

# Financial Aid

## The Financial Aid Office

Financial aid is any resource available to students to offset the costs associated with attending California State University, Fresno. Aside from student and family resources, there are four basic programs of financial aid: grants, loans, work-study, and scholarships. About 95 percent of these programs are administered by the Financial Aid Office.

The majority are funded by the federal and state governments and are need-based. Eligibility for financial aid from need-based programs is determined through a formula mandated by Congress. Several programs administered by the Financial Aid Office are not need-based. There are also additional administrative units on campus that offer financial aid.

## Need-Based Financial Aid Programs

For the following need-based aid programs, you are required to submit the Free Application for Federal Student Aid (FAFSA). This application is available at high schools and college financial aid offices in December and should be filed in January or February for the next academic year. Renewals, i.e., students who had a valid Student Aid Report on file for the previous academic year, will receive Renewal Applications directly

from the Central Processor. If you have not received your Renewal Application by January 15, complete a FAFSA.

**The official priority filing date is March 2 for the next academic year.**
