Mrs. Jane M. Tolmach

Oxnard, California

My dear Friend:

It was with real pleasure that I noted your selection as a member of the California Delegation to the Democratic National Convention - my personal congratulations to you.

It is my firm belief that the decisions we will be making in Los Angeles may be the most important ones ever demanded of our Party - and I am sure you are aware of the great privilege and responsibility this gives you.

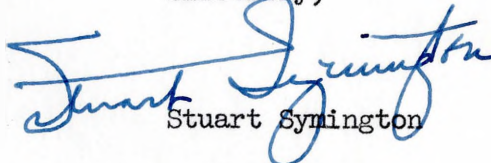

Surely you also know how grateful I am to you for your past kindnesses to me.

It is my earnest hope that I will have your assistance and support during the course of the Convention - and that I will hear from you before then, with your suggestions and advice.

With a united Party, and a hard hitting campaign on the issues, I am confident we can achieve a Democratic victory at all levels in November - and I look forward to working with you toward that end, and to visiting with you in Los Angeles.

Again, my congratulations and kind regards.

Sincerely,

  
Stuart Symington
