Dear Salgie,

Here I am in K.C., Mo. living temporarily at the K.C. Nat. Train. Sch. for Christian workers where I plan to enroll in Sept. It's wonderful here - the girls & faculty & heads are so nice & sincerely friendly. The senior class pres. is the spittin' image of you - certainly brings back fond memories of you whenever I see & talk to her - she's a grand person! It's unbearably hot & muggy now - not at all like Calif. heat. K.C. town is all hills. Don't let the card fool you - I
