

Dear

I am sending you a "sign-up" sheet in the hope that you will indicate your support of my candidacy by signing your name on the first line and that you will also get a few signatures from some of your friends supporting me for the State Assembly.

I am also enclosing some campaign literature in case this will help you. In my many years of public service, I have always tried to think first of people as individuals - as human persons who deserve the very best from their elected officials and the governments they administer.

I hope that over the years I have been honest, fair and compassionate to people's needs and concerns - I know I have really tried my best.

The names I receive will be used in newspaper ads, special mailings, and other literature, to show a broad and wide-spread support from people who have achieved a position of respect and leadership in the various communities in the 36th Assembly District.

I really need your support and help - I am asking for it now - and if you ever feel that I have forgotten my pledges and my concern for the "little guy", I want you to tell me about it immediately.

I have also enclosed a self-addressed and stamped envelope for your convenience in returning the sign-up sheet - as soon as you can.

Please do this for me as I want to feel that every one of my friends and acquaintances have helped me in my campaign for the Assembly. I would appreciate a call from you at any time to discuss any concerns you may have or any input you might want to provide for my campaign.

Thanking you in advance for all your help, I remain

Yours truly,

JANE TOLMACH
