Dear Sister -

To stay as long as you
can for the sake of resting. Mother
came to see Emma yesterday. She
was just as indignant as usual - he
brought Sam a very fine hunting knife.
There is no news in our family
greater than Sam's new clothes which
arrived last evening and which
he wore to church this morning
accompanied by Emma. Lillie
went to church with - Mary and
Mary went to school afterwards
with - Lillie. Tomorrow I expect to
go to Sam to buy a new blue gingham
dress for Bessie who her mother
wishes it impossible to keep clean

without more dresses it was
90° - Aunt continues pleased.
we all send our love and
kind regards to the Daffords
I am going down to cook dinner

your loving
Mamma
