

Masquerading as a normal person  
day after day is exhausting.

Michelle,

Happy Birthday!

Hope you are en-  
joying it ; that  
next year is  
even better

Chris

Michele,

Be you on your birthday.

(because you are a bright shining star!)

Happy belated Birthday!

Sorry you were feeling under the weather on your special day. But lots to look forward to with your fabulous Moroccan party yet to go off. Can't wait to celebrate with you. Hope the year ahead proves to be more glorious than ever! You're one fun + amazing woman. Love ya, Lindsay
