RE-ELECT
DR. TOM HOLDEN
OXNARD CITY COUNCIL 1998

Dear Neighbor,

As an Oxnard native with two young children, and a third-generation businessperson, I have a vested interest in our community. The coming years will present us with a unique opportunity. As revenue sources increase, we can continue to improve our quality of life by dedicating new funds towards:

- PUBLIC SAFETY/CODE ENFORCEMENT
- YOUTH AND SENIOR PROGRAMS
- STREET AND SIDEWALK IMPROVEMENTS
- REVITALIZATION OF SOUTH OXNARD

As your councilmember, I will work to control unnecessary bureaucratic spending and put added revenues where they are most needed—*creating a clean, safe, thriving city and a renewed sense of pride for our residents.*

 **VOTE HOLDEN**

Leadership that is making a difference!
