CAL STATE FULLERTON

California State University, Fullerton is a broadly based liberal arts institution that also offers many professional studies such as business administration, education, engineering and nursing.

Classes were offered for the first time in 1959 and the first commencement — for five students — took place in 1960.

The University's 24,000 students come primarily from Southern California with many from other states and other nations. Most students commute each day to and from classes; many come to classes only in the evening.

Drawn from throughout the world, the 775-member faculty is noted for its commitment to effective teaching and scholarly activity. Research is actively pursued, typically with students involved.

The University enjoys full accreditation for its overall program. In addition, national recognition has been accorded to programs in art, athletic training, business, chemistry, communications, dance, education, engineering, music, nursing, public administration, speech and hearing, and theatre. All told there are 85 degree programs — 41 of them at the graduate level plus several credential programs and six certificate programs.

Reinforcing classroom instruction is an internship and cooperative education program that allows students to gain on-the-job experience while continuing their regular studies.

Another amenity is the extended education program. It provides classes, workshops, conferences and study tours without the formalities of regular admission to the University.

Still another strong point is the University's cultural events program. It includes a series that brings nationally known professional artists to the campus for residencies as well as public performances.

An extensive recreation program aimed chiefly at students but also open to community members is another highlight, as is the network of community support groups. Another is Continuing Learning Experience, which spearheaded the fund-raising campaign to build a gerontology center on campus.

Further examples of community outreach are joint ventures with the City of Fullerton. One resulted in the Fullerton Arboretum, which opened on campus in 1979. Another produced lighting for the baseball field and adjoining soccer fields, while a third yielded two lighted softball fields. The long-awaited reality of an on-campus football/soccer complex and baseball stadium in conjunction with an on-campus Marriott Hotel recently was approved with a fall, 1989 completion date targeted for the athletic facilities. To reinforce the University's commitment to high academic standards and community services, Cal State has embarked on a comprehensive fund-raising campaign. Its purpose is to raise the necessary non-state funding to make a very good university a great university.

ED CARROLL, ATHLETIC DIRECTOR

The rapid climb of Ed Carroll through the ranks of the Cal State Fullerton athletic department culminated in his appointment as Director of Athletics on July 1, 1985.

University President Dr. Jewel Plummer Cobb made the announcement on May 28, 1985, after a nationwide search and Carroll, now 36, immediately ushered in an era of "positive thinking" for Titan athletics.

"One of my promises is to enhance the image of our athletic program by stressing positives," says Carroll. "We must use the power of positive thinking to overcome our limitations and build our program to greater heights."

In his first year as athletic director, Carroll immediately upgraded the football schedule. LSU, Florida, West Virginia and Tulsa have signed on to host the Titans over the next few years with several other major universities currently in negotiations to play Fullerton.

Carroll began his Fullerton athletic career as a wrestler. In 1972, he served as team captain and was selected the "Most Outstanding Wrestler" in the California Collegiate Athletic Association championship meet. He later served as an assistant to former head coach Don Matson.

Carroll earned bachelor's degrees in history and physical education from Fullerton as well as a secondary teaching credential. He taught physical education classes at Fullerton and earned a master's degree in recreation administration from CSU Long Beach.

After serving in various capacities in the Fullerton recreation department, Carroll left briefly in mid-1980 to serve as a recreational sports programmer and doctoral intern at Indiana University. He returned to Fullerton in November, 1980 as an assistant athletic director. From October, 1981, to April, 1982, he was acting athletic director and also acting director of the Titan Athletic Foundation. He then served under athletic director Lynn Eilefson, who left in January, 1985 for a similar post at San Jose State.

HEAD COACH JUDI GARMAN

Beginning her ninth season at Cal State Fullerton, Judi Garman has led the Titans to no less than a ninth place national finish, an NCAA National Championship and 416 career victories in her seven-year tenure. A co-remarkable accomplishment for the only coach in the program's history.

Garman established the program in 1980 and finished third in the conference, second in the region and ninth place nationally. Since then, Garman's teams have won every conference title, including the 1987 PCAA Co-Championship, and six out of seven regional championships while finishing second in the College World Series in 1981, 1983 and 1985 and third in 1982 and 1987.

Garman's tremendous success at Fullerton is only the latest in a remarkable string of accomplishments which stretch across the continent from Canada to Santa Barbara to Golden West College in Huntington Beach to Cal State Fullerton.

Garman earned her bachelor's degree from the University of Saskatchewan in 1966 and then moved to California where she began working on her master's degree at UCSB. While at Santa Barbara, she started club softball. Upon completion of her studies, she took the women's athletic director position at Westmont College in Santa Barbara and coached the volleyball, basketball and tennis programs in addition to softball.

Garman then moved to Golden West College where, along with softball, she coached basketball (1973-76) and cross-country (1977-79). Twenty-one of her softball players received scholarships to four-year institutions, against whom she manufactured a 34-11-2 record over the years.

Fishing and snow skiing occupy Garman's time away from the softball field. She has also been published in many physical education journals and was a pioneer in the equality of sports movement when she played Little League baseball.

ASSOCIATE COACH MARTY RUBINOFF

First-year Associate Coach Marty Rubinoff brings a world of experience and knowledge to his new job at Cal State Fullerton. Formerly the coach of the six-time national champion California Raiders of the ASA, Rubinoff has all the necessities to become a very positive addition to the Titan program.

Rubinoff grew up with a baseball/softball background. He started playing fastpitch softball as a child in Toronto, Ontario until he moved to southern California when he was 13, playing in men's fastpitch leagues until he was 18. He signed a professional contract with the San Francisco Giants, playing for their Class A Decatur affiliate for three seasons (1972-74). In 1974, he left baseball and picked softball back up as a player in the Western Softball Congress (ISC) men's open division and played for 10 years while participating in five national championships and winning two ISC World Titles. In 1985, he captained the USA National team at the Maccabiah Games in Israel and was named MVP of the fastpitch competition.

While coaching the Raiders, Rubinoff was involved in the development of Titan outfielder Tiny Glomboske and a number of present collegiate stars. He has also been involved in hitting clinics throughout the United States and New Zealand.

ASSISTANT COACH LINDA SHAFOR

An integral part of the Titan coaching staff, Linda Shafor returns to the Titans for her fourth season as a part-time assistant coach with a direct responsibility in overseeing Fullerton's young outfield. Prior to the 1986 season, Shafor had worked with Garman in the latter's rookie season and returned in time to help the Titans win the 1986 NCAA Championship.

