2.68	16	760	2.34	23	1030	Below 2.00 does not qualify for regular admission		
2.67	16	770	2.33	23	1040			
			2.32	23	1050			

adding your total score on the SAT I. If you took the ACT, multiply your grade point average by 200 and add 10 times the composite score from the ACT. If you are a California high school graduate or a legal resident of California for tuition purposes, you need a minimum index of 2900 using the SAT I or 694 using the ACT. The Eligibility Index Table illustrates several combinations of required test scores and averages.

If you neither graduated from a California high school nor are a resident of California for tuition purposes, you need a minimum index of 3502 (SAT I) or 842 (ACT). Graduates of secondary schools in foreign countries must be judged to have academic preparation and abilities equivalent to applicants eligible under this section.

If your grade point average is 3.00 or above (3.61 for nonresidents), you are not required to submit test scores. However, you are urged to take the SAT I or ACT because campuses use these test results for advising and placement purposes and may require them for admission to impacted majors or programs.

You will qualify for regular admission when the university verifies that you have graduated from high school, have a qualifiable eligibility index, have completed the comprehensive pattern of college preparatory subjects, and, if applying to an impacted program, have met all supplementary criteria.

Honors Courses. Up to eight semesters of honors courses taken in the last two years of high school, including up to two

approved courses taken in the tenth grade, can be accepted. Each unit of *A* in an honors course will receive a total of 5 points; *B*, 4 points; and *C*, 3 points.

Subject Requirements. The California State University requires that first-time freshman applicants complete, with grades of *C* or better, a comprehensive pattern of college preparatory study totaling 15 units. A "unit" is one year of study in high school. Within the 15 units completed, up to 1 unit (one year) in visual and performing arts or foreign language may be missing and offset by college preparatory course(s) in other areas. The missing unit of visual and performing arts or foreign language must be completed either prior to, or by the end of, the first year of CSU enrollment. This provision is effective through the 2002-2003 academic year.

- 4 years of English
- 3 years of mathematics (algebra, geometry, and intermediate algebra)
- 1 year of U.S. history or U.S. history and government
- 1 year of laboratory science (biology, chemistry, physics, or other acceptable laboratory science)
- 2 years of the same foreign language (subject to waiver for applicants demonstrating equivalent competence)
- 1 year in the visual and performing arts (art, dance, drama/theater, or music)
- 3 years of electives selected from English, advanced mathematics, social science, history, laboratory science, foreign language, and the visual and performing arts

Applicants seeking admission as first-time freshmen for the fall 2003 or later terms will have the same preparatory course requirements for admission to either the California State University or the University of California. The preparatory course admission requirements will be the completion of following courses with a grade of *C* or better: four years of English, three years of mathematics (algebra, geometry, and advanced algebra), two years of social science (including one year of U.S. history), two years of laboratory science (must include one year of life science and one physical science), two years of foreign language, one year of visual or performing arts, and one year of electives chosen from one of the areas above.

Foreign Language Subject Requirement. The foreign language subject requirement
