

5:00 PM.

Hi Patricia: (Just news—mostly mundane)
just a word to say that
beginning tomorrow evening (after 12:00 noon)
my address will be 556 S. 5th. I just
got word that I can move in tomorrow.
Now I've got to find someone to help me
move.

Also I got my grades in in
good time but now I feel a bit
strange with no immediate pressures.
Guess I'll try 'leisureatin' for the evening.

Monday AM. at 11:00 I go back to the
dentist

Tuesday & Wednesday I'll go to
Chico & back. — I'll fly rather
than drive — I don't feel like pounding
the highway 6 hrs. up & 6 back.

If I can be of any help to you on your
busy program — sandwicking a little
effort in here & there, please call on me.

I just received a delayed Christmas present from my niece Sandra in Bloomington Indiana. She sent me a card at Christmas telling me it would be coming sometime. It's an absolute dilly of a book on a cat & her kittens "Translated from the Feline" by Paul Gellies. You'll be delighted with it, I'll lend it to you just time I have the chance.

I was pleased beyond words to be able to give you the B in Ent 50, but you earned it with all the thoughtful analysis you gave to special reports, etc. Then your final was a C+, up considerably from the earlier disappointments. I'm sorry the grade couldn't have been an A, but that would have thrown the grading system all out and I'd not have been able to depend on it.

I don't know yet about a phone in the new apt. - If there isn't one I'll have to have one put in but I'll be only a couple of blocks from 220 Margaret now - So as I can, I'll show you my new domicile - Carl
