COMMENCEMENT TRADITIONS

The colorful attire worn by the graduates, the faculty, and officers of the university has been an integral feature of American commencement pageantry since the end of the nineteenth century. The tradition of wearing the academic gowns, the mortar-board caps, tassels and hoods and the carrying of the mace originated in Europe during the Middle Ages. The gown is held to be an adaptation of the robe of the friar or priest; the hood, the monk's cowl; and the mortar-board cap recalls the skull cap. All of the regalia recalls the days when teachers needed protection against the drafts of unheated medieval classrooms. Today's commencement exercises maintain much of the tradition and pageantry of the early times, when the occasion of commencement included debates and orations given by candidates to demonstrate their knowledge.

The Academic Regalia

The distinctive academic regalia being worn in today's ceremony denotes the wearer's institution, field of study, and degree held.

For each of the degree levels, bachelor's, master's and doctoral, the gown sleeves indicate the degree held by the wearer. The bachelor's gown is a yoked, closed-front garment with long, pointed sleeves. The master's can be worn open or closed and has long sleeves, usually closed but slit above the elbow. The doctoral gown has full, bell-shaped sleeves and is trimmed with velvet panels down the front and has velvet bars on each sleeve. The color of the panels and bars is often varied to indicate the academic discipline in which the doctoral degree was earned.

The mortar-board cap in black is the accepted style of headdress in colleges and universities throughout the United States. Other distinctive and colorful forms of headdress are often found in foreign universities.

An integral part of the headdress, the tassel varies widely in its use and color. The bachelor candidate at California State University, Bakersfield wears a gold tassel and the master wears a black tassel.

The length and shape of the hood also indicates the highest degree earned by the wearer. Although hoods are available for all three-degree levels, the hood for the bachelor is seldom used. The bachelor's hood is three feet long, with wide panels on either side. The color of the velvet border on any hood indicates the field of study in which the candidates have taken their degree, as outlined below.

White	Arts, Letters, Humanities
Drab	Business Administration
Copper	Economics
Light Blue	Education
Brown	Fine Arts
Pink	Music
Apricot	Nursing
Dark Blue or Black	Philosophy
Sage Green	Physical Education
Peacock Blue	Public Administration
Golden Yellow	Science

The Mace

The University Mace is a ceremonial symbol of authority carried in academic processions during commencement and convocations at universities and colleges. The honor of serving as Bearer of the Mace at California State University, Bakersfield is accorded to the Chair of the Academic Senate, the governing body of the faculty.

List of Candidates

Students eligible to participate in the 1992 commencement exercises include those who graduated in Summer 1991, Fall 1991 and Winter 1992 Quarters and Spring 1992 and Summer 1992 candidates who filed for graduation prior to the announced deadlines. This program does not constitute an official degree listing. The appropriate diplomas will be issued to candidates who have completed all requirements.

Graduation with Honors

Honors at graduation are awarded to undergraduate students who have completed at least 60 residential units of letter grade work as part of their baccalaureate program. Honors awards take into account all courses taken at California State University, Bakersfield and other institutions of higher learning. The grade point averages (GPA) necessary for graduation with honors are as follows:

- *** Summa Cum Laude-3.9 to 4.0 GPA
- ** Magna Cum Laude-3.6 to 3.89 GPA
- * Cum Laude-3.3 to 3.59 GPA

The determinations of honors awards cannot be made until final grades are recorded and completion of graduation requirements is verified for all candidates. Therefore, based on grades which are now on record, Spring 1992 and Summer 1992 candidates for honors are marked with "+." The diplomas and permanent record cards for those who earn honors after final grades have been considered will bear the appropriate designation of Summa Cum Laude, Magna Cum Laude, or Cum Laude.

Commencement Notes

Due to the many inquiries by guests and friends of the university, the following general information is being provided:

Restroom Facilities

Restroom facilities and water fountains are conveniently located in Dorothy Donahoe Hall.

Smoking

We ask that persons seated not smoke during the ceremonies.

Emergencies

Cal State Bakersfield Police Officers will be on duty to provide aid in the event of emergencies. The campus emergency phone number is 664-2111, or when dialing on a campus phone, 2111. The department will also operate a lost and found service during the ceremonies. A medical doctor and registered nurse will be on duty.

Reception

Graduates, guests and faculty are invited to attend the reception immediately following the close of the commencement exercises. The reception will be held on the lawn north of the bookstore.

Handicapped Access

For the convenience of our guests and for any person who may be mobility impaired, portable restrooms and drinking water are available on the south side of the amphitheatre.

Formal commencement activities will commence when all candidates for graduation have reached the seating area at the base of the stage. Candidates with disabilities who need assistance will be ushered in by staff, or assisted to participate in the procession if they so desire.
