CalStateTEACH

Multiple Subject, CalStateTEACH (CST) is both a preservice program and an intern program. CalStateTEACH is an alternative path to a multiple subject preliminary teaching credential. Available to individuals residing in the Valley, the Central Coast, northern California, and eastern California. CalStateTEACH is designed specifically to serve teachers who are interns or who can volunteer to practice teach in an elementary school (grades K-6). It is also designed for those who want to become teachers but are unable to access campus programs due to

personal circumstances or because they live beyond commuting distance to a university. The program has been constructed to integrate the theory and practice of teaching with the daily experiences of teachers in the classroom.

CalStateTEACH is a Web-enhanced program in which students work in small groups, guided and supported by faculty of Fresno State as well as by on-site school personnel. This flexible form of instruction allows part-time, home-based study and uses a rich mix of print, Internet, CD ROM, and video. There are no regular university classes to attend, although there are five Saturday seminars over the course of the program. After successfully completing the program, participants will have earned a Multiple Subject Credential and 40-49 semester units of credit.

The CalStateTEACH program is offered in four terms. Fees include the cost of instruction and all books, course guides, videotapes, CD-ROM, and computer software. Federal and state financial aid in the form of grants and loans are available for qualified students.

For more information, contact Dr. Robin Chiero at 559.278.0234, robinc@csufresno.edu, KSOEHD Room 210C, M/S ED1. For internship information, see pages 265-266.

Program Requirements

- 1. Subject Matter Competency.** California requires potential teachers to demonstrate knowledge of subject matter through passage of the California Subject Matter Examination for Teachers (CSET). At initial enrollment, students who have not already passed this test will be advised regarding how to meet this admission requirement.
- 2. Computer and Internet Requirements.** Since there is a Web-based communication system for the program, each participant must have access to a computer connected to the Internet.
- 3. Admission to the Program.** Admission requirements are based on the standards of CSU campuses and the California Commission on Teacher Credentialing. Basic requirements include a bachelor's degree from a regionally accredited college or university, passage of CBEST, a qualifying college grade point average,
