there is sadness, joy. What divine master, grant that I may not so much seek to make us so, so be understood as to understand, to be love, as to love.

00:06:37:21 - 00:06:42:27

Speaker 4

For it is in giving that we receive. It is in our lives that we are pardoned, and it is.

00:06:42:27 - 00:06:46:15

Speaker 2

In dying that we are born to eternal life. In everything.

00:06:46:15 - 00:06:51:28

Unknown

That.

00:06:52:00 - 00:06:58:15

Unknown

We are now. It is my pleasure to introduce your speakers.

00:06:58:17 - 00:06:59:22

Speaker 4

Most of you already know.

00:06:59:23 - 00:07:01:23

Speaker 2

That many of us don't.

00:07:01:23 - 00:07:26:24

Speaker 4

Know a lot from distinguished background. So I would like to tell you. Chief. Police echo previous evening of California. He was born in Fremont, California. Berkeley attended Washington High School prior to being accepted as private student at the University of California, Berkeley, California. Here is his first year to join U.S. Army.

00:07:26:26 - 00:07:29:07

Speaker 2

Which he served for three years.

00:07:29:10 - 00:07:57:28

Speaker 4

In the first Airborne Division in America. He quickly rose to the right of Sergeant, one of the youngest sergeants in that time. He also received several awards as a soldier, including one that's more like a kid. One of the outstanding field soldiers during ten years during major military exercise and he was accepted as a candidate for Officers Candidate School, but he decided to return to college.

00:07:57:28 - 00:08:28:28

Speaker 4

In civilian life. He returned to California and moved to San Jose to continue his education focus, join the Scouting Police Department in 1965, and graduated from San Jose State with a bachelor's degree in 1967. After joining the police department in Mexico City, but rose through the ranks steadily, working in a variety of assignments. She was always excited to meet for good communications and for community involvement with the police department.

00:08:29:01 - 00:09:07:01

Speaker 4

While in community relations, he was instrumental in helping and he gave a very strong and also initiated a Spanish speaking legal information program for the local Spanish program. He has helped raise many cards for the celebrations department, and he also marked the first recruiting drive here to bring more minority officers to the department and continues demonstrating the impressive program at Evergreen Valley College and the freshman program at West Valley identity College is very proud of the work to modernize the field training program when you work there as a commander.

00:09:07:03 - 00:09:29:02

Speaker 4

He is also very proud to have been one of the founders of the Latino Police Officers Association and Organization, which has done much to be more experienced in taking department and to make many of the changes. As Deputy Chief, he commanded the Bureau of Administration for to gain valuable experience working with personnel issues and with the department's budget.

00:09:29:04 - 00:09:53:26

Speaker 4

He also did much to field the recruiting and hiring of officers. Chico Ramirez and his wife and daughter, who is presently attending college and has been the Chief of Police for the San Jose Police Department since November 1st, 1991. Please welcome the Chief.

00:09:53:29 - 00:10:21:04

Speaker 3

Which is some way to see the. Very, very happy to be with you. it's a pleasure. Because one thing that was left out of that, statement about my, my history was that many years ago, I was a patrol officer. I joined the GI forum. I joined because I was encouraged to join, at that time by Dan Campos, who was a very good friend of mine and I, who I have always been proud of my my membership.

00:10:21:06 - 00:10:40:05

Speaker 3

I have not been as involved as others. but nonetheless, whenever I could, I try to help as much as I can. And I'm very proud of my associations with this organization. I continue to be a member of. Some of you may not know, I because even though I work behind the scenes, I'll be the coordinating civilian, workforce.

00:10:40:08 - 00:10:52:12

Speaker 3

And, it's always a pleasure to get out there to work with where some of your, your leadership, with some of the people that have made a difference here in of that. so it's something that I, that I am very, very proud.

00:10:52:15 - 00:10:53:17

Speaker 2

00:10:53:20 - 00:11:14:00

Speaker 3

Having accomplished, I'm very pleased to be here today for two reasons. Number one, not only because of the great organization, the impact it's had. And, it's also nice to be in a room with, with, you know, it's a small room with a good number of people. And I'm saying that because for the first two years of all those people's lives, it's been on it's almost three years.

00:11:14:04 - 00:11:38:14

Speaker 3

Almost two years. I was speaking to groups of 500, 400 large groups of people. But as time went on, I guess people got tired of hearing what I had to say. And their groups got smaller and smaller and they that's the last night that I saw. I started on the evening of the fourth of this week for many at a large hotel downtown.

00:11:38:17 - 00:12:00:15

Speaker 3

the evening started out with about 500 people, as the other speakers spoke, as they were on, people started leaving. By the time I got to the podium there, only about 50 people. the people continued to leave until finally, there was one gentleman left in the room. And as I concluded my remarks, I was very grateful that at least one person stayed here.

00:12:00:17 - 00:12:20:12

Speaker 3

I say, so, I approached this gentleman and I said, sir, I want to thank you for having a kindness and respect to a state, for my car, presentation. And he said, well, let it go to your head. I happened to be the last speaker.

00:12:20:14 - 00:12:22:29

Unknown

Of the race in.

