IS PROUD TO SUPPORT EDUCATION

# Welcome to Cal Poly

On behalf of the 1998 Open House planning committee, I would like to be among the first to welcome you to San Luis Obispo and Cal Poly's 5th annual Open House. This year's Open House theme is "Poly Classic" and it is sure to be a spectacular event! The events that take place during the next two days are the final product of many hours of hard work and dedication by students, faculty, staff and administrators.

Whether you are a current student, prospective student, parent, alumni, friend of the university, or a member of the San Luis Obispo community, this year's Open House has something for everyone.

Friday's events are geared specifically for admitted students and their families. This is the perfect time to see what Cal Poly is all about. This is your chance to ask questions and find out if Cal Poly is the college for you. Take a look around, Cal Poly has been expecting you. Your colleges and departments are excited to meet each and every one of you, and they are ready to open their doors to show you what they have to offer.

Saturday's Open House event is a time for Cal Poly students to show the world their university. You can visit exhibits and educational displays presented by more than 200 student clubs and organizations. Once you've explored all of the club booths and displays don't miss our special events! Stop by the mainstage on Dexter Lawn and the Library amphitheater to catch performances by student clubs and local groups. Experience the Cal Poly Rodeo, the Open House Tractor Pull, and don't miss the fun and exciting games at the Open House Carnival. Kids 8 to 12 don't forget to pick up your Kids Club Scavenger Hunt card at the Open House booth on Dexter Lawn.

We hope you enjoy this year's Open House, Poly Classic '98.

Jenny Justus  
1998 Open House Chairperson

*Jenny Justus*

# Student Resources

Academic Advising Questions &  
Answers

College Tours By Engineering  
Ambassadors

AERO Department Tours  
new student Question & Answer  
session with Dept. Chair

Welcome Luncheon & Info session  
for new CE/ENVE Students &  
parents

Lunch for new CE/ENVE  
students & parents

Tours of CE/ENVE laboratories

New admitted students meeting  
with CPE/CSC Directors and  
faculty introductions

Students and Parents  
on own for lunch

Lab tours/classroom visitations  
(self-guided)

Reception w/ CSC & CPE faculty  
refreshments will be served

Lunch & Presentation by Dr. Walsh  
Visit other Department Tours

EE Department tours  
EE Hospitality Room-Visit  
w/ faculty, staff & students

Lunch with new IME students &  
families. Department chair, faculty  
and students meet w/ new IE and  
MFGE students and families for  
discussion, lab tours and wrap-up.

Welcome to new students  
New Students Day Luncheon

Lab Tours

Panel Discussions  
new students & parents  
Visit a MATE 210 Class Lecture
