigned when, in the opinion of the instructor, completed assignments or course activities, or both were insufficient to make normal evaluation of academic performance possible.
(0 grade points per unit)

CR—Credit for units allowed, work of *A*, *B*, or *C* quality in undergraduate courses and *A* or *B* quality in post-baccalaureate courses.
(0 points per unit; units allowed counted)

NC—No credit for units registered for, work of *D* or *F* quality in undergraduate courses and *C*, *D*, or *F* quality in 200-level courses. Replaces *I* grade in courses where *CR-NC* grading is used if required work is not completed within required time.
(0 points per unit; no units allowed)

W—Withdrawal after the fourth week of instruction.
(Not used in grade point calculation)

I—Incomplete. Semester requirements at least two-thirds complete with work of passing grade.
(Not used in grade point calculation.) See *Incomplete Grade—Explanation*, which follows.

RD—Report delayed.
(Not used in grade point calculation)

SP—Satisfactory progress—Continuing work in progress.
(No units allowed and not included in grade point calculation until grade is assigned.)

AU—Audit.
(Grade indicates student's status as auditor and does not earn degree credit.)

NOTES:

¹ Master's degree candidates are reminded that a *B* (3.00) average is required in the master's degree program and for all courses (related and unrelated; lower division, upper division, and graduate) taken concurrent with the master's degree program.

² Undergraduate students are reminded that a *C* (2.00) average is required for all courses taken everywhere, all courses taken at CSU, Fresno, and all courses in the major in order to graduate with a baccalaureate degree. Students majoring in engineering, nursing, and physical therapy are subject to more stringent grading requirements.

³ Master's degree candidates are reminded that a *D* is not accepted toward any master's degree program.

⁴ A *U* is assigned only for courses graded *A* through *F*. The course can be repeated and, for undergraduate students only, the new grade may be substituted for the *U* by petition. (See *Repeating Courses*, p. 92.)

Explanation of Grades

Audit Status (AU). Persons wishing to attend classes without matriculating or receiving college credit may register as auditors. Auditors must register during the late registration period. Students enrolled in audit status only may not transfer to credit status without completing admission procedures. This must be done within the first two weeks of instruction.

Matriculated students may audit courses in addition to those in which they are registered for credit.

Enrollment in a course as an auditor shall be permitted only after students otherwise eligible to enroll on a credit basis have had an opportunity to do so. Auditors are subject to the same fee structure as credit students. Regular class attendance is expected and the student may be required to participate in any or all classroom activities at the discretion of the instructor. An audited course will not be listed on the student's permanent record if the requirements for auditing the class are not met. Once enrolled as an auditor, a student may not change to credit status unless such a change is requested prior to the last day to add classes. A student who is enrolled for credit may not change to audit after the fourth week of instruction.

Credit for courses audited will not subsequently be granted on the basis of the audit. (See current *Schedule of Courses*.)

Credit-No Credit Grading (CR-NC). The credit no-credit grading policy at CSU, Fresno is designed to encourage academic exploration outside the major field of study. The policy also recognizes that in certain types of courses, student performance is best evaluated in terms of credit no-credit grading rather than through the traditional letter grades.

Neither the *CR* nor *NC* grade is included in the calculation of the grade point average. The grade of *CR* will be assigned if the student's work is judged to be equivalent to an *A*, *B*, or *C* grade as applicable to regular enrollment in an undergraduate course or equivalent to an *A* or *B* grade in a 200-level course. The *NC* grade will be assigned if the student's work is not equivalent to these standards.

1. General conditions and limitations:

Some courses are not available for *CR-NC* grading, (See individual course description), while others are designated as available for *CR-NC* grading; *only*. All other courses are available for *CR-NC* grading; however, a student may not elect more than 6 units of *CR-NC* graded coursework per semester. The decision to enroll for *CR-NC* grading must be made prior to the end of the fourth week of instruction and the decision must be recorded by the student at the Student Records Office.

2. Undergraduate Students:

A student may not elect *CR-NC* graded course work to
