Business

04/05:12 Priority Registration

The Priority Registration Policy is going before the Senate this week. The Executive Committee asked a clarification questions about who the policy means by “students in the credential program”. This term came from the registrar’s office and probably refers to students in the credential program who are planning to become teachers.

05/06:3 Student Background Check Policy

Doug talked to Sara Dove who told him that currently SSU has no such policy. Students in service learning courses have to follow the rules set by the institutions they go to in the community. SAC will invite Elaine Sundberg and Rick Ludemer to talk about the legal issues involved in this topic.

05/06:6 Elect Chair

Doug Jordan was unanimously elected chair for the 06/07 academic year.

05/06:4: Advising Best Practices

SAC edited the list of best practices one last time. It will now go to the Executive Committee to check if we can send the list to department chairs in all schools.

The meeting adjourned at 11:50 am.