Coach Shafor possesses a wide and varied softball background from her playing days with the Sun City Saints (1966-67) to serving as the player-coach with the Huntington Park Blues in 1970. Shafor took over as head coach at LA Harbor College in 1971 and ran the program until 1979 when the program was suspended for two years. From there, she went to the University of Arizona as an assistant for one season followed by her one year stint with the Titans in 1980.

Shafor returned to Harbor College in 1981 as the head coach when the program was reinstated. The sport was dropped last year but Shafor remains as a physical education and math professor.

Shafor is a 1966 graduate of The Ohio State University with a degree in physical education. She went on to receive her master's degree in PE at California State University, Long Beach.

TITANS LOOK TO RELOAD IN 1988

Okay, here's the scenario.

You've lost your entire outfield, among them is a two-time All-America leftfielder who hit .400 with a single season record 23 stolen bases, a veteran All-PCAA centerfielder who finished second on the team in RBI's and a two-time All-PCAA power hitting rightfielder.

In addition, you're first-team All-PCAA catcher has graduated along with an All-PCAA third baseman that was a member of the 1987 US Pan American squad.

And if that's not enough the nation's dominant pitcher, a first-team All-America and the 1987 Broderick Award winner, has also had her eligibility expired.

Desperation time? Bring in those walk-ons? Forget it!

Despite losing a lineup that finished 59-10 (third place at the College World Series), the Cal State Fullerton softball team looks like a strong bet to return to the CWS with a group of talented and experienced young players.

"All of our non-pitchers, despite many a junior and sophomore, have solid collegiate experience," commented eighth-year Head Coach Judi Garman. "Our pitching staff is very young, but very talented, and can be a very positive force for us this season."

The outfield looks set with three returning sophomores expected to step right in. Left hander **Missy Coombes**, a second-team All-PCAA selection last season at first base, enjoyed a phenomenal rookie season after hitting .336 with a team high 38 RBI's. Coombes will return to her natural position of left field. Centerfield should be filled by switch hitter **Tiny Glomboske**, another player who earned All-PCAA honors (second-team designated hitter) as a freshman last season. Glomboske is a prototype centerfielder with an aggressive attitude in the field and at the plate. The former El Dorado HS star hit .289 for the Titans along with 28 RBI's. Another left hander, sophomore **Carey Hess**, appears set in right field. Blessed with a strong arm and good speed, Hess hit .344 in limited action last year. Pushing these three for playing time is versatile redshirt freshman **Mich DeBree**.

The middle infield will be the most experienced in the lineup as well as being among the best in the country. Second baseman **Valerie Van Kirk** has been a three-year starter and one of only four seniors on the roster. One of the nation's premier defensive second baseman, Van Kirk also enjoyed an excellent year with the bat hitting .240. Veteran shortstop **Charis Monroe** (.295) has been a

starter since early in her freshman season and missed 26 games last season due to injuries, but appears in great shape for 1988. Freshman **Yvette Hernandez** (All-CIF Cerritos HS) is an able replacement for Van Kirk or any of the infield positions as is redshirt freshman **Jill Matyuch**.

First base should be occupied by two-sport athlete **Cathi Hall**. The 6-1 left hander has been a center for the women's basketball team for two years but enjoyed an even greater claim when she knocked Fresno State out of the College World Series with a run scoring double off the fence. Hall hit .295 for the Titans with 16 runs batted in in only 47 games. Freshman pitcher **Anjie Bryant** will also see some action at first base as can Coombes.

Third base appears settled with returning senior **Valerie Douglas** (.301). The Pasadena JC transfer possesses exceptional speed and proved to be a very valuable reserve last season.

Catching duties appear set for returning senior **Debbie Schneider**. Schneider served as an understudy to Michelle Gromacki last season while hitting .247 in 89 at bats. Backing up Schneider is redshirt sophomore **Kristin Goodall**. Goodall hit .203 for the Titans in limited action in 1986.

But the dominant position in softball is still pitching. And despite losing the nation's best in Connie Clark, Fullerton will try to replace her with a committee of strong arms.

Leading the way appears to be the left-handed freshman Bryant. the team's hardest thrower, Bryant is also an excellent hitter who can see time as the designated player or at first base. Returning to softball after a year's absence is freshman right-hander **Jackie** (formerly Oakley) **Pittman** who was the 1985 USA TODAY Female Prep Athlete of the Year after leading Ocean View High School to the CIF Championship.

Returning sophomores **Janis Okerlund** and **Chris Gage** have shown great improvement over the summer and should also be a factor. Okerlund posted a 15-3 record last year with an earned run average at 0.66 while Gage was 10-2 and an ERA at 0.66.

For the Titans to continue to enjoy the same success that has made them one of the nation's elite programs, they must see positive results from an inexperienced set of pitchers. The rest of the lineup appears set with a solid set of bats and the ever popular enthusiasm of youth.

As is the case every season, the Titans' goal is a trip to the College World Series. With a strong and talented nucleus, the likelihood of a post season trip to San Jose appears very promising.

Anjie Bryant

Pitcher

*5-8 Freshman
Lakeside, CA*

An outstanding new addition to the Fullerton program who should step in immediately into the starting rotation...Throws the ball as hard as anyone on the roster and should develop into a fine collegiate pitcher...Is also a very strong hitter and will see action as a DP or a first baseman when she doesn't start in the circle...All-CIF, All-Grossmont League and Grossmont League MVP at El Capitan HS in Lakeside...Posted an 18-2 record last season with an earned run average of 0.54...Also hit .500 on the season...Also played volleyball at El Capitan...Opted for Fullerton over Louisiana Tech and USIU...Parents are Penny and Dee Bryant.

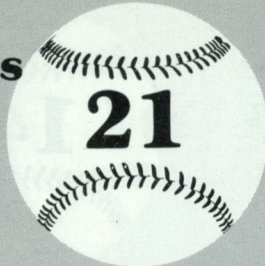

COACH GARMAN: Hardest thrower on the team and she has the potential to be a great one. She is a good all-around athlete who can play other positions as well. Anjie was recommended to us as a 'CSUF type hitter' and she has the power to continue the Titan tradition. She is a freshman who is just going to get better and better.

Melissa Coombes

Outfield/First Base
5-6 Sophomore
Arcadia, CA

One of the top freshman in the nation last year after batting .336 with a team high 38 RBI's...Earned second team All-PCAA honors at first base where she started the majority of the season...Will move to her natural left field position this season...A key to the Titans' success last season and a strong candidate for post-season honors in 1988...Two-time All-CIF product at Arcadia High School in Arcadia...Pacific League Most Valuable Player as well as earning all-league honors...One of three Titans to play on the US World Cup team this past summer along with Yvette Hernandez and Carey Hes...High school Athlete of the Year in her senior year...Played ASA ball for the Orange County Batbusters...Majoring in Physical Education...Opted for Fullerton over Long Beach State...Goes by the nickname of "Missy"...Parents are John and Linda Coombes.

