## CLUB San Felipe

*Candy Veliz*

Robert Clubb decided to discontinue to write. Reason - no se. A lot of people are wondering why Gilbert Solarez attacked me (verbally) on the July 20th issue. No reason. They were all lies.

When a person writes a column, just like anything else, it is very difficult to satisfy everyone. Therefore, if you don't approve of what appears in this one, write me a line with your ideas and I will gladly put them on.

Club San Felipe wishes to express their condolences to Mr. & Mrs. Cruz Tapia, Sr. & family in the loss of their son Miguel. May he rest in peace.

Congratulations to Mr. and Mrs. Joe Camarillo. Baby Danny makes it 8. Get going, Richard Martinez, you are only 2 ahead now.

Club San Felipe softball team under the guidance of Manager Jess Medina continues on its winning ways. Club San Felipe 9, Bachelors Club 6.

### EXCENTRICO PHOTO AT CLUB SAN FELIPE FORMAL BALL

In this photo our 1963 Queen, Dora Gutierrez, is receiving a bouquet of flowers from our 1962 Queen Nora Elia Terrazas. Doing with the lip is yours truly.

Working nights is keeping me from attending all the swinging dances that Mr. Frank & Ray Davilla are having at the Rainbow Ballroom every Saturdays & Sundays. If you can make it why don't you go, you will have a ball!

Paul Gary, your host at Maria's Nite Club, is not married. He just thought you gals might want to keep the record straight.

The romance between cute Lupe Rodriguez and popular Oscar Vazquez is no mo. It should be, they are both real nice people.

Robert Rodriguez (State Chairman Amer G.I. Forum) you almost waited too long to tell Rudy Belluomini good-by. What you don't know is that he claims to be a Mescican. What he doesn't know is que ya estamos completos!!

Bowling wise Club San Felipe with Captain Luis Martinez, Anna Dominguez, Tony Guillen, Joe Camarillo and Joel Reyes are still leading the league. Keep up the good work boys & gals.

### LAST MINUTE NEWS!!!

## FIESTA DE LIONS CHARITY DINNER

The Mexican American Lions Club of San Jose, California, First Annual Fiesta de Leones held Saturday evening, August 10, 1963, at the Musicians Hall proved to be one of the most brilliant and successful social events of the season. Over two hundred and fifty guests composed of most of the prominent professional, civic and business leaders their wives and friends participated in enjoying the continuous Mexican Mariachi music as well as the latin tempos. Also, enjoying a noche de Fiesta were over fifty Lion members, their wives and friends, representing the Los Gatos, El Camino, San Jose Host, Hester, Alum Rock and other Lions Clubs in this immediate area.

Presiding as Master of Ceremonies was the President of the Mexican American Lions Club, Dr. Juan de Heras. The program chairman was Lion Richard Franco who was assisted by his committee chairmen, Lion Martin Mendez, Jr., food chairman; Lion Hank Coca, entertainment; Lion Joe Hernandez, bar and refreshments; Lion Pompeyo Garcia, Security; Lion Zoli de Haydu, transportation and the other Lion Club members who helped in all phases of the fiesta.

The music was provided by Los Tres Cristales who serenaded all the tables and furnished intermin entertainment, an hour presentation by the well known Mariachis, el Conjunto de Jose Santana, who thrilled those present with their stirring Mariachi music. The dance music was furnished by the Armando Avilez Combo who played and entertained until 1 AM.

The menu was an all Mexican type dinner and assisting in the kitchen preparing the food were the following Lion wives: Mrs. Richard Franco, Mrs. Martin Mendez, Mrs. Max Ruiz, Mrs. Ignacio Galindo, Mrs. Henry Coca, Mrs. Henry Mercado, Mrs. Gilbert Adair and her daughter Vickie and two guests, Mrs. June de Bord and Miss Maria Garza. The initial preparation and cooking of all the food was thru the courtesy of Mr. Martin Mendez Sr., owner of Las Tres Palmas and The Continental Tacos Bars.

