

Dear Mr Devereux.

Today I rec'd a
letter from Mr Jay enclosing
copies of letters Mr Lee &
had written to Mr Washburn
& to you. ~~I send~~ I enclose
a page from his ~~daily~~ daily
~~report~~ report to the office as
it covers the situation as I
perceive it. ~~Mr Washburn told~~
~~me that~~ ~~the~~ after ~~it~~
Mr Washburn says he would
certainly have been if deer had
been killed. ~~work without~~
~~the men~~ ~~some~~
~~help except~~ ~~some~~
~~work there.~~ ~~some~~ ~~of those~~

who do not ^{work} go on hikes
over the mountains or down
to the shore. It is impossible
to guarantee what they do or
do not do, but ~~if I~~
could be on any appreciable
scale or some ~~other~~ ^{if} it
would filter through the camp,
~~and then~~

I certainly am one guilty
of killing or shooting of
any bird would be perfectly
discharged.

With no restriction of any
kind outside of themselves, it
would ~~be~~ produce a very

difficult mental situation
of the men who were set
up a fort outside the
camp just that they
could not if they wanted
to - I for those who love
to ~~on spending it~~ ~~would spend~~
~~wander like the gnat~~
~~while here room~~ it would
mean changing the camp
into a prison.

I will see that

room much better
I regret very much having to
behold you with this, ~~try~~
