And I was wondering if you could you could just tell us just just tell us a little bit of what you're doing here today and what you hope to accomplish and tell us what you think of the program.

00:42:32:16 - 00:42:34:05

Speaker 3

Okay, great.

00:42:34:07 - 00:42:36:05

Right. This is really good program.

00:42:36:05 - 00:42:55:27

Speaker 5

I'm glad that we were included. I think it's first time they try to anything like this. I'm here representing EOP and San Jose State and hopefully we'll get some people interested in school. And I'd like to say hello to all the former EOP alumni out there. I know there's a lot of people out there, the former GOP sounds estate people.

00:42:55:29 - 00:42:58:02

Speaker 5

Thank you.

00:42:58:05 - 00:43:03:13

Can you tell me a little bit I mean, have a lot of people coming been coming over and getting information from you or.

00:43:03:16 - 00:43:05:28

Speaker 1

As a matter of fact, yes, We got several people that made a.

00:43:05:28 - 00:43:11:14

Speaker 5

Promise to see us, you know, this coming week and so forth. So it's worked out really well for us.

00:43:11:17 - 00:43:31:04

Speaker 3

Well, it's a first time thing. I know that my kids will never get out of high school. They were a little reluctant about going to San Jose State and it took some introduction from upperclassmen at San Jose State to take them to state, and I review the school before they decided to go. But I think having you here, it makes a difference.

00:43:31:04 - 00:43:32:11

Speaker 3

What do you think?

00:43:32:13 - 00:43:35:27

Speaker 1

I think overall, you know, that's one of the basic fears that everybody has.

00:43:35:27 - 00:43:40:04

Speaker 5

You're absolutely right about, you know, going to a big institution. But, you know, we're.

00:43:40:04 - 00:43:41:11

Speaker 1

Here to hopefully make the.

00:43:41:11 - 00:43:47:21

Speaker 5

Transition a lot easier. Believe me, it's no big deal. And we're there to help.

00:43:47:24 - 00:44:05:10

Speaker 3

Well, it is a big deal to these kids. And it's nice to see a bunch of Hispanic or Chicano people from San Jose State here getting these kids oriented to come to the state. And I think maybe not this time, but if we keep doing this enough times, I think it'll make a difference. Okay.

00:44:05:12 - 00:44:07:29

Speaker 5

I totally agree with you. Keep up the good work.

00:45:18:27 - 00:45:29:24

Speaker 3

Well, I think it's great that you guys are taking your own time to do this. And I think maybe, perhaps not this time, but I think in the future I think it's going to make a difference for us. What do you think?

00:45:29:26 - 00:45:52:14

Speaker 4

yes, it will make a difference. why don't you do something that other people do? Well, okay. Well, both of them right now are providing information to an interested person. But what we do, these are some of our work studies. We try to get in as much people as we can involving to recruiting. So we just want to provide them with an example.

00:48:59:21 - 00:49:07:23

Speaker 3

Welcome to the festivities. We're glad to see here donating your time and energies for this cause. Can you tell us a little bit of what you're doing?

00:49:07:25 - 00:49:28:06

Speaker 4

Well, we're basically here to tell young people that they should go to school and stay in school. It's very important that they understand that without an education, it's very difficult to succeed. And we're trying to make it easy for them by coming out here where they are and helping them with information with. We've got a variety of programs here.

00:49:28:13 - 00:49:30:24

Speaker 4

We've got an application. We can help them with.

00:49:30:26 - 00:49:36:00

Unknown

Financial aid, counseling, anything that they need.

00:49:36:02 - 00:49:40:25

Speaker 3

Let me ask you, how's it going? I mean, what has the response been?

00:49:40:28 - 00:49:56:24

Speaker 4

Well, people are here basically to have a good time. It's kind of hard to get them to think about school. But I think that we've had a few stop and ask about it. And if we can get their name and address phone number, then we can do the follow up on it.

00:49:56:27 - 00:50:02:09

Speaker 3

Tell me, do you think you caught them a little off guard? I'm surprised to see anything like this here. What do you think?

