All graduate applicants must submit a minimum TOEFL score of 550, unless they have a baccalaureate degree from an institution of higher education in which English is the language of instruction. ### **International (Foreign) Students**

The California State University must assess the academic preparation of foreign students. For this purpose, "foreign students" include those who hold U.S. visas as students and exchange visitors.

The CSU uses separate requirements and application filing dates in the admission of foreign students. Verification of English proficiency (see *TOEFL Requirement* for undergraduate applicants), financial resources, and academic performance are all important considerations. Academic records from foreign institutions must be on file at least eight

weeks before registration for the first term and, if not in English, must be submitted in native language and accompanied by a certified English translation. No final admission decision will be made until required materials have been submitted to International Admissions. Priority in admission is given to residents of California.

At California State University, Fresno admissions decisions are made on the basis of complete academic records from all secondary and college level schools, and demonstrated English proficiency based on the results of the Test of English as a Foreign Language (TOEFL). A current certification of financial support is required before an I-20 form (Certificate of Eligibility) can be issued.

Obtain information on TOEFL testing dates and centers by writing TOEFL, Educational Testing Service, Princeton, New Jersey 08540, or contacting our Testing Office.

Applicants should take TOEFL at least six months before the beginning of the semester to which they are seeking admission to allow time for receipt and evaluation of test scores.

To qualify for undergraduate admission, an international student must present a score of 500 or better on the TOEFL.

**TOEFL Requirement.** All graduate and postbaccalaureate applicants, regardless of citizenship, and whose native language is not English, must demonstrate competence in English. A postbaccalaureate or graduate student must present a score of 550 or better. The TOEFL score required for admission to specific programs may be higher than the minimum of 500 for undergraduate and 550 for postbaccalaureate applicants indicated above. Students should check these TOEFL requirements in the departmental listings.

To assure that students are prepared to take advantage of the educational opportunities available at California State University, Fresno, each international student who must submit TOEFL scores will be required to participate in a postadmission testing program. The tests will be administered during orientation, immediately before the student's first matriculated semester. The purpose of