COACH GARMAN: Her rookie season was a real pleasant surprise and with a year's experience, she'll have even better offensive stats. She is so cool under pressure. The biggest task for Missy is to maintain her intensity and concentration all the time. When she does, look out!

Paula DeBree

Utility

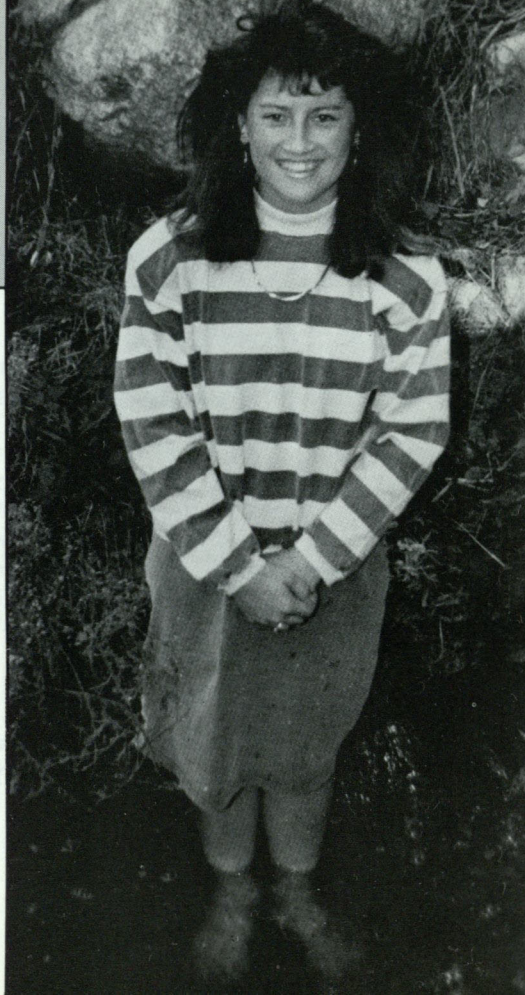

5-4 Freshman

La Habra, CA

Talented and hard working player who sat out last season as a red-shirt...Has the ability to step in and start at several positions for the Titans this season...Three-sport star at La Habra High School where she played volleyball, soccer and softball...Freeway League Most Valuable Player in 1986 while also being named All-CIF...Mentioned in WHO'S WHO AMONG AMERICAN HIGH SCHOOL STUDENTS...Played ASA ball for the Orange County Batbusters when they finished second in the nation in 1986...Majoring in Education...Opted for Fullerton over UC Santa Barbara and Chapman...Goes by the nickname of "Mich"...Parents are Paul and JoHanna DeBree.

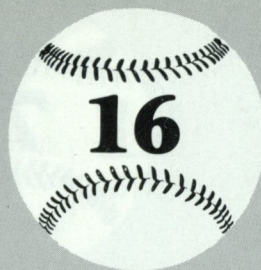

COACH GARMAN: Came in with good tools but lacked the confidence to be consistent. She worked very hard as a redshirt and it has paid off. She had a great summer and we look for her to contribute in many ways.

Valerie Douglas

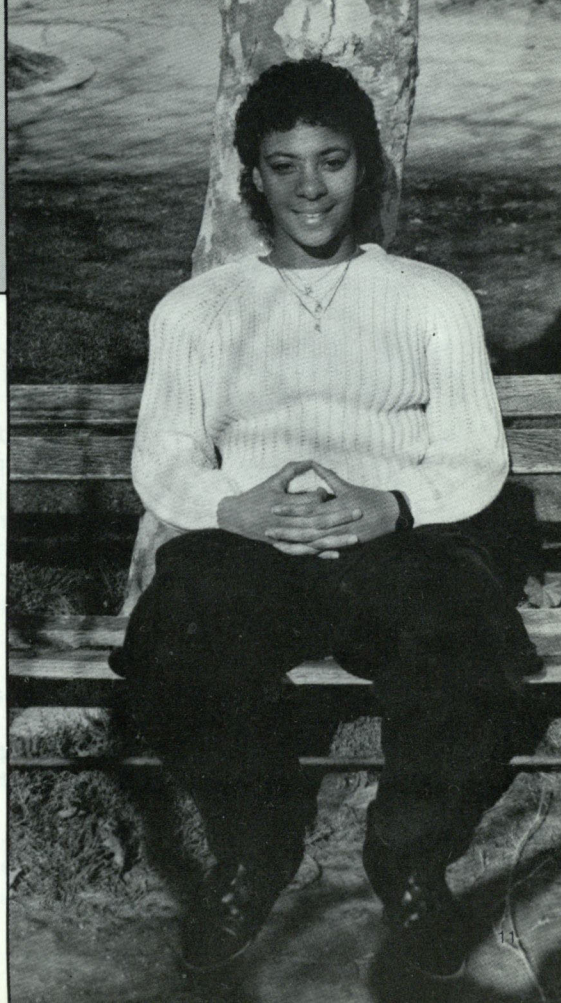

Third Base
5-2 Senior
Altadena, CA

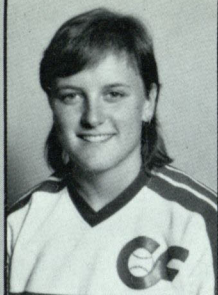

Fast aggressive infielder who should compete for the starting third base position for the Titans this season...Saw a great deal of action last year as a reserve shortstop while also pinch hitting and running...With the graduation of Chenita Rogers, assumes the title as the team's fastest player...Strong at the plate where she hit .301 in 53 at bats last season...Also knocked in 11 RBI's...Transferred to the Titans last year from Pasadena Junior College where she was the California State JC Player of the Year...Hit .469 for PJC that season...Two-time All-Metro conference selection while earning all-state honors in her freshman and sophomore seasons...Prepped at Pasadena High School where she was the softball MVP...Also played basketball and volleyball...Played for the California Raiders and the West Covina Mustangs in ASA ball...Opted for Fullerton over UCLA, Cal Poly Pomona, Texas A & M and Michigan State...Majoring in Criminal Justice...Parents are Edwin and Jean Douglas.

COACH GARMAN: Valerie adds more speed to our lineup and I have a lot of confidence in her glove. She has a lot of desire to make her final year her best ever and we expect her to have that kind of season.

