1. The agenda for the meeting was approved.
2. The minutes from the March 13, 2015 meeting were approved.
3. Chris shared the Working Group structure for this year and the initial curriculum review assignments. A minor revision to the working group assignments was made and Chris will email new working group assignments to all committee members.
4. There are four courses currently pending 5-year reviews: ART 177S, CHEM 165S, MCJ 158S and MCJ 159S. Chris will send memos notifying the appropriate departments and faculty members about this review, requesting course materials be sent to the committee. Subsequently, the appropriate working group will review each course and make recommendations to the full committee for consideration.