The fund collected by this charity event will be used to help the Lions Center for the Blind located in San Jose, California, as well as several other projects under consideration by Mexican American Lions Club.

One of the highlights was the awarding of "Genral's" Star to International Counselor Johnny Smart by Lion President Juan de Heras on behalf of the club for his efforts and assistance in the formation of the Club.

## Club Riviera

FRANK D. KAWAKAMI

The UCC League had a special meeting concerning the financial status of the league and whether the second half was to be played. This meeting was held at Maria's Club on North Thirteenth. It was presided over by Paul Gary. After much discussion and going over the books it was decided we could complete the second half easily. Another result at this meeting was the expulsion of Casa Mariana from the league. According to the rules a team that forfeits three times is automatically expelled.

Here's a little bad news for Club Riviera fans. The playoffs held on Sunday, July 28th, for second place were won by El Dorado. In the first game which was with C.R. it was a toss up as to who would win until the bottom of the 8th inning. When El Dorado pulled ahead of C.R. 5-3 to win. In the second game El Dorado was ahead all the way and ended up 6-0, a shutout against San Joaquin. At this point I'd like to mention that El Dorado pitcher Mando (Superman) pitched both games and was still going strong at the end of the second game. Fifteen consecutive innings! Boy, that's what I call stamina.

On September 1st the United Business League are having an All Star Game. Paul Ramirez, C.R.'s Athletic Manager, tells me that H. (Homerun) Payer and Jim (Legs) Payer have been selected from C.R.'s roster to play 1st string first base and catcher.

J. PAYER

H. PAYER

The same day the United Business League will sponsor the Greatest Dance of the year, Sunday, Sept. 1st, 1963, at the IES Hall, 1401 E. Santa Clara St. San Jose, Calif. Joe Dagnino Orchestra, the most popular in the Bay Area. Prizes for the Best Twist and Ranchero Dancers. Time: 8:30 P.M. to 1:00 A.M. Dance is sponsored by the United Business League. Donation-----\$1.00.

On Sunday, August 11th, C.R. had a game with Los Toros. C.R. won it 8 to 3.

We would like to correct ourselves on the last issue of EXCENTRICO. We had a picture saying that Mr. and Mrs. Harold and Margaret Martinez were having a ball at San Felipe's Formal Dance. The correction is, they were having a ball but it's MISS M. MARTINEZ instead of Mrs. Sorry, Margaret.

The recent torch suicides in Vietnam are quite thought provoking. If you've ever burned yourself either lightly or badly you know your first thought is to retreat from the heat. Now just imagine pouring gas over yourself and lighting it. Then just sitting there and letting yourself die. I admire these people for their perseverance, but I doubt if they will have it any better under the communist.

I heard that Danny Romos of Mexicali Club has hopes of a place called El Tropical at the sight of the old Latin Quarter. Lots of luck Danny, maybe we can have some more good times when you open.

ampliamente conocido en esta cd.

RICHARD DIAZ  
Columnista de EXCENTRICO

EDWARD CAMUÑEZ

My buddy Bob Rodriguez who is attending the National GI Forum Convention in Chicago wrote the following article which appeared recently in the San Jose News. In it he expresses a few of the many reasons why the American GI Forum opposes the extension of Public Law 78, The Bracero Program. I received his permission to reprint it in my column.

#### BRACERO LABOR

Editor: May I make a few remarks regarding your editorial of August 6th wherein you favor extension of the bracero program?

I agree with you when you say that "unquestionably the bracero program has been of great benefit to many California farmers." It no doubt has but at the expense of many Mexican American families whose wages have been depressed by the importation of Braceros. The Bracero Program makes a mockery of our free enterprise system, and is contrary to the basic principles of democracy which we as veterans fought and died for.