Chris Gage

Pitcher

*5-5 Sophomore
Vancouver, WA*

Showed a great deal of promise last season while alternating in the number two pitching slot...Appeared in 18 games (started 13) and posted a 10-2 record with an earned run average of 0.66...Best game of her career to date is a three-hit shutout of UCLA during the regular season last year...Throws a variety of off-speed pitches as her most effective weapons...Earned a scholarship after impressing Coach Garman with a videotape of her pitching...Prepped at Fort Vancouver High School where she was the softball team MVP and a two-time all-league selection... Outstanding high school student who graduated with a 3.8 grade point average...Also played for the Vancouver Girls Softball Assoc. ...Majoring in Business...Parents are Bob and Mary Gage.

COACH GARMAN: Chris has a drop and a change-up that can really tie a team up plus is a good contrast to the rest of the staff. She can also be very effective when she sticks with the game plan. We anticipate that Chris is going to give some hard hitting teams fits this year.

Kristine Glomboske

Outfield
5-6 Sophomore
Placentia, CA

One of the top young players in collegiate softball today...Stand-out freshman last season who hit .289 on the year with 28 RBI's (tied for second on the team)...May be the team's purest line drive hitter...Her aggressive style of play makes her a natural for her new position as centerfielder...Local product out of El Dorado High School in Placentia where she was All-Empire League and team MVP in tennis, soccer and softball...Played ASA ball for the Southern California Raiders under then coach and now Titan Assistant Coach Marty Rubinoff...Undecided on a major...Goes by the nickname of "Tiny"...Parents are Bob and Nancy Glomboske.

COACH GARMAN: Tiny had such an outstanding offensive year at the plate for us last year that we look for her to be one of our offensive leaders. She has worked hard and her fielding will show it. She is capable of having an All-America year for us but if the truth be known, I recruited her because she likes country music.

Kristin Goodall

Catcher

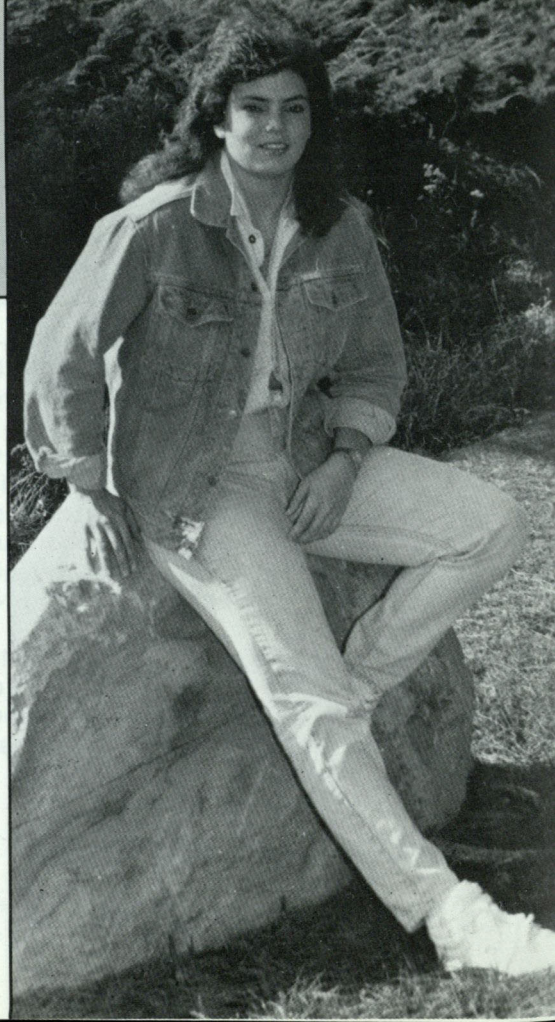

*5-10 Sophomore
San Diego, CA*

Hard hitting young player who showed a great deal of potential in limited action as a freshman...Played on Fullerton's 1985 NCAA Championship team but redshirted last season...Hit .203 in 73 at bats as a freshman...Will assume a new position as a catcher this year after joining the Titans as an outfielder...Multi-talented athlete at Mission Bay High School in San Diego where she was a two-time All-CIF selection...Also played basketball, volleyball and field hockey...Two-time All-Western League in basketball...Majoring in Criminal Justice...Opted for Fullerton over UCLA and San Diego State...Parents are Rhonda Ball and Les Goodall.

COACH GARMAN: Saying that Kristin can hit the ball is an understatement. This past fall, she hit one as far as I have seen at Titan Field. Last year's redshirt year gave her time to work and develop as a catcher and I think that she's ready. As a freshman, Kristin came up with some key hits in the clutch and we look for her to contribute in that same role this year.

Redding, CA*

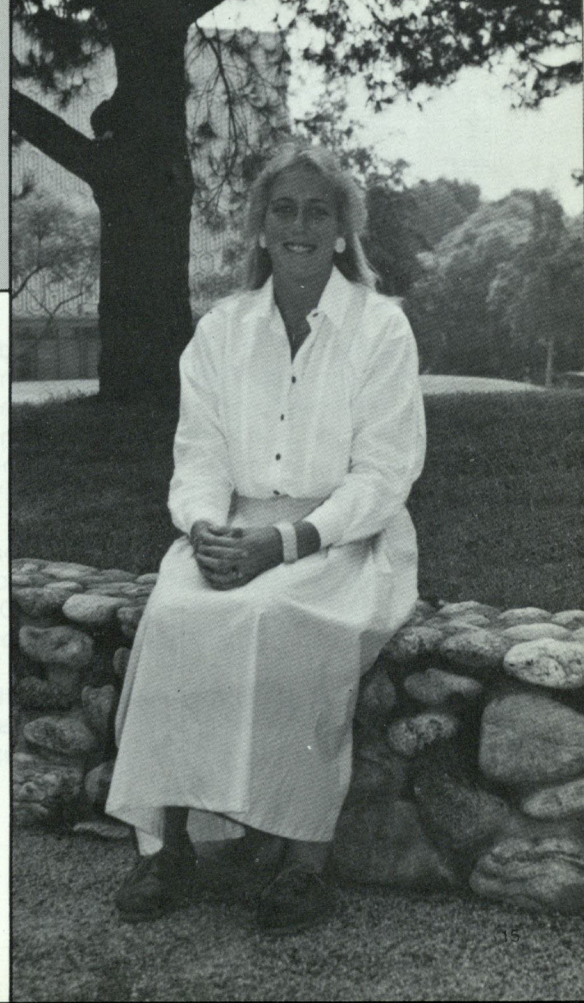

Strong power hitting first baseman who is one of the few women in Division I competition to play in two sports...Is also a two-year letterman on the women's basketball team...Joins fellow infielder Jill Matyuch in that regard...Left handed hitter who platooned at first base while also seeing a great deal of action as a pinch hitter...Finished the season with a .295 average in 88 at bats...Finest hitting day as a Titan came in a five-for-five afternoon in Las Vegas last year...Finest moment as a Titan was an RBI double against Fresno State in bottom of the seventh of the College World Series that helped lift Fullerton to a come from behind victory...Northern California MVP in basketball and softball at Shasta Junior College...Earned All-CIF honors in basketball and all-league in volleyball and softball at Anderson High School...Served as Student Body President in her senior year...Majoring in Sports Medicine...Opted for Fullerton over Fresno State, UCSB and Long Beach State...Parents are Ron and Alice Hall.

