00:31:55:07 - 00:31:59:07

Unknown

Is there anybody who says I'm sorry he to. why don't you come? Because he couldn't get away from the some Puerto Rico. my God. really? I'm sorry to hear that.

00:32:24:15 - 00:32:36:01

Speaker 5

Yeah, I just tell her anytime you invited, she's invited to. I know. If you wanted a family. Yeah. that's too bad. Yeah, He's like, Rachel is our best.

00:32:36:04 - 00:32:39:15

Speaker 2

And we say hi to the kid a little better.

00:32:39:15 - 00:32:49:06

Speaker 5

How does that ever get here? Yeah. Yeah, she's over there. Yeah.

00:32:49:09 - 00:32:55:15

Speaker 5

Hi. Excuse me. That I'm. And see if I can get the restaurant open for the rest of America.

00:32:55:17 - 00:33:04:27

Unknown

And things like that.

00:33:05:00 - 00:33:16:27

Speaker 5

He does that, but he's done that before. You, me, check to make sure I'm not on. And he comes knocking. Don't open a door so that. Yeah, yeah. He was very.

00:33:16:29 - 00:33:25:13

Unknown

Very diligent. You wouldn't have to go to Who is it with it? That's who I was. I'm looking for Dad. Well, just wait a minute.

00:33:25:16 - 00:33:57:09

Speaker 5

I told her. I told her to bounce off of your crap through the door. If they could. yeah, yeah, yeah. You know, you got to keep them. Keep em ready. Well, it's been really nice. Very good. See, I'm going to get a little something to and little hungry. Excuse me. Yeah, Yeah. 33. Very much. I just want.

00:33:57:09 - 00:34:19:15

Speaker 5

I want to get just a little piece of something. Greg. Good. How's it going at the college there? Is there a guy with electrical gifts rehashing nothing but that guy's name? One bottle. Come on, One bottle. Okay, I'll keep that in mind. Congratulations. Hey, Thank you very much. I just got here. I was hung up at the Celtics.

00:34:19:18 - 00:34:38:19

Speaker 5

Ah. yeah. Well, thank you. Thanks for coming. Sure Sure. Well, a nice little group. Yeah. Yeah, It's been wonderful. I've got a lot of support community as well as inside a party and so forth. So if you need any fire, give me a call. Okay. Well, thank you. Yeah, got that. So I'll be good working with you guys.

00:34:38:21 - 00:34:59:15

Speaker 5

I'll be seeing you much more often and so forth. Now, those executive meetings and all that. Yeah. So, yeah, I may have a question to ask, you know, have to learn everything quick the hard way. Yeah. Yeah. You'll learn. Who is that guy? I notice that that OSBI had, had a deputy chief or something like that. A black guy looked like a black guy.

00:34:59:19 - 00:35:26:22

Speaker 5

I'd never seen him before. Or did you see a man at that meeting over at the Catholic grounds off of, Stockton and the Alameda over there? Well, he introducing him as one of his deputies, and I was surprised, too. Like I said, I had not seen him before. No, you don't have any. Well, maybe you, as of a change, you know, he introduced him as his next deputy or deputy or something like that.

00:35:26:29 - 00:35:46:12

Speaker 5

Well, because the only deputies we got is my brother and I. John Shelby, who's the fire marshal, and Jack Layton, one of the their major salespersons for the convention, you know. Don Artigo yeah, yeah, yeah, yeah, yeah.

00:35:46:14 - 00:35:58:00

Unknown

I've been gone before back here, and I was a from there law one. Yeah. Okay. It's kind of a fireball, right?

00:35:58:02 - 00:36:10:27

Speaker 5

yeah. yeah. Right. Yeah, absolutely. Matter of fact, they, they mentioned that last night quite often that she was one of the major salesperson right now. She, she let me hang around with every now and then. Yeah. Hey.

00:36:11:00 - 00:36:16:01

Speaker 2

Hey, hey, hey. Yeah, you're right.

00:36:16:04 - 00:36:17:16

Speaker 3

It's, I would say, neighbors, one.

00:36:17:16 - 00:36:23:13

Speaker 5

Of my favorite,

00:36:23:15 - 00:36:29:11

Speaker 5

Well, at least you didn't. We any bring him from Fresno, right?

00:36:29:13 - 00:36:32:14

Speaker 2

Very good.