You at times featured articles pointing out the high delinquency rate and welfare case load of Mexican Americans. It is rather difficult for many Mexican American families who depend on a livelihood from farm work to raise model children when the right to compete in an economy of supply and demand is being denied them. Domestic labor is available but not at stoop wages.

Our own farm working citizens do not enjoy the benefits rendered to Braceros. Our distinguished Congressman, Charles Gubser, when addressing the House of Representatives urging the extension of the Bracero Program and pointing out the humane treatment offered them said, "Have you ever eaten in a Bracero Camp in one of their tables which are always spotlessly clean? Their kitchens pass rigid health inspections. I have eaten at these tables and it is good food as good as you get downstairs in the House Restaurant."

I wonder if Congressman Gubser would find the same situation at the table of one of our migrant families?

The American GI Forum of California has always been, is, and will always be against this miserable slave labor program which has been detrimental to the progress of thousands of Mexican American families. It is an immoral program and contrary to every thing American.

The only justification for it is the gain of those who benefit from it.

#### SANTA CLARA NEWS

Lopez, 2nd Vice Chairman, Bob Vazquez, Secretary, and Joe G. Lopez, Past Chairman from the Santa Clara Chapter. They are seen at Connie Caudillo's home in Santa Clara celebrating the Santa Clara Chapter installation of officers.

Have you ever heard of a hospital warming? Well, it's something like a housewarming only more anti-septic.

Last weekend three prominent Milpitas physicians and their medical staff gave a hospital warming. Attending this lively affair were Patty Tamez and Norma Espinoza, most charming hostesses. Patsy is President of the mysterious and adventurous Club Elite and Norma is the fortunate sister of Gasper Espinoza who suffers from acute flaking of the fingernails. Well anyway, everyone took Excedrin and had a lovely time because they weren't tense. The guests of honor were Dr. Mervin Flea-brain, Dr. John Gutless and flown all the way to San Jose was P.H.D. Sidney Fink, from Egypt, Oklahoma.

Special entertainment featured Gertrude Windpipe retired throat specialist singing "Let's suffocate like we did last summer!"

Says Patty, "I had a marvelous time, everyone looked so chic and smart in their pastel strait jackets. We all had a few shots mostly of adrenalin on the rocks. Have you ever tried Rum with metrical? So soothing, only 5,000 calories per glass and it helps reduce cavities too!"

Norma's escort was Smedly Fur and Patty's was Willy Spineless. A sickly time was had by all.

THINGS

Present at San Felipe's formal ball most recently were our own Carmen Molina and their own Tony pato Guillen. (Please tony dear wait your turn before speaking, Candy V. thinks your very rude). Also were Carmen Cortez and Jessie Zertuche, Gil Solarez and Mary Martinez, Trudie Jimenez and Sergio Cerna, J.J. Rodriguez and his date Lucille somethingorother. And last but not least were Patty Tamez and (gasp for breath) Gasper!

Hank (the keed) Paramo and Frances Coronado will say "I do!" on August 31st of this month at St. Christopher's Church here in San Jose. Of course covering this unbelievable event will be Pravda underground news agency.

TO WHOM IT MAY CONCERN

I regret to say that Helen Solarez my indispensable assistant has abandoned this stimulating and absurd column for bigger and better things. Yes dear people Helen has resigned she has left her literary post to pursue the study of business machines at S.J. C.C. Seriously Helen is a very ambitious girl and as soon as she becomes a successful business woman she plans to loan me six thousand dollars so that I can buy

the stunning red jaguar that my little heart desires.

I spoke to Helen last night and she tells me that while she was in Southern California vacationing, she had occasion to go to P.J., a Hollywood nightclub where Trini Lopez (of If I had a Hammer fame) was currently appearing. According to Helen, Trini plans to appear in S. J. sometime next year, providing of course that he makes another hit record.

Three weeks ago I went to see Cleopatra in San Francisco and much to my dismay I've discovered that Richard Burbon does not have a palmolive complexion. tsk tsk. Next time I won't sit in the very first row.

