Once again Los Torantos & La Strada -

Tonight - Mike O'Malley

One in search of the understanding that is Roberto's. Although much knowledge - ~~spoke~~ of joy - a lack of romantic heart. But... Mike in his own sphere is a master - thus to compare the two would be rendering little justice to neither.

I see in Mike - new horizons all attained by recognizing & seeking.

Roberto is a step ahead - it is his nature to deal with the emotional without prejudices or reaching self interpretations into a scene or thought.

a toast to Mike -
to Roberto -
