To W.R.Hearst

137 Riverside Drive, New York, N.Y.

Will you kindly wire Humrich direct San Simeon your orders for
treatment of House C exterior doors. I understand you wish them
gay in color. The over doors, panels, etc. are complete. It seems
to me the old oak will count for more for a few years than the
shape of the pool; I mean until new planting becomes established.
Had model of swimming pool sketch under way when your letter came.
Will hurry it.. House B model nearly done.