00:12:23:02 - 00:12:26:07

Speaker 2

The whole room. And I will.

00:12:26:09 - 00:12:47:23

Speaker 3

Know many things that the CIO or of, the major things that this part of the population. And again, we can all be very proud of that work. there's no need to repeat, what? It was done in Texas, the place the civil rights for. But, the fact that the one time has managed not being buried in cemeteries, but that goes, what?

00:12:47:23 - 00:13:10:24

Speaker 3

Can you look back that seems so utterly ridiculous. It's just incredible. but so many other things that have been done on the fight for civil rights here. It's almost there that you have forecast an outstanding track record in fighting for equal treatment. in fighting for a fair play, in fighting to change the police department and fighting to change other aspects of city government.

00:13:10:27 - 00:13:41:08

Speaker 3

Also, in fighting to make sure that Hispanics are treated fairly when it comes to the border, the G.I. forum is not a big role to play in terms of affirmative action, for example. And I recall very vividly, they was one of the guys for the city of all the city manager when it came to the minority roundtable, and to ensuring that affirmative action plan was put into place and that it was monitored and followed, as it has been for many years now for the city.

00:13:41:08 - 00:13:59:24

Speaker 3

As I said, I, in addition to that, we're all aware of the fact that the G.I. board members have mentored young people for many, many years. And I'm just, speaking, there's one young man who was telling me that he is a member, and I'm very pleased to see that some young people are now beginning to join the organization, because the organization.

00:13:59:24 - 00:14:00:08

Speaker 2

Is beginning to.

00:14:00:08 - 00:14:21:22

Speaker 3

Age in terms of a lot of the membership. but the fact is that for many, many years, it is the encouragement of young people, that probably in the long run will have the greatest impact in terms of getting them to become involved in many of these issues and continue the fine work that has been done. We're also very much aware of the work that they have done to scholarship.

00:14:21:24 - 00:14:44:24

Speaker 3

The moneys that are raised by the, Sabet yes, the the Cinco de Mayo. And this is, again, very much of that money going to scholarships to encourage young people to go on to, four years of education, to encourage them to deliver education again. Again, something that is extremely important is something to which this organization can be very, very proud.

00:14:44:26 - 00:14:55:26

Speaker 3

the festival itself, Cinco de Mayo, the largest Hispanic festival in the country, is also the safest and the best run of all the all.

00:14:55:26 - 00:15:01:26

Unknown

The festivals that, take place in America. Well, unfortunately, we're aware of what happened in Los Angeles.

00:15:01:28 - 00:15:34:07

Speaker 3

We've had a mini riot this last year. and we worked very closely, with the General Forum as to, as a representative of the police department to ensure that we don't have something like that, occur in the cities. I would say that, again, you can be proud of that wonderful activity that, has been so very, very successful at the national level, the GI forum, the tremendous impact we have, of course, Victor Garza, one of our national representatives and a true leader, nationally.

00:15:34:10 - 00:16:09:03

Speaker 3

and again, I'm very proud to say, that, because of that involvement, people are listening to the Hispanic voice, and, we're beginning to have more and more input that goes on. So there's much to be proud of by each of you should look, if you so, with the right, with these accomplishments, and I know that I, as a member of the police department and you're very much aware of what is taking place, and also very much aware of the impact that the G.I. board had on my of taking the position of chief of police, because the support of the people of the Hispanic community.

00:16:09:03 - 00:16:09:21

Speaker 2

And particularly.

00:16:09:21 - 00:16:32:01

Speaker 3

The G.I. forum like that would not be in this particular position. so with that, let me say that as we look into the future, I know that GI forum will continue this very fine work. I know that is expected by many communities. I also know that there is much left to be done. is as far as we have come.

00:16:32:01 - 00:16:54:18

Speaker 3

Nonetheless, we have to be watchful. we have to be, very, very visible, in all aspects of government. when, your city becomes even more diverse than it has become, there's always a tendency to take the, the, the moneys, the employment, the jobs that are there and split them up between the various groups.

00:16:54:20 - 00:17:16:08

Speaker 3

and we have to be watchful as Hispanics to make sure that the Hispanic community is also being treated fairly and well. Sir, here in San Jose, the Hispanic community is 28%. of the occupation. The Asian community that is growing very, very rapidly is up at 80%. and overall, the, the minorities are not the majority.

00:17:16:10 - 00:17:22:00

Speaker 3

they get opportunities.

00:17:22:02 - 00:17:38:06

Speaker 5

Actually, they might collect here. They don't know yet. 1993 received a certificate of appreciation for whole year from dating and dedicated service. In 1993, American.

00:17:38:09 - 00:17:45:25

Unknown

When I.

00:17:45:27 - 00:17:46:14

Unknown

I don't know if.

00:17:46:14 - 00:17:51:19

Speaker 5

You ever seen that one. The one that, went in one of your mechanical,

00:17:51:21 - 00:17:52:04

Speaker 2

That's it.

00:17:52:08 - 00:18:15:24

Speaker 5

But now, if you can put that in your, put this in your car. They want to report 1994, you know, for a report and recognition of your continued support to the American Guide for 1990.

