The worst things in
 the collection only are illustrated.

The really fine things are

297 - a very pretty set - blue green
 like the L.R. of B. color ground - for
 a bed room.
 The covers are new -

35 - a very interesting little piece,
 also for a bed room.

312 lovely color of walnut - Little
 gilded metal door - fine large piece

313 also very rich color, larger than
 anything you have out here.

317 fine
