December 3, 1928.

Mr. William Randolph Hearst,  
Los Angeles Examiner,  
Los Angeles, California.

Dear Mr. Hearst:

Your letter regarding the handrails  
is received and the handrails are ordered.

I will take up the fencing material-  
and coyote proofing of it-with Mr. Rossi and  
the others on the hill tomorrow.

I have picked out a collection of  
iron balconies and window grilles of about  
the dimensions you mention and am mailing  
you the book tonight. If you would care to  
just mail back the collection with the ones  
you select marked, they will be shipped  
promptly.

Yours very truly,

JM-deM