00:18:15:26 - 00:18:23:25

Speaker 3

Their support for you will always be there. Thank you all very much.

00:18:23:28 - 00:18:25:19

Unknown

So this time I'd like to request again to swear our new officers. And would you please come forward. And joining us today, April 4th, our chairman, David Rodriguez, Vice Chairman I'll say Martinez recording.

00:18:49:24 - 00:18:54:04

Speaker 4

So Terry Gross, place corresponding secretary.

00:18:54:06 - 00:19:16:24

Unknown

Programs are very hard to go to chapter and Robert Kenner sorry never.

00:19:16:27 - 00:19:20:20

Unknown

Got right there. I was like one.

00:19:20:23 - 00:19:35:12

Speaker 5

Year after the year.

00:19:35:14 - 00:19:42:01

Speaker 5

Thank you.

00:19:42:04 - 00:19:54:10

Speaker 5

When you think I will say your name before phone number and, company to take the opportunity for I, I is I don't want to make promises.

00:19:54:10 - 00:19:57:03

Speaker 3

About me from you.

00:19:57:05 - 00:20:00:28

Speaker 5

May we ask you reporting on the.

00:20:01:00 - 00:20:01:11

Speaker 2

Division.

00:20:01:14 - 00:20:05:28

Speaker 3

That, this backlog.

00:20:06:00 - 00:20:16:21

Speaker 5

For which I have been making detective will create a lottery so that to the best of my ability, with my work and all the members and.

00:20:16:21 - 00:20:18:11

Speaker 4

Officers committed for that.

00:20:18:15 - 00:20:35:22

Unknown

Good and good.

00:20:35:25 - 00:20:40:12

Speaker 5

It will improve the affected area.

00:20:40:14 - 00:20:43:13

Speaker 4

Message from a neutral regulation.

00:20:43:16 - 00:20:55:16

Speaker 6

And this reminds me of a. And for those of you who are never one time where the board meeting was, there was a regular, board of directors meeting and the chairman.

00:20:55:16 - 00:20:59:17

Speaker 2

At that time banging in, banging and hanging out of order. And we're in the front room in a.

00:20:59:17 - 00:21:15:12

Speaker 6

Table about eight of us. And, writing one of the, one of the board members proceeded to take the gavel away from the chair and open the front door and throw it across the screen. So every time I hear it, gavel or reminds me of that. The good old days of the Jack.

00:21:15:19 - 00:21:18:07

Speaker 2

For where, you know, the forum.

00:21:18:07 - 00:21:44:01

Speaker 6

Was at work. And I mean, we did a lot of things that little chairs. But we proceeded to, we proceeded to buy the property. we proceeded, we donated to the LP program, and I'm not, of speeches. But the other thing I have to say is this is that, I have two things that I want to do, number one, and that I know, and I talked a lot for many years that, that are no.

00:21:44:01 - 00:21:45:00

Speaker 3

Longer members, you.

00:21:45:00 - 00:22:02:27

Speaker 6

Know, that I intend to hopefully bring back a lot of for me and for what reasons they're not familiar with anymore. I don't know, hopefully double the membership. I hope to, take the projects that we have and realigned them. And I'm in as to, you know, and the third thing that I like to do is that,

00:22:02:29 - 00:22:05:16

Speaker 3

The forum has sort of, we've.

00:22:05:16 - 00:22:23:07

Speaker 6

Lost a little that we've had, you know, and I think that it's time that the forum gets back on the map and some of that, in the years, if all the years I've been on that, you said that the forum has always been respected, that. Look, and I'd like to do that in the next coming year, but I cannot do it without the membership.

00:22:23:09 - 00:22:44:25

Speaker 6

people think that you're chairman. just move us in on. But it don't happen. It has to be a combined effort between all the board members, and also all the membership. So I'm hoping that we have a good year, and I'm hoping that I meet all three goals. Thank you very much.

00:22:44:27 - 00:23:01:17

Speaker 6

I'd like to especially thank, Lou, because, you know, Lou, as busy as he is, you know, and I have noticed that is always here for the GI forum ceremonies that you.

00:23:01:20 - 00:23:14:19

Speaker 4

As you all know, is about selection of officers. We also adopted the outstanding member and the outstanding don member at this time. The outgoing chairman, Victor Garza, will make those presentations along with the chairman.

00:23:14:19 - 00:23:20:04

Unknown

Special presentation I.

00:23:20:06 - 00:23:28:29

Speaker 5

O Frank and getting here I want to get my treasure appreciation for Frank for having me and thanks.
May I would appreciate you taking the time for doing that.

00:23:28:29 - 00:23:39:11

Unknown

Thank you. Thank you very much.

00:23:39:14 - 00:23:44:09

Unknown

00:23:44:11 - 00:24:13:17

Speaker 5

chapter presented, you know, and. Oh, yeah. Outstanding member award, 1993 99.

00:24:13:19 - 00:24:19:29

Unknown

00:24:20:01 - 00:24:21:22

00:24:51:00 - 00:25:11:18

And so a week and a half ago, they decided they would like to join the other dancers as well and perform. And so I would have used some of the steps that we're working on in class.

01:26:00:27 - 01:26:07:21