00:50:02:11 - 00:50:14:25

Speaker 4

Somewhat. I think that they often think about college being somewhat far away, and that's why we think it's important to come here. And when they see us, they, you know, they realize that we want them in school.

00:50:14:27 - 00:50:22:11

Speaker 3

Hey, thank you. I really like your attitude about it. What don't you do? Is you a friend to me? And we can get you both on the radio. Like I said, this is just a GI form video. Nothing.

00:50:22:14 - 00:50:35:26

Speaker 4

Okay. Yeah, I'm not. I don't know his name, but I will introduce him. This is a gentleman from West Valley and I mean from the NCA, and he's here doing the same thing that I am.

00:50:35:26 - 00:50:58:21

Speaker 1

What's your name? My name is Bruce Kravitz. Travis. What's that? Is how you like it. I mean, good. It's it's very interesting. The event itself is wonderful. I'd like to have a little bit more activity in terms of interest in college or university, but so what I've been doing is just drifting around the the the fairgrounds and speaking to people.

00:50:58:21 - 00:51:21:28

Speaker 1

And it's been it's been okay, but it could be better. Are you a teacher or a student? No, I'm actually a I'm a counselor, really. But what I do is I'm I'm an outreach, what we call an outreach specialist. Meaning I go out and visit high schools and talk to students about community colleges as a as an option to think about it for their future.

00:51:22:00 - 00:51:37:11

Speaker 3

Well, you know, this is the first time we tried this to do this. So we just don't know what the end result is going to be. But it's very nice of you to take your time and energies to be here with us today. And hopefully this way we can get more kids to go to college, especially Chicanos. Okay.

00:51:37:12 - 00:51:38:27

Speaker 3

So thank you very much.

00:51:38:27 - 00:51:40:14

Speaker 1

Thank you. A pleasure being here.

00:51:40:17 - 00:52:04:17

Speaker 3

We'll see you again. Angel Castellano and I do a videotape for the American GI for him. And I was wondering if you like to say anything about your activities today and how's it going or what do you think of our program? Or just tell me something about it In general, what is your name?

00:52:04:20 - 00:52:19:03

Speaker 5

My name is Rene Cordero, and I'm here volunteering today. I'm here with Sylvia Vargo, who's with Maloney College, helping her out in their GOPAC recruiting program here.

00:52:19:05 - 00:52:22:15

Speaker 3

And tell me tell me, how has it been going? Tell me about it.

00:52:22:17 - 00:52:37:07

Speaker 5

Well, it's been going okay. We've distributed a few of the information here. And so we're a little it's been a little bit slow, a little disappointed in the turnout, but I'm sure it'll pick up.

00:52:37:10 - 00:52:51:13

Speaker 3

I think later on. Will be more kids here and maybe a little more interest. I think we caught a lot of people by surprise doing this this time, but I don't know. I think it's a step in the right direction. Even if we just get ten kids to go to college, I think it'd be great.

00:52:51:15 - 00:53:18:22

Speaker 5

yes, I agree. I feel that, you know, any type of exposure that we can get out here and if we get any kind of input into these kids, it'll be helpful. I think, you know, this is a great program. This stay in school program. It's very important. And I'm you know, even though it's been a little slow now, you know, I feel that it'll pick up, I'm sure.

00:53:18:24 - 00:53:31:26

Speaker 3

But believe me, I certainly want to thank you for donating your time being here today. And I want you to know that we ended you have four and really appreciate the fact that you guys are doing it and hopefully working together. We can do something about it. Okay.

00:53:31:28 - 00:54:01:14

Speaker 5

Yes. Well, I think, you know, each of us has some responsibility. I myself have been fortunate. I received an education at a four year university and I'm now working as an engineer. I think now those of us that have benefited from a lot of these programs, these opportunity programs, that it's time for us to go back and give a little bit of what we received to help out some of those people that, you know, need that little extra push.

00:54:01:14 - 00:54:10:05

Speaker 5

And I think we as those that have gone through it, need to be the ones to really push it and to be the role models for the future.

00:54:10:07 - 00:54:13:12

Speaker 3

Okay. We hope I hope to see you again. Okay, sir.

00:54:13:14 - 00:54:13:27

Speaker 5

Thank you.