00:36:32:16 - 00:36:34:15

Speaker 3

But he's also has it on the water.

00:36:34:17 - 00:36:59:16

Speaker 5

Well, yeah, I forgot about that. What is it they're videotaping when I talk to people. Yeah. my goodness. If anybody says anything that I can sue over. Yeah, I've got a, I've got a pick up too far away because I said some rather it was after about five feet from. no, no, no. You. Yeah. No no it doesn't is now, it doesn't get off the air.

00:36:59:16 - 00:37:11:06

Speaker 5

The computer went down a couple of times on this fact that. yeah that's, I've, I've heard about that Danny. Hum. A big problem Right. I hope we don't have the same problems we had with FEMA as far as we have there.

00:37:11:08 - 00:37:16:20

Unknown

And of course, I mean, we can't. Yeah. okay. you know what they say.

00:37:16:23 - 00:37:39:27

Speaker 5

thank you very much. Right, Right. They have. Well, I hope I'm not going to be around. Let me introduce you to Les White, the city manager. we had a meeting going by. You know, you look over here most of the time, how can the heck have you? Well, because the guy for him, one of the videotapes of the event.

00:37:39:29 - 00:37:58:25

Speaker 5

So that's why they turn it off and on periodically. Anyway, that affair last night was wonderful. I really I mean, he was already there already. Yeah, well, yeah. On a film. Yeah, Well, no, because I was on it. I just had a couple of those, but. Yeah, but it really makes you proud of what has happened in San Jose.

00:37:58:28 - 00:38:24:04

Speaker 5

I know it showed the downtown area, the development, everything you got. It was put together beautifully and it was just a very professional piece of work. Know, I think you have to have a willingness to to evaluate situations and to treat people based upon the way they react to you. In other words, don't overreact and treat everybody the same as if they're all criminals.

00:38:24:06 - 00:38:47:14

Speaker 5

I think that a good cop distinguishes between the real criminal and the everyday citizen that he's just trying to make his way through life. And of course, you have to you have to have courage. You have to you should try to be a and halfway decent, if not good physical conditioning. And I think that you should always maintain your ties, particularly for a Hispanic officer.

00:38:47:14 - 00:39:02:02

Speaker 5

I think it's important you don't forget where you came from and that you try to maintain the ties with your community and your neighborhoods and that sort of thing. How do you maintain the there's a there's always seems to be a problem.

00:39:02:02 - 00:39:10:08

Unknown

When a person is a police officer and they get real hard. You know, how how do you maintain your sensitivity? Obviously, you still have

00:39:10:11 - 00:39:32:11

Speaker 5

Some people allow themselves to become very hard and bitter and and antagonistic toward life. And so forth. But I would say that that's not the majority of officers. But I would say the way you maintain it is by separating your private life from the job. I mean, when you when you come on to do the job, you do the job, you try to be as humane as you can, you're going to see a lot of things.

00:39:32:11 - 00:39:57:10

Speaker 5

I commanded the homicide unit for a period of time, and as a result of that, I saw some real tragedies, everything from a young, beautiful Vietnamese girl killed because she would not marry a particular individual to children being abused and murdered by parents. But you have to you have to somehow separate that, do that job without allowing it to get to you.

00:39:57:12 - 00:40:19:15

Speaker 5

And of course, I'm a religious person myself. I'm a practicing Catholic and all that. But I think that that the key to it is to try to maintain a balanced private life and try to separate some of those things from from yourself as a human being. I mean, you have to do that, I suppose this where the last day on this job for you and you're looking back.

00:40:19:18 - 00:40:26:07

Unknown

On your career doing this position, what are some of the changes you would have liked to have made? Well.

00:40:26:10 - 00:40:59:03

Speaker 5

I would say one of the biggest changes that I would like to make is to instill in the younger officers a more humanistic view. We try to do that through training, but we haven't been as successful as I would like us to be. We have to somehow make the officers realize it constantly and even more than we have in the past, that they shouldn't treat people abruptly and rudely and that sort of thing.

00:40:59:05 - 00:41:16:13

Speaker 5

Most officers do a good job, but we still have ways to go. We're not perfect. The department has improved tremendously, But I would say that that's one of the key things is if there was a way that I could provide training that would somehow instill that in everyone, that would be something that I that I would like to see happen.

