FROM THE PRESIDENT

It is with sincere pleasure that I welcome you to California State University, Fullerton for our 1988 annual commencement. Commencement is a very special time for degree candidates, their families and friends, and the campus community; we are delighted that we can share the experience with you.

During the seven individualized ceremonies on May 28 and 29, the university honors some 5,500 undergraduate students who completed degree requirements in January or who expect to do so in June or August. It is fitting that recognition of their accomplishments should be in your presence, for as professors, relatives, or friends you have participated in a variety of ways in helping the students attain their academic goals. The candidates for graduation are the proud products of our academic enterprise. We hope that they forever will be inquisitive, eager and lifelong learners.

On behalf of all of us at Fullerton, I offer hearty congratulations to the class of 1988 upon reaching this educational milestone. May they have continuing success in all of their future endeavors.

Jewel Plummer Cobb
President
California State University, Fullerton

FROM THE ALUMNI

It is with great pleasure that I welcome you to Commencement 1988. You, as students, parents and friends, have worked hard in anticipation of this special day. Congratulations!

As president of the Conference of CSUF Alumni, I'd like to extend a special welcome to the class of 1988. You are now members of the alumni association. The family of CSUF graduates reaches into every walk of life throughout many regions of the world.

I encourage you to become actively involved in your alumni association. Many wonderful and new opportunities await you as you leave CSUF for the world beyond. Programs sponsored by the alumni can enrich your life, offer an opportunity for lifelong learning and help you realize your aspirations.

Again, on behalf of the CSUF alumni, congratulations. May your success continue to follow you and aid you in all of your future endeavors.

Theresa Harvey ('81)
President
Conference of CSUF Alumni

EXPLANATORY NOTES

LIST OF CANDIDATES: Students eligible to participate in the 1988 commencement exercises are January 1988 graduates and June 1988 and August 1988 candidates who filed for graduation prior to the announced deadlines.

GRADUATION WITH HONORS: Honors at graduation are awarded to undergraduate students in three classifications and take into account all courses taken at Cal State Fullerton and other institutions of higher learning. The minimum grade-point averages follow: Honors, 3.5 to 3.74; High Honors, 3.75 to 3.89; Highest Honors, 3.90 to 4.00. Students who have earned Honors at graduation have been awarded ribbons with medallions which bear the seal of the university: silver ribbons denote Honors; white ribbons denote High Honors; and blue ribbons denote Highest Honors. Program notations indicating achievement of these awards are based on the students' records at the end of the fall 1987 semester. No Highest Honors notations appear in this program for August candidates because actual grades are not yet recorded for either the spring semester 1988 or summer session 1988. August candidates with grades at or above 3.9 are included among those shown with High Honors. Official award of appropriate diplomas and recognition of honors achieved (which are indicated on the diplomas as appropriate) are contingent upon the candidates having met all university requirements and related criteria.

PRESIDENT'S SCHOLARS: Students who are President's Scholars are noted in the list of candidates. This program to recognize academic and extracurricular excellence is sponsored by the President's Associates.

FACULTY MARSHALS: The Faculty Marshal leading the procession in each Commencement exercise has been honored as the Distinguished Faculty Member of that particular school. This distinction is bestowed by the president upon the nomination of fellow faculty members.

PHI KAPPA PHI: Among those participating in commencement

exercises are students wearing a white ribbon with a zigzag design. These students have been elected to membership in the Honor Society of Phi Kappa Phi, a national organization founded in 1897. Students are selected for membership from all of the recognized academic disciplines based on records of outstanding scholarly achievement.

THE CONSORTIUM OF THE CALIFORNIA STATE UNIVERSITY: The Consortium is a separate, fully accredited degree-granting entity of The California State University that draws on the resources of the 19 campuses to offer external statewide and regional degree, certificate and teaching credential programs. Consortium candidates who have pursued their studies at Cal State Fullerton have been invited to participate in any one of the commencement exercises appropriate to their field of study.

PHOTOGRAPHY: The Conference of CSUF Alumni has arranged for a commercial firm to photograph each graduate at the moment he or she crosses the platform. Graduates are informed before their exercise of how to receive a proof without obligation and how to order prints. While guests may take photographs during the ceremonies, in the interest of decorum they are not allowed between the seating area and the platform.

FOOD SERVICE: For persons desiring to purchase food or beverages, refreshment stands located near the Green will operate Saturday, May 28 from 10 a.m. to 7:30 p.m., and Sunday, May 29 from 11 a.m. to 6:30 p.m.

ALCOHOLIC BEVERAGES: Alcoholic beverages will not be allowed at any time in the Quad area, at the commencement seating area or at other areas associated with commencement.

SMOKING: Please, no smoking during the exercises.

EMERGENCIES: Personnel from the Student Health Center and the University Public Safety Department will be on duty to provide aid in the event of emergencies. The emergency telephone number is 773-3333.

REGALIA

The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. United States universities have standardized the academic dress so that its features are generally uniform throughout the country.

THE GOWN: The gown is ordinarily black for academic degrees, but certain universities have authorized the use of colored gowns. Light blue gowns are worn by candidates for associate degrees in terminal technical curriculums. The pattern varies with the degree held: pointed sleeves for the bachelor's degree; short sleeves for the master's degree; and round, full sleeves for the doctorate. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and trimmed with three bars of the same material across the sleeves — or the color of this velvet may be that of the subject in which the degree is granted.

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctoral hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet of the color pertaining to the subject of the degree.

THE CAP: The standard cap is the mortarboard, usually the color of the gown. The standard tassel is black, but at Cal State Fullerton many students wear tassels reflecting their disciplines. Doctoral caps have gold tassels.

TRIMMINGS: Color trimmings on doctoral gowns and hoods indicate the following: light blue, Doctor of Education; dark blue, Philosophy; white, Letters; brown, Fine Arts; golden yellow, Science; purple, Laws; pink, Music; green, Medicine; scarlet, Divinity; crimson, Humane Letters; and light coffee (drab), Business Education.

THE MACE: The mace is a ceremonial symbol of authority carried in academic processions at commencements and convocations. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity. The University Mace, first used in 1975, and the mace holder, first used in 1979, were designed especially for Cal State Fullerton by John L. Berg, who earned his Bachelor of Arts in Communications in 1973, and Master of Arts in Art in 1976. The design of the mace reflects the university's architecture, colors (blue and white) and location — the site of the first commercially grown Valencia orange grove. The stem is of cocobolo, a wood orange in color, while the university's colors are represented through the use of ivory and niello. At the top of the mace is the university seal.

PRESIDENT'S MEDALLION: The medallion worn by the President at commencement was commissioned in 1983 by the Friends of the State University and created by Frank E. Cummings III, associate dean of the School of the Arts, who earned his Master of Arts in Art from California State University, Fullerton.
