

File
April 28, 1926.

Mr. William Randolph Hearst,
New York American,
New York, N.Y.

Dear Mr. Hearst:

2
Section, photo 1439
These are the stalls I referred to as
being part of the Refectory set -- the upper
part collapsed as it were onto the lower. We
need two parts to fill out the sets in the
Refectory. May we have these?

Yours very truly,

JM-dem