Did you know that Christine Keeler has asthma. Pity.

ZODIAC DEPT.

If you were born the first three weeks of this month that makes you a "Leo", sign of the Lion. It also makes you ambitious for power and position, and you are supposed to be very sociable, a colorful and exciting person who has great leadership abilities. Sometimes you may seem to be rather bossy and boastful. Leo people rather dislike to be alone. They have an active imagination and like to entertain. They are warmhearted and generous and good talkers and like to be the center of attraction. They think well of others and find it difficult to believe anything bad about anyone. They like to be flattered and complimented and they think that they are always right.

PINS AND GUTTERS DEPT.

Next month the Mexican American bowling teams will begin they're winter league bowling at Ann Darling Bowl. I'm sure that we will all be very successful in our individual teams.....I think.....

COMPLAINT DEPT.,.....

Sugar Zamora, would you please stop disguising your voice over the phone? Here I thought it was the Department of Internal Revenue!

MISSING PERSONS

I haven't seen or heard from the former Miss Eleanor Solarez since her June wedding when she bade us goodbye from the steps of Azteca Reception Hall. I hear that she's very busy planting Petunias in the backyard, her husband Art gave her a little patch of land all of her own so that she could plant all the crab grass that she wants because Eleanor is so very Botanically-inclined and creative. That reminds me, Eleanor dear, I've got the loveliest watermelon seed that you ever did see I've been saving them in my closet especially for your progressive garden. Please come over to my house and pick them up as soon as possible because I'm afraid that they may start blossoming out any day now and it isn't that I mind having watermelons in my closet but its just that there is not any more room left what with my childhood discs and all.

Did you find footprints on your butter this morning? Chances are that there was an elephant in your refrigerator last night.

## Mientras Llueve

Mientras llueve oigo una canción,  
Que va volando inutilmente por el aire  
Sin decirle un adiós al corazón.

Cae la lluvia fuerte y temblorosa  
Sobre los techados de las casas blancas,  
Y las puertas se vuelven amorosas.

Y mientras sigue lloviendo  
La lluvia miro caer,  
Y me acuerdo de la novia  
Que era todo mi querer.

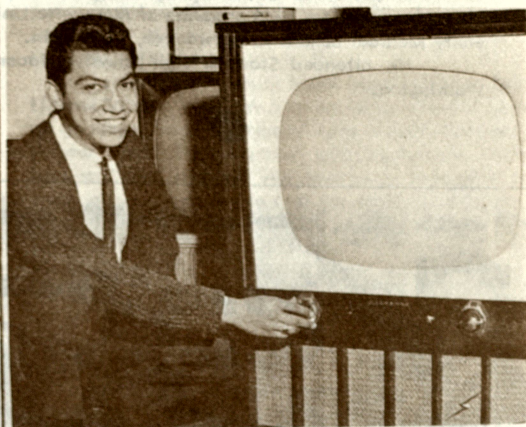

Lluvia, Lluvia tempranera  
Cae cae sin cesar,  
Moja bien la enredadera  
Donde la empeze a adorar.

Mientras llueve todo ensueño  
Florece en mi corazón,  
Y se transforma en un sueño  
La lluvia, novia y canción.

Con todo mi Afecto a los  
lectores de EL EXCENTRICO.

CARLOS CAMPOS

Muy señor nuestro:

Por un gentileza de un paisano nuestro radicado en esa localidad, recibimos un ejemplar de EL EXCENTRICO que hemos leído con verdadero interés.

Nunca nos imaginamos que hubieran tantas personas de ascendencia mexicana por esas ciudades de California, hasta que tuvimos el placer de saludarlas y conocerlas de cerca, durante nuestra gira que hicimos en mayo del año en curso. No cabe duda que nos trajimos un gratisimo recuerdo por todas las atenciones que recibimos en nuestra breve estancia.