00:41:16:15 - 00:41:42:11

Speaker 5

Some of the other things that I would like to do. I think that that is a requirement. We need to we've always prided ourselves as being at the top in terms of professionalism and compared to other agencies. And I think that one of the things that we need to do is to constantly criticize ourselves and to reevaluate that, because it's easy to think that you've got to made complacent, to be complacent and to forget that, hey, we don't have the answers.

00:41:42:11 - 00:42:06:24

Speaker 5

Everything. And I would say so those are some of the things that I'd like to accomplish. What do you what was the image of the Latino police officer when you first came on board? One of six and the image that exists now? Have you noticed any difference? tremendous difference. when I first came on, the feeling was that a Latino officer had to work twice as hard in order to be accepted.

00:42:06:26 - 00:42:32:05

Speaker 5

And to tell you the truth, that the guys that were there for the most part, were, were accepted, but not to the extent that we are now, because now we have officers working in every unit and they're doing an outstanding job. And I'm proud of those guys. I mean, Latino police officers fought hard to bring about a consent decree to to bring about change, to see to it that we had specialized recruiting, that sort of thing.

00:42:32:07 - 00:42:53:16

Speaker 5

But and as we all know, that these guys are all over doing a good job. But at that time, you still heard the jokes and briefing you. You heard the comments that were made against people in the community. You had people tell you to your face that you were, you're acceptable. But they say things behind your back.

00:42:53:19 - 00:43:21:02

Speaker 5

The Hispanic didn't work in homicide, even though so many of the homicides involve Hispanic people. They didn't work in homicide until about ten years ago, which I think is disgraceful. I mean, a lot of units for Hispanics just didn't work. So I think that that we are viewed in a much better light. I think that we have proven ourselves and I think that we we are much better accepted than we were when I first came on.

00:43:21:05 - 00:43:25:18

Speaker 5

What was your image of what police work with in like versus the.

00:43:25:18 - 00:43:27:12

Speaker 2

Reality of it? You know, what was the.

00:43:27:12 - 00:43:47:29

Speaker 5

Contrast between those two? Well, to be honest with you, my image of what police work was like was was not as realistic as it should have been. And I think a lot of young people coming to law enforcement feel the same way. You don't start to think about the family fights that you have to handle regularly.

00:43:48:02 - 00:44:06:13

Speaker 5

You don't stop and think about all the traffic enforcement that you have to do. You don't stop and think about all those little things that are good cop has to do. I mean, it isn't just going out and catching felons and and those sort of things. You have to handle drunk drivers, You have to handle juveniles. There are laws you have to handle.

00:44:06:16 - 00:44:20:10

Speaker 5

You have to go out and search for little children that are lost, that type of thing no, I didn't really have a full picture of what police would would be like once once you came on. But I learned early, you know, what what the situation was.

00:44:20:12 - 00:44:20:29

Speaker 2

Do you have.

00:44:20:29 - 00:44:38:12

Speaker 5

Any hobbies or things that you had to take away from them? Well, I like to do a lot of reading. I'm a history buff. I like to read a wide area history. As a matter of fact, there was a point, though. I spent about three years reading about the Civil War. really? Yeah. And I've been interested in Mexican history.

00:44:38:17 - 00:45:04:16

Speaker 5

Not long ago, I finished a book called The Conquest of New Spain by Bernal. There's an excellent book telling you about the conquistadors and when they arrived and that sort of thing. I read a book not long

ago by an Anglo author called Aztec that I can remember the author's name, but it's a book that I wish I had written, you know, and I wish that I was a Chicano.

00:45:04:16 - 00:45:24:19

Speaker 5

I had read, you know, because it was fabulous, just a fabulous book. But I like to read. I also like to jog and bicycle. I try to get in the weight room at least a couple, two or three days a week. So I do like to keep myself fit. They're not done with, you know, So we hope or not and we'll see.

00:45:24:21 - 00:45:35:14

Speaker 5

my wife and I, we love to go out dancing or ballroom dancers. So, yeah, there are a lot of things that we enjoy doing that we really enjoy doing. One last thing.

00:45:35:17 - 00:45:36:23

Speaker 2

And, you know, thank you very much.

00:45:36:23 - 00:45:39:02

Speaker 5

For the time. no problem.