COACH GARMAN: Cathi was last year's College World Series hero so we have got to keep her bat in the lineup. She has the power but needs to be patient and wait on every pitch. When she does, look out! Cathi is a special young lady who will succeed in everything she does. We are very proud of her.

Yvette Hernandez

Utility

5-4 Freshman

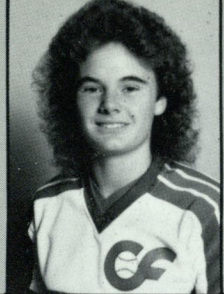

Cerritos, CA

Versatile freshman who can fill a myriad of positions for the Titans...Can fill in at third, catcher or the outfield but should understudy Valerie Van Kirk at second base this season...One of three Titans to participate for the US team at the World Cup Junior Olympics this past summer along with Missy Coombes and Carey Hess...All-CIF standout at Cerritos High School where she was the team MVP...Also named MVP on Cerritos girls' basketball team...4-time all-league recipient...Earned a spot on the Cerritos Academic Honor Roll for three years...Played ASA ball for the Inland City Raiders 18 and under championship team in 1987...Looks to major in Criminal Justice with career plans in law enforcement...Opted for Fullerton over Arizona State and Louisiana Tech...Parents are Bob and Linda Hernandez.

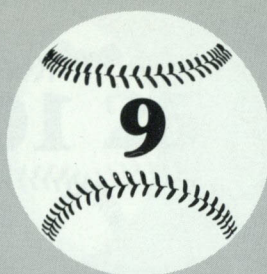

COACH GARMAN: She can do it all - outfield, infield and catcher. She's a coaches dream with her versatility. Offensively, she bunts for a basehit or hits for power. She has all the tools and experience to make an immediate impact.

Carey Hess

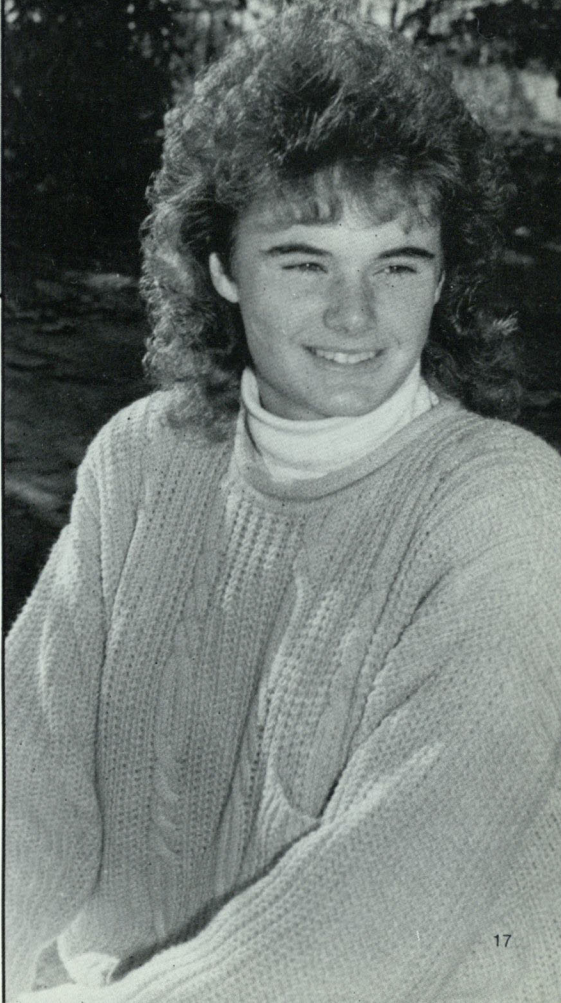

Outfield
5-7 Sophomore
Anaheim, CA

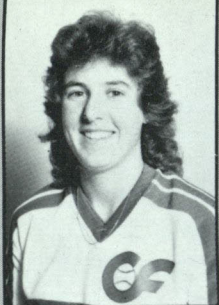

The heir apparent to the vacated right field position...Talented athlete who hit .344 in 87 at bats last season...Also stole seven bases (second on the team)...Blessed with good speed and the team's most accurate throwing arm...Has developed into an excellent 'slap' hitter...Prepped at Loara High School in Anaheim where she was an Orange County Register All-County selection...One of three Titans to play on the US World Cup team this past summer along with Missy Coombes and Yvette Hernandez...Loara team MVP...Also competed in track and finished second in the Empire League in the long jump...Played ASA ball with the Orange County Batbusters...Opted for Fullerton over Texas A & M, California and Long Beach State...Majoring in Business...Parents are Don and Sharon Hess.

COACH GARMAN: Teams are going to have their hands full trying to keep her off base. Carey will lead off for us and be a key to our offense. She has really developed through the year and is going to be an outstanding player.

Jill Matyuch

Infield

5-8 Freshman

Placentia, CA

Joins Cathi Hall as one of two two-sport athletes on the softball team...Teams with Hall on the Fullerton women's basketball team...Excellent all-around athlete who should give the Titans solid depth at the middle infield positions...Prepped at nearby El Dorado High School...Earned All-CIF honors in both basketball and softball at El Dorado while being named as a Converse Prep All-American in basketball...Should greatly benefit from the hitting tutelage of Assistant Coach Marty Rubinoff... Majoring in Communications and Physical Education with career plans in sports journalism...Parents are John and Christine Matyuch.

COACH GARMAN: Jill has very good defensive skills and she's working hard on her hitting. She is an excellent athlete who is versatile enough to fill many roles for us. Jill was able to practice with us last year and gained some valuable experience over the summer.