Quisieramos que por este organo periodístico que Ud. tan atinadamente dirige, hiciera llegar nuestro sincero y cariñoso saludo a todos los buenos amigos que dejamos por ahí, así como a todos los mexicanos o de ascendencia mexicana radicados en California.

Somos de Ud. afectisimos, atentos, amigos y  
Ss Ss.

CARLOS CAMPOS Y SU ORQUESTA

mi cariño saludo a todos

## Un Gran Paso Hacia la Paz

Las tres grandes potencias mundiales en armas nucleares: Estados Unidos, Rusia y la Gran Bretaña están comprometidas entre sí y ante la mayoría de los países del mundo a cesar en sus experimentos nucleares de superficie. (los subterráneos no quedan prohibidos). Esto aun cuando no es un freno absoluto para detener la guerra, es una demostración de que tanto las tres potencias, como la mayor parte de los países del mundo están en favor de la paz.

Este documento no es un tratado de no agresión entre las potencias, pero marca por lo menos un deseo general de trabajar conjuntamente en favor de evitar un conflicto en que se usen armamentos nucleares. Cuando se ha podido llegar a este entendimiento, nace la esperanza de que se inicie una amistad internacional por medio de la cual se resuelvan las diferencias que pudieran surgir en el futuro, sin necesidad de apelar a la fuerza belica o nuclear.

Desde otro punto de vista también es de gran utilidad suspender los experimentos nucleares en la superficie, por el peligro manifiesto de el enrarecimiento que puede provocarse en nuestra atmósfera, con los quien sabe hasta que punto peligroso resultados, para la vida vegetal y animal de nuestro planeta.

Los fenómenos atmosféricos naturales que constantemente azotan diferentes lugares en la tierra, no nos es posible evitarlos, movimientos telúrgicos, inundaciones y ciclones tenemos que sufrir sin poderlo remediar o prevenir. Afortunadamente, por medio del tratado de las potencias mencionadas, la fuerza nuclear queda bajo control, y ya no será otro peligro mas que no amenace con motivar algun trastorno, que dado a su fuerza, pudiera ser de gran fatalidad para la especie humana.

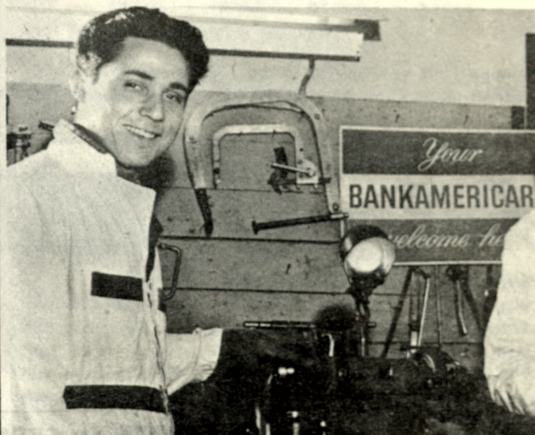

En Washington, Moscú y Londres, los representantes de la mayoría de los países de todo el mundo han firmado el tratado que prohíbe las pruebas nucleares, salvo las subterráneas. Si en la forma que se ha trabajado para lograr este tratado, se trabaja para conseguir un tratado de no agresión respaldado por las naciones mas fuertes, el peligro de una nueva contienda belica habra quedado olvidado para siempre y el hombre podrá dedicar sus esfuerzos a causas mas nobles que las de destruirse si mismo.

El pasaje Bíblico de Caín y Abel será desconocido por las generaciones venideras, que recordaran nuestra era como la época en que se freno el barbarismo de la humanidad.

Elections for union officials in the cannery workers union Local #679 is coming in October of this year.

Vote for the following union officials who have done a tremendous job to bring better conditions for the members.

Before you vote for someone else, ask them "What have you done for the union?" not what you can do now if you get elected. Remember it's the past that counts. Vote for an experienced man who has responsibility starting with his wife and kids and the continued betterment of the union members.