00:45:39:05 - 00:45:42:01

Speaker 2

We have a section here.

00:45:42:04 - 00:45:54:16

Speaker 5

Is this the latest one? This is the latest one. I have to take that picture. So I'm pretty proud. that's beautiful. I haven't seen that issue. I don't believe it. Just came out a couple. there it. Yeah, That's why there's a section in your community corner here.

00:45:54:19 - 00:46:00:10

Speaker 2

We like to have prominent people in the community and they can write anything they want about community issues.

00:46:00:10 - 00:46:07:23

Speaker 5

Concerns that they can make sure you have. What would you be interested in doing? Some. Absolutely. Absolutely.

00:46:07:25 - 00:46:08:09

Speaker 2

No.

00:46:08:11 - 00:46:29:08

Speaker 5

No, I'd love to. yeah. I could probably call you sometime and, you know, give you some information on where you can send your article or what. Yeah. Yeah. If you would call me, please. Because right now, learning my job, things are so hectic that I really need a little push. You know, if you give me that, I would appreciate it.

00:46:29:08 - 00:46:56:24

Speaker 5

Do you have a direct line card or something? I personally have made up my new card yet in my new office. But if you write my number down, it's easy to get in there. I don't have a card with me. It's 227, seven, eight. So 12774147410, yeah. Thank you very much. Right. Thank you. Really good meeting. Yeah, nice meeting you.

00:46:56:24 - 00:47:14:25

Speaker 5

I look forward to talking to you about writing that article. Okay. Yeah. Yeah. Nice way to say thank you. Congratulations again. Thank you very much. Pleasure. Thank you. Thank you. Thank you. And then I'm about to run into a controversy. You get taken over. I got another copy. Okay, Good enough.

00:47:14:27 - 00:47:15:16

Speaker 3

Okay.

00:47:15:18 - 00:47:26:25

Speaker 5

Okay, Good, good. Hey, Bill. Good to see you here. Thank you. Yeah. You know, I didn't mean what I said last night. The other night I said you already made a mistake coming in with Bill Curry.

00:47:26:28 - 00:47:29:10

Speaker 2

How did he do, anyway?

00:47:29:12 - 00:47:52:24

Speaker 5

He did fine. Yeah, he did fine. Yeah, I think I see him just right away. Yeah, We're going to support him. Yeah, he's good, man. Come on. I want to tomorrow. So you really politically involved our show. And every time you turn around and this guy is supporting somebody or, you know, when you're in public employment.

00:47:52:26 - 00:48:04:09

Unknown

You got opportunities is do it is going to go. Yeah, damn well better do it for the resources. Yeah, yeah. Work in that sector. Really need to put their energy.

00:48:04:12 - 00:48:10:06

Speaker 5

But what about yourself? With all this work you've been doing, you must be giving yourself up for some political office or self,

00:48:10:09 - 00:48:36:01

Speaker 3

Senator? A gentleman going to star an individual that we all love and admire. A person that has helped a lot of us in this community and a lot of you in your careers. Deputy Chief Newton, The movie is one of you.

00:48:36:03 - 00:48:57:16

Speaker 5

Well, I give a lot of thought to what I might say if I had to say a few words here today. And it all it all boils down to thank you so much. No one could accomplish this without the support of not only a family. And of course, I am so grateful to my wife, Lucia and my daughter.

00:48:57:18 - 00:49:22:23

Speaker 5

The support of the members of the police department. I have received a tremendous amount of support, the support of the community, and I have to give a special thanks to the Latino peace officers and to the American GI Forum. It's really been tremendous for me, a tremendous amount of support. Just about everywhere that I've looked, people have approached me time and time again to say wonderful things to me.

00:49:22:26 - 00:50:07:03

Speaker 5

And it just amazes me when I think back to when I started. There were approximately six Hispanic officers in the police department at that time. There was a lot of hostility and animosity between the department and the community, particularly the Hispanic community. And as I look around and I see how things have changed, I am flabbergasted when I see Hispanics working in all parts of the police department, whether it's merge or narcotics or intelligence and doing a hell of a good job and working hand in hand with their Anglo brothers and being accepted everywhere where a particularly in contrast with what I saw when I first came on, I have to say to myself that

00:50:07:03 - 00:50:37:20

Speaker 5

all the effort was worth it. And I also have to say to myself that we have done it together. Nobody has done this alone, that if anybody thinks that they can accomplish all of this by working by themselves the wrong at this time, I am proud not only of the way things are running, but I'm proud of the organization as a whole that has been willing to change, to adjust.