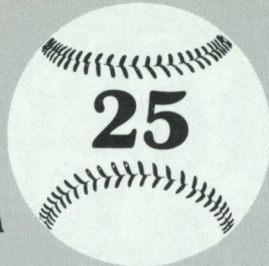

Charis Monroe

Shortstop

5-9 Junior

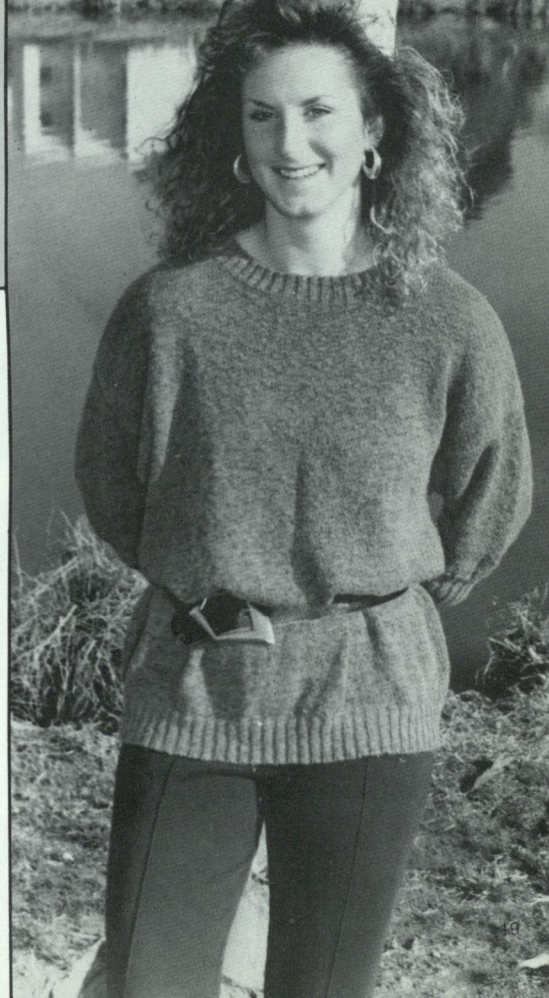

Huntington Beach, CA

Veteran infielder who ranks among the top shortstops in the country... Outstanding hitter and fielder who suffered through several nagging injuries last season...Missed 26 games due to various injuries...Hit a very solid .295 in 95 at bats along with two triples...Started every game for the Titans as a freshman in the 1986 College World Series when the Titans claimed their first NCAA title...Two-time first-team All-CIF selection at Ocean View High School in Huntington Beach...Earned first-team All-Sunset League honors for three years...One of several Titans to play for the Orange County Batbusters in the ASA...Majoring in Child Development...Opted for Fullerton over UCLA...Parents are Elliott and Jill Monroe.

COACH GARMAN: Charis has never reached her potential offensively because of her abbreviated seasons. Hopefully, this is the year she shows everyone what a well rounded ball player she is.

TRAINER: Julie Dukellis (CS Fullerton '78)

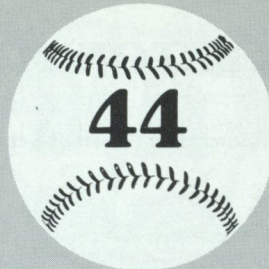

Janis Okerlund

Pitcher

6-1 Sophomore

El Toro, CA

May be the team's most improved player in 1988...Off-season conditioning has put her in the best shape of her collegiate career and she is showing it in the circle...Has added some pitches to her arsenal that should make her all the tougher this season...Put together several fine efforts for the Titans last year while running her record to 15-3 and an ERA of 0.66...Teamed with Chris Gage as understudies to All-American Connie Clark...Competed in both softball and track at El Toro High School...Outstanding prep student with a 3.8 grade point average...Played ASA ball for the Tri-City Gamblers...Majoring in Business...Opted for Fullerton over UCLA, Texas A & M, California and Northwestern...Parents are David and Joyce Okerlund.

COACH GARMAN: I have never seen an athlete work harder. She has set some goals this season and she will surprise some people. Janis is throwing hard and her new change is going to increase her effectiveness.

Jackie Pittman

Pitcher

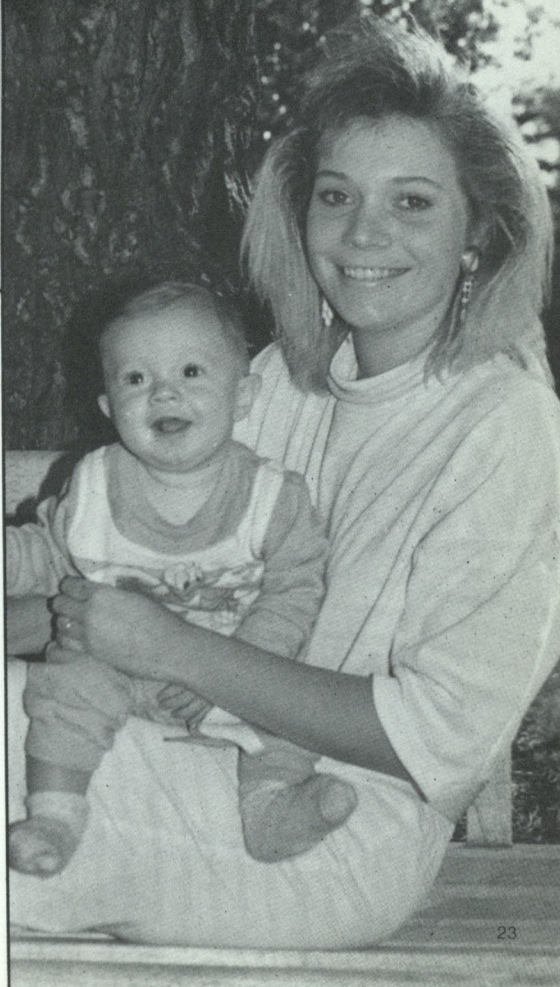

5-8 Freshman

Huntington Beach, CA

A real catch for the Titans after enjoying a storybook high school career...Led Ocean View High School, along with teammate Charis Monroe, to the 1985 CIF 4A Championship as a junior and posted a 31-0 overall record as Jackie Oakley...Named USA TODAY's Female Prep Athlete of the Year in 1985 while earning a myriad of post-season honors including CIF Player of the Year and All-Orange County...Three-time All-CIF recipient and four-time all-league...Owns CIF records single season records in wins (31), consecutive wins (32) and shutouts (28) with career records in shutouts (52)...Has a career ERA of 0.15...Married Harry Pittman last year and took the year off to have her first son (Joey, pictured right)...Returned to competitive softball this past summer and decided to join the Titans...A very smart pitcher who ties up opponents with a variety of off-speed pitches...Mother Sarah Oakley coached Jackie at Ocean View.

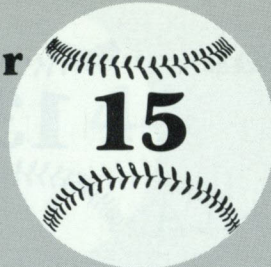

COACH GARMAN: There aren't many young people these days who have the gumption to attempt to handle the demands of marriage, a baby, academics and athletics. We are very impressed by her determination to show it can be done. After a year off, she has some catching up to do but she is showing the form that made her the top high school pitcher of 1985.

