

Curriculum Committee Agenda

Monday, April 24, 2006

11 a.m. – 12:30 p.m.

TEC 145

I. Approval of Minutes of the Last Meeting

Draft minutes are included for Committee review

II. Old Business – Global & Maritime Studies “Housekeeping”

Remove International Studies (SOC 215) from department course offerings

III. Continuing Business - Engineering Technology Department has Proposed the following Curriculum Change Requests for Committee Consideration & Approval

(The required CCRs & signed Department Chair Questionnaires are attached)

CCR #03/06-01 Statics (ET 232)

1. Change the prerequisite Tech. Calculus I (MTH 200) to Calculus I (MTH 210)
2. Change the Prerequisite Physics I (PHY 100) to Engineering Physics I (PHY 200)

CCR #03/06-03 Fluid Mechanics (ET 340)

1. Change the prerequisite Tech. Calculus I (MTH 200) to Calculus I (MTH 210)
2. Change the Prerequisite Physics I (PHY 100) to Engineering Physics I (PHY 200)

CCR #03/06-04 Thermodynamics (ET 344)

1. Change the prerequisite Tech. Calculus I (MTH 200) to Calculus I (MTH 210)
2. Change the Prerequisite Physics I (PHY 100) to Engineering Physics I (PHY 200)

CCR #03/06-02 Electrical Circuits (ET 250)

1. Change the prerequisite Tech. Calculus II (MTH 201) to Calculus II (MTH 211)
2. Change the prerequisite Physics II (PHY 105) to Engineering Physics II (PHY 205)

IV. New Business

Department of Global and Maritime Studies has requested to change the name of EGL 200 from Introduction to English Literature to Introduction to Literature. (The required CCR is attached)

V. Other Business

Academic Program Review Draft
