Dear Madame:

The undersigned urge you, as a member of the California delegation to the Democratic convention, to support the nomination of Adlai Stevenson for President.

We believe that our country sorely needs a man of Governor Stevenson's broad vision and experience. No other candidate would bring to the office such high qualifications and promise. Further, we are certain that in today's situation his election would be assured.

We hope that the California delegation will help give the nation this great leader.

Yours very truly,

Esther Goodhue