Debbie Schneider

Catcher
5-5 Senior
Glendale, CA

Played an invaluable role for Fullerton last year as a back-up to All-PCAA selection Michelle Gromacki and should step in the starting spot this season...Hit .247 in 89 at bats last year while appearing in 47 games...Intense competitor who plays very hard all the time...Earned all-state and all-conference honors at Pasadena CC...Prepped at Hoover High School in Glendale where she earned All-Pacific League honors in her junior and senior seasons...Played for the So. Calif. Invasion this past summer in the ASA...Majoring in Accounting...Opted for Fullerton over Oklahoma, Fresno State and USIU...Parents are Tony and Gail Schneider.

COACH GARMAN: Debbie does an excellent job of hustling behind the plate and blocking balls. She brings intensity and commitment to the field and that will lead to a fine season.

Valerie Van Kirk

Second Base

5-3 Senior

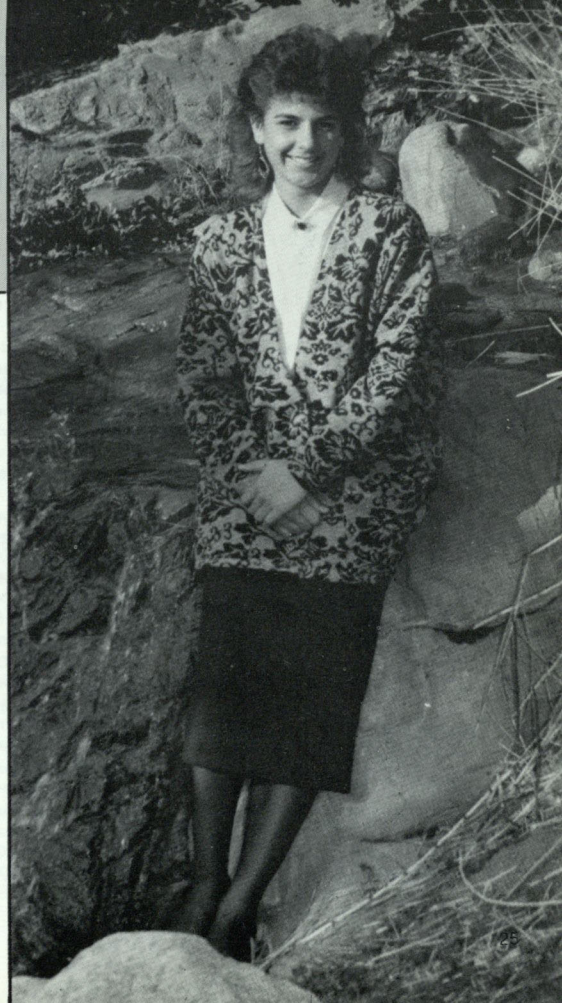

La Puente, CA

Without question one of the finest defensive players in the collegiate game...Earned second-team All-PCAA honors as a junior after hitting a career high .240 along with 14 RBI's...Was forced to miss the College World Series due to a hand injury but has recovered completely...Should be a strong candidate for post-season honors this season as well...Played ASA ball for the Los Angeles Diamonds this past summer...Has only missed 13 games in three years of collegiate softball...Two-time all-league selection at Workman High School in La Puente...Also played basketball and volleyball...Majoring in Criminal Justice with a minor in Sociology...Parents are Wayne and Dora Van Kirk.

COACH GARMAN: There is no second baseman I would rather have. The defensive plays she makes over and over never stop to amaze me. Reuniting her with Marty has really improved her hitting this fall and if she continues as she has, Valerie will be an All-America candidate. And she deserves it.

Connie Clark 1987 Broderick Award Winner

Softball pitcher Connie Clark, a 1987 first-team All-America, became the third Titan to win the prestigious Broderick Award given to the top collegiate athlete in each of the ten women's sports.

Clark posted a 33-5 overall record in leading the Titans to a third-place finish at last May's College World Series. In addition, she led Fullerton and the Pacific Coast Athletic Association with a 0.47 earned run average and 261 strikeouts in 283 innings pitched.

The Phoenix, Arizona native was 53-7 with 458 strikeouts and an earned run average of 0.36 in two years. In addition to earning 1987 All-America honors, Clark was the 1987 Co-Player of the Year in the PCAA (along with Rhonda Wheatley of Cal Poly Pomona), 1987 All-West Region and a member of the 1986 All-College World Series team. Clark transferred to Fullerton after earning JC All-America honors at Central Arizona Community College and All-State honors at Greenway High School in Phoenix.

