Dear Ms. Harris:

On behalf of the membership of the Oxnard Advisory Committee, I want to take this opportunity to thank you for your service to the Committee as Vice-President during 1980. Your contributions to the OAC as Vice President and as past Chairperson of the Environmental Quality Subcommittee and the Oxnard College Task Force, have been significant and progressive. Your strong advocacy on behalf of a variety of issues serves as a model for effective citizen action. We hope that you will consider a leadership position in the OAC again at some time in the future, and we wish you every success in your current endeavors.

Sincerely,

Donald G. Pierson
President
Oxnard Advisory Committee
