MEMORANDUM

DATE: September 24, 2013

TO: The Campus Community

FROM: Horace Mitchell
President

SUBJECT: September 2013 President's Monthly Campus Update - Correction

We stated in the September 2013 *President's Monthly Campus Update* under "General Education Redesign" that the faculty had selected a thematic general education model. In fact, a model has not yet been selected. Faculty communicated their preferences to the GE Task Force which has now submitted a report and recommendations to the Academic Senate. This report and recommendations will be discussed on Thursday at the Senate meeting and it is anticipated that an Implementation Task Force will be appointed to work out the recommendations in terms of structure and processes.