00:54:13:29 - 00:54:44:23

Speaker 3

Thank you. So I represent the American G.I. Forum and where I got to say, we very glad to see you guys made it today.

00:54:44:26 - 00:54:46:14

Speaker 7

So tomorrow.

00:54:46:17 - 00:54:52:04

Speaker 3

I'm glad you came all the way from Texas to be here today and register the folks here in San Jose. Your name, please.

00:54:52:07 - 00:54:59:20

Speaker 1

Stay forever along with company of us got. We're here for a local chapter of Southwest here in San Jose. This is you know.

00:54:59:22 - 00:55:06:00

Speaker 4

But hi, I'm Tina Garcia and I'm helping register people and this afternoon.

00:55:06:02 - 00:55:07:15

Speaker 3

Are you a local girl?

00:55:07:18 - 00:55:12:23

Speaker 4

As I am local. I do live in El Paso, Texas, for about 11 years.

00:55:12:25 - 00:55:13:10

Speaker 1

Well, I'm.

00:55:13:10 - 00:55:15:21

Speaker 3

Glad to see you here. Your name, please?

00:55:15:27 - 00:55:22:24

Speaker 4

Juanita Ramirez. And I'm kind of a local girl. I'm from Sacramento, but I'm helping company, so.

00:55:22:26 - 00:55:32:04

Speaker 3

Well, it's really nice to see you guys here. You know, we don't have people registering folks here too often, but it's good. Good to see it. Tell me, how is it going?

00:55:32:06 - 00:55:53:16

Speaker 1

Well, compared to other days? It's kind of slow today. I think what we have is about 30 people. I think it's just going to take a process in the community to encourage people to vote. And hopefully by this time next year, more people will be aware of to register to vote and to use their voice and vote as a.

00:55:53:19 - 00:55:59:12

Speaker 1

So I think it's very important and I think we've got a long way to go still.

00:55:59:14 - 00:56:01:23

Speaker 3

How are you guys doing? Gilroy Last week.

00:56:01:25 - 00:56:30:01

Speaker 1

In Gilroy last week we did about 225 for two days and it was very receptive so far during our campaign in the in a two month campaign, we've registered over 1100 people to vote. A lot of them are first time voters. So it's it's going to grow. We're targeting especially the Downtown Eastside West Side, parts of San Jose, where many a lot of Chicanos live.

00:56:30:03 - 00:56:40:19

Speaker 1

And hopefully that also going hand in hand with Ron Gonzalez's campaign for border supervisors next year. All right.

00:56:40:21 - 00:56:56:17

Speaker 3

Well, I certainly want to thank you for talking to me and thank all three of you for being here today. And hopefully usually for Cinco de Mayo, we do get a larger crowd. And if you guys are here, then, you know, and we hope to see you then. Okay.

00:56:56:19 - 00:57:03:04

Speaker 1

We'll be in the community all year round. So we'll be going door to door in all the neighborhoods so people be looking for us. Thanks.

00:57:03:07 - 00:57:06:25

Speaker 3

Thank you very much, Angel. Thank you very much. And good luck to you. Okay.

00:57:06:27 - 00:57:19:07

Speaker 3

You guys should get. It's good to hear it. It's great. It's great. But of how do you like the idea today of having the colleges over here interviewing the kids, trying to get them to go to school? I didn't get that pretty good. You think we could do something like that?

01:06:10:06 - 01:06:10:28

Speaker 1

Yeah.

01:06:11:00 - 01:06:16:29

Speaker 3

I think a lot of the kids don't go to college because they don't know about it or what. What do you think the main reason kids don't go to school college.

01:06:17:06 - 01:06:18:11

Speaker 5

Because they don't want to they don't want.

01:06:18:11 - 01:06:32:29

Speaker 1

To learn anything like that. They should go for learning and everything. So I'm going right now after I got to college, I'm going to the Marines for four years because they were able to get on. I tried out is and everything. Yeah. So I learned something that'll be a be okay.

01:06:33:01 - 01:06:33:12

Speaker 3

All right.

01:06:33:12 - 01:06:34:18

No.