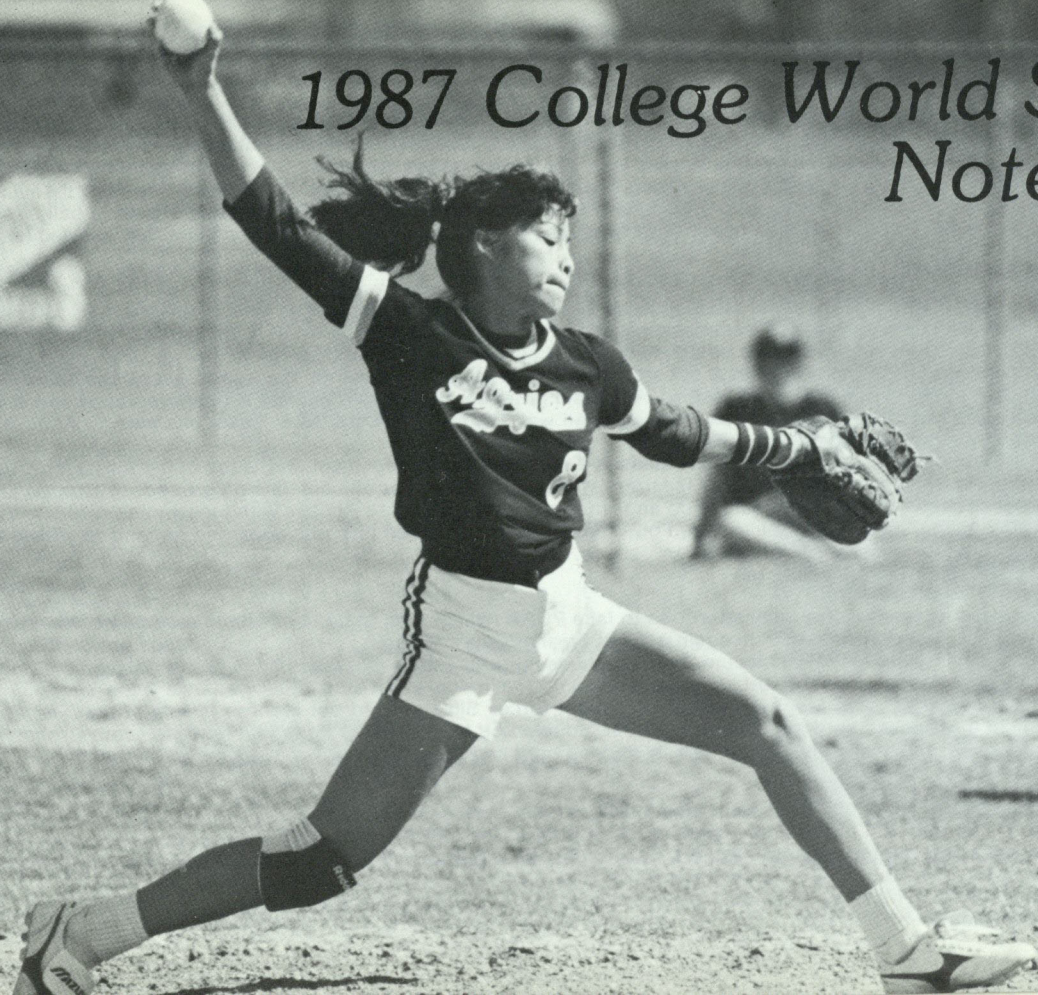

Clark joins Susan LeFebvre (1986) and Kathy Van Wyk (1982) as Titans who have won the award.

TITANS FINISH THIRD AT 1987 COLLEGE WORLD SERIES

GAME I - Fullerton opened up CWS play with their first game ever against Southern Regional Champion Florida State. The Seminoles sent former Orange County star Julie Larsen to the mound to face Titan All-America Connie Clark. The game remained scoreless until the top of the fourth when the Titans rallied with two down. After Chenita Rogers and Rina Foster tallied outs, Tiny Glomboske gave the Titans their first hit of the game. Lisa Baker dropped a line drive into short center giving Fullerton runners at second and third. Missy Coombes then lined a single into center scoring Glomboske and sending Baker to third. Florida State's Carolyn Fiero was then credited with a passed ball to score Baker and the Titans were up 2-0. In the fifth, Rogers singled home Alani Silva to close out the scoring for both sides. Clark allowed just three hits and struck out six in winning her 32nd game of the season.

FINAL SCORE: CS Fullerton 3, Florida State 0.

GAME II - Many people consider this the real national championship game and widely thought of as one of the greatest softball games in College World Series history. The defending NCAA Champs were facing the 1986 runner-up Texas A & M Aggies. The country's two best pitchers, Clark and Texas A & M's Shawn Andaya would be the stars of this contest that carried through 13 innings. The game stood at a 0-0 deadlock through the first ten innings, including two innings of tie-breaker. In the top of the eleventh, the Aggies got on the board. Zina Ochoa began the inning on second base and then was sacrificed to third. An infield grounder by Carrie Heightley eludes everybody and scores the go ahead run. In Fullerton's half of the eleventh, Foster opened at second and was sacrificed to third. After Baker hits back to Andaya, Coombes ties the game on an infield single that ties up the Aggies' Julie Smith.

Neither team scored in the twelfth despite Fullerton posting runners at the corners with nobody out. In the top of the thirteenth, Judy Trussell opens at second for the Aggies followed by an Andaya walk. Liz Mizera strikes out looking for one out. Ochoa grounds to Monroe at short who gets Trussell going to third for the second out. Newkirk steps up and singles to center to score Andaya with the winning run. The Titans fail in their half of the 13th and the 3 hour and 25 minute game is over. For Andaya, she allows seven hits, one unearned run and 13 strikeouts. Connie Clark allows two runs (one earned), four hits and 11 strikeouts.

FINAL SCORE: Texas A & M 2, CS Fullerton 1 (13 innings)

GAME III - A tired Titan team takes the field on Saturday afternoon to face PCAA rival Fresno State in an elimination game. After playing until midnight the night before, Titan ace Clark takes the circle again against Fresno State's Melanie Parrent. The Bulldogs got on the board in the top of the fifth when Shelly Stokes singled home Kim Mecum. It appeared as if the Titans should begin packing for home in the bottom of the seventh as they were down by a run. Then came THE RALLY. Silva opened up the inning with a single followed by a Gena Strang error putting Michelle Gromacki at first and Silva at second. Monroe's sacrifice attempt forces Silva at third but Monroe is safe at first and Gromacki is standing at second. Cathi Hall, in the biggest hit of her collegiate career, doubled off the top of the right field fence to score Gromacki with the tying run and sent Monroe to third. Rogers then sends a sacrifice fly to deep right and the Titans have come back to win the game.

FINAL SCORE: CS Fullerton 2, Fresno State 1

GAME IV - Like so many times in years' past, the Titans were facing UCLA in the College World Series. No surprise as Clark goes to the circle to face UCLA's Samantha Ford. The only run of the game came in the bottom of the fourth when UCLA's Karen Walker singled home Janice Parks. Fullerton could place only one runner on third (Rogers in the first) all night and never really threatened offensively. Just when it appeared that Ford may be tiring, the Bruins sent in freshman fireballer Lisa Longaker to shut them down. UCLA went into Sunday's competition needing to win only one of two games. They fell in both to Texas A & M as the Aggies earned their second NCAA Championship.

FINAL SCORE: UCLA 1, CS Fullerton 0

PONY INVITATIONAL TOURNAMENT

Cal State Fullerton's PONY Invitational Softball Tournament continues to be the country's most prestigious mid-season event as it attracts the nation's top teams to southern California. Three of 1987's top five national finishers will be participating along with several others who qualified for the NCAA Tournament. Leading the double elimination field will be Texas A & M, the defending NCAA Champions, three-time defending PONY Tournament Champions Cal State Fullerton, NCAA fifth-place Fresno State, along with perennial powers Cal State Long Beach, Cal Poly Pomona, Arizona and Oklahoma State.

Some of collegiate softball's elite will be participating in the event including Texas A & M's All-America shortstop Liz Mizera, Fresno State's All-America first baseman Gena Strang and Melanie Parrent and Cal State Fullerton's Missy Coombes and Tiny Glomboske.

The PONY Tournament gives softball fans in southern California an opportunity to see the kind of talent only found in the College World Series. The tournament proves to be a preview of what school's have what it takes to capture the national championship while others look to benefit their program by upsetting national powers. Last year, several thousand fans caught the climactic championship game as Fullerton and Fresno State battled into extra innings before a west coast television audience. Don't miss out on the softball event of the season. This year's tournament will be held March 24-27. Call 714-773-CSUF for ticket information.
