Governor Edmund G. Brown  
State Capitol  
Sacramento, California

Attention: Dick Tuck

Dear Dick:

As per our telephone conversation regarding Governor Brown's visit to Ventura County, I would appreciate it very much if you can shortly give us the date. We feel that to make a success of the Governors visit, we will need at least four weeks notice.

We hope to make it a fund raising affair, and attracting at least 300 to 400 people. It's difficult to find a place that can serve that number, but with enough notice, we can reserve a place in Oxnard, providing we give them an early reservation.

Hoping to hear from you soon, I remain

Sincerely,

Jane Tolmach