01:10:28:16 - 01:10:41:23

Speaker 3

Thank you for helping us, Mike. Okay.

01:10:41:26 - 01:10:48:03

Speaker 1

How you doing? Frank has put this beer away. Cooler off for tonight.

01:10:48:05 - 01:10:49:25

Speaker 3

How much do you think we're going to sell tonight, Frank?

01:10:50:02 - 01:10:52:12

Speaker 1

I hope we sell it all. We got 30 cases. I hope we sell it.

01:10:52:12 - 01:10:55:20

Speaker 5

All that we like to plug it back.

01:10:55:23 - 01:11:12:19

Speaker 3

That's a good idea. Tell me, Frank. Frank, I want you to hold the mike and tell me what you've been doing to get this program on the road here with us for the Christmas party. Okay. Here, you hold the mic. Tell me what you've done it. Well, it's taken.

01:11:12:22 - 01:11:36:10

Speaker 1

Well, it's taken about, I guess, about 100 hours of my time. It's taken about 200 hours of my wife's time. But I think in the end, it will get rewarded. And as you can see, we're having a function here at the church. That's one step to more assurance for going upstairs. Don't you think so? Well.

01:11:36:12 - 01:11:40:02

Speaker 3

I couldn't agree more, but thanks for your help. Thanks for the.

01:11:40:02 - 01:12:06:23

Speaker 1

Help. Did you see the Christmas trees? My wife made them beautiful. Beautiful. That represents there, I guess, about 100 hours of her time. Of course, my children helped her and all this cost me was a ticket to come into the place for tonight. A dinner has cheap. I got a real cheap.

01:12:06:25 - 01:12:22:29

Speaker 3

Thanks a lot. Frank will get back to you later after we finish decorating this place. Okay? Okay. Thank.

01:12:23:01 - 01:12:32:14

Unknown

Don't know your brother.

01:12:32:17 - 01:12:35:05

Speaker 3

You're the only one that drinks here, Peter. Anyhow.

01:12:35:08 - 01:12:44:06

Unknown

I hope not. Once in a while. If he does most of.

01:12:44:08 - 01:12:55:08

Speaker 7

The rhythm I use.

01:12:55:10 - 01:13:05:16

Unknown

01:13:05:19 - 01:13:06:22

Speaker 7

01:13:06:22 - 01:13:13:29

Speaker 1

Up where the beer was. Yeah.

01:13:14:01 - 01:13:16:15

Speaker 3

I won't be here at 3:00.

01:13:16:18 - 01:13:18:12

Speaker 1

You're not going to be here at three.

01:13:18:14 - 01:13:20:12

Speaker 3

What's going on here, Fernando? Tell us about it.

01:13:20:15 - 01:13:44:28

Speaker 1

Nothing much. As you see, we're trying to get the the hall together for tonight. We expect at least 300 people. At least that's how many tickets have sold. But there's about 50 people involved so far with the planning. But there's always two or three people who do it. All right. Now, there's only about seven us. So when you show this to the rest of the group, there's 100 members and only five of us are here in the morning at 9:00.

01:13:45:01 - 01:13:50:13

Speaker 1

I wonder what they were doing last night.

01:13:50:16 - 01:13:53:23

Speaker 3

Thank you, Fernando. We'll get back to you later.

01:13:53:25 - 01:14:07:27

Unknown

I like it like a TV.

01:14:08:00 - 01:14:53:05

Speaker 4

These are the Christmas trees that are going to be put on the tables for the dance tonight. They're made by the Garcia Guerrero family. They're made out of wire inside, and they're put yarns put over with these, like, stick things with needles or wire inside this first time. Then they're like little candy canes and a hard on the top with the bow and get different colors.

01:14:53:10 - 01:15:17:21

Speaker 4

And there's a different type with the bow on the top and with the ribbon on the top and ribbons on the thing with the thing with green yarn and the wire inside. I forget what this was called out. What do I say?

01:15:17:24 - 01:15:21:28

Speaker 3

This is Michael for him. This is Michael Romero standing up.

01:15:22:00 - 01:15:30:04

We got to get him in the Guinness World Record Book of putting trees on tables. Fastest man on earth. Look at that mango.
