Ms. Lupe Anguiano

I was very impressed & proud, when I read the article on the National Women's History Project news letter.

I just wanted to send you a quick note to let you know that I am also an Anguiano. I was born in Los Angeles and at the age of 3 I was raised in Oxnard, California. I still have family in Delano, California.

My job transferred me to Arizona. I have been here now for 6 years.

I want to thank you for your hard work & dedication.

Best regards,

*Patty Pennington*