00:50:37:22 - 00:51:04:13

Speaker 5

And of course, there's no question that we all a lot of that the Chief McNamara But the point is that the professionalism in this department has brought us to the point that we are today. And I just want to say thank you to all of you for being here tonight and for supporting me. Thank you very much.

00:51:04:15 - 00:51:11:11

Speaker 5

Now, let's keep eating. Let's keep eating and drinking. Let's go back to putting Thank you. Thank you.

00:51:11:14 - 00:51:25:16

Speaker 2

I want to make a little.

00:51:25:18 - 00:52:05:29

Speaker 5

Thank you. This one was a good one. This was a good one over there. Last one was when I was terrible. Yeah, well, a lot of people are very biased anyway, so you've got to be careful, especially in the hotel business. You know, he was funny, though. He's really an interesting guy. He says, You know, Lou, he says, you might think about the hotel business when you retire.

00:52:05:29 - 00:52:24:07

Speaker 5

He says, but you have to be careful. He says, I'll be honest with you. He says, and he says this this woman, Susan, he says, excuse me for saying this, but when you're a hotel manager, he says, you can have all the wine you want, all the food you want, all the women you want. And he says, But you can't do that.

00:52:24:10 - 00:53:02:02

Speaker 5

You've got to be professional. He says, I go to the hotel across the street. That's a great, great as same here where I would be. Well, got you.

00:53:02:04 - 00:56:24:04

Unknown

The, you know, everything is going what a tour guide. You know, you need to pick your own right? Yeah, right. Same place to get a skillet. You need us to. Is it just people that are here? I was going to very much.

00:56:24:04 - 00:56:40:08

Speaker 5

I really appreciate it. Thank you. No more these events. I'm getting tired. No, no, This will be the last one because of of, you know, let's think. Okay. I'll see you tomorrow. Thank you so much for coming.

00:56:40:11 - 00:56:48:03

Speaker 2

Okay. I hear you got the rain.

00:56:48:05 - 00:56:54:28

Speaker 5

let me introduce you to my daughter, Laura. This is Dan Ortega.

00:56:55:01 - 00:57:01:21

Unknown

Of Freddie Mac. Lenny, if I.

00:57:01:21 - 00:57:05:03

Speaker 5

Ever leave you, this is the woman. Yeah, this is.

00:57:05:04 - 00:57:06:20

Speaker 2

Yeah.

00:57:06:23 - 00:57:15:23

Speaker 5

Hi. How are you? We had to thank you. thank you so much.

00:57:15:25 - 00:57:43:24

Speaker 5

yeah, I know. I told you everything. Never told you everything, you know? Yeah. yeah. Tom. Tom, let me introduce you to my. To my wife. Hi, Lucy. Lucy. A couple of years. And do you know Phyllis? Phyllis FESSLER. She is. The heart has been the heart and soul of police department for a long, long time. You know, Tom is a new assistant to the sheriff.

00:57:43:27 - 00:57:49:10

Unknown

really? I know. I remember that. Yeah.

00:57:49:12 - 00:58:14:26

Speaker 5

Yeah. His daughter you've got I was going to say, Frances was also when she really last year, they say, where is she going now? Are we going to the answer? And then go, are you. is that right? Yeah. My daughter is going to go to Foothill and she's thinking she was thinking Boston or UCLA. I don't know what's the matter with good old San Jose State or Sacramento State or whatever.

00:58:14:28 - 00:58:19:10

Speaker 5

I asked my daughter to down, but it was in journalism. Journalism.

00:58:19:12 - 00:58:25:20

Unknown

She said, Go to better college, I'll tell her. Yes, that's the best in the business.

00:58:25:23 - 00:58:50:25

Speaker 5

Did you know his hit for what he's already done, but at the same time kick his butt a little bit and say, hey, you know, there's more that you can do. You know what? He's trying. He'd done a hell of a lot more than anyone now. Yeah, he's trying. And the problem is that in that confidential picture and, I mean, nobody would ever know they'd go through and make sure they must get lost and recording over there, you know?

00:58:50:28 - 00:59:15:26

Speaker 5
