To work for a change.

00:31:58:01 - 00:32:06:29

Unknown

We truly were a nation. Quite so many Americans continue to work at these.

00:32:07:02 - 00:32:37:28

00:33:57:02 - 00:34:19:26

Unknown

When I call to you everything, everything off, I get a little nervous. I keep an eye on them. What does this mean to. You know, we have to. By far, you seem like a son. Good evening, and welcome to follow me here. Present members of the GI forum, distinguished judges and our back challenges. We, the Hispanic community, need to challenge ourselves in our daily lives.

00:34:19:28 - 00:34:41:22

Unknown

In order to do so, we must set up bold guidelines to help us achieve the challenges we have made for ourselves. We need to keep a positive attitude and keep in mind guest disappointment. Yes, it can be done with the Hispanic. You need to make the choice to change ourselves for the better, because we are the present and we are the future.

00:34:41:25 - 00:34:52:20

Unknown

So what else does that? Thank you. So send it off at the Hispanic. You must challenge yourself to be educated because if we choose not continue our education.

00:34:52:22 - 00:34:53:11

Speaker 1

Or if we choose.

00:34:53:11 - 00:35:02:19

Unknown

To take shortcuts, charge patience, we will not become knowledgeable. And this is how we, the Hispanic community can show. The world can also guide us.

00:35:02:24 - 00:35:06:27

Speaker 1

We are dedicated and we are one to be.

00:35:07:00 - 00:35:27:16

Unknown

We need not be shamed or make a comeback. Like many of us here tonight, expect to have come from Mexico and have sacrificed so much to give us what they wanted for themselves. Now it's our turn to fulfill their dream and not let them down. It's me. An example to our families and to our community. Don't put your education on both sides because you you will make it.

00:35:27:18 - 00:35:41:03

Unknown

Make the choice to challenge yourself to be educated. It's okay to make mistakes like you want, like, because those three mistakes are the ones that are going to help us to defeat. Life wouldn't be life without challenges, because let's.

00:35:41:03 - 00:35:41:27

Speaker 1

Use the very thing we.

00:35:41:27 - 00:36:24:04

Unknown

Need for us. We're not going to learn anything because we haven't made mistakes to learn from. We don't become knowledge without trying. And knowledge is power. So if you want something out of life, make the choice to change. Because if you don't, you change nothing and think to yourself, why wait for tomorrow? If God be today, set us up for you know, for people desiring to work in my and yard and suddenly come up with this final solemn and informative and on the whole thought said whenever I could see mantle and what's up on media, if I knew that if banner was the grandest one on it, it was so fundamental on this album, this

00:36:24:04 - 00:36:47:01

Unknown

tournament, that for Mario that the festival thanks for everything. By coming here tonight, I have challenged myself. So my goal, which I like, yes, to get the game. But if you want to get this of whether you.

00:36:47:04 - 00:36:57:25

00:37:54:26 - 00:38:24:13

Unknown

Record of who you are is. No one knows you better than you know. Like you remember right from right from you. I find that the reality. Or I never stop to think about myself. I wasn't thinking about my break. Coming into another break, I trying to be on the ground. Maybe there so many more people to understand. But I never thought about North Korea.

00:38:24:16 - 00:38:32:17

Unknown

Not a great place to step down my.

00:38:32:19 - 00:38:33:16

Unknown

Talk about it.

00:38:33:18 - 00:38:36:07

Speaker 3

You know, whatever type of ticket to about.

00:38:36:09 - 00:39:11:07

Unknown

That, it's just about. But what about that? It's time for us to start to realize that our right side and we need to it together. And we have to fight instead of fighting each other. Everything down, down, down. We have to work together as one. We have what it takes to make it come to happen. Be allowed. Have to just sit back and let nature take on.

00:39:11:09 - 00:39:29:06

Unknown

Make shape. Do whatever you want. We can make all of our dreams come true. Now you can go. And now if you want to not you can.

00:39:29:08 - 00:39:41:05

Unknown

You can.

00:39:41:08 - 00:39:54:25

Unknown

If you never want.

00:39:54:28 - 00:39:58:22

Unknown

What?

00:39:58:24 - 00:40:20:13

Unknown

Speaker 1

I plan to be here at the College. At the college. It is a person who said that I know.

00:40:28:29 - 00:40:52:15

Unknown

The reason why I choose college as a career is I want to donate my time to all people in this world to help them, and God help your life. I became familiar with Career College after taking a course in my life and this class. It taught me how to travel and I had to make time for other avenues.

00:40:52:17 - 00:41:00:23

Unknown

I was fascinated with how much people learn through an initiative, but I became more curious. That was so many. Yeah.

00:41:00:26 - 00:41:01:25

Speaker 1

I'm looking forward to.

00:41:01:25 - 00:41:28:24

Unknown

My future self. After that I off my father last year. That was due to heart. I feel for us is career. I like to participate to help educate people about this and even this work. But they are my goal and to make a contribution to society. At this time I would like to see my first to and third.

00:41:53:15 - 00:42:10:29

Unknown

It is like that doesn't always go to the better man, but to the one that knows he can. And I believe that I can. Finally, I would like to thank the honorable judges and the gentlemen.

00:42:32:29 - 00:42:59:14

Unknown

I miss that has the hardest part for them. Right. Well, I really had to be a little more involved in this year. We did everything to the pageant next model to take competition for to the National Mall. We had that national for an interview. You added a new dimension show. We asked a question and we'll be done with and for Sally for answering that question.

00:42:59:16 - 00:43:09:00

Unknown

What can we begin with? One Jennifer.

00:43:09:03 - 00:43:22:15

Unknown

I'll make to my group in. I never hear the question. It's really hard to try.

00:43:22:17 - 00:43:28:03

Unknown

If you can change something in this world, what?

00:43:28:06 - 00:43:52:17

Unknown

What are the make? Things I would change is from prejudice against minority. Because with prejudice, we can succeed to our most potential. And with this ability, it holds us back to what?

00:43:52:19 - 00:44:14:04

Unknown

We just had request for our contestants from back in the black. It was like giving me that. Hey, girl. Welcome up. Contestant number two. Michelle here. Give me.

00:44:14:07 - 00:44:51:26

Unknown

Some. What would you suggest? Encouraging you to carry your. Well, originally American G.I. forum was formed, this veterans organization. And now I feel that the American G.I. forum has changed more and more social, family oriented organization and that it provides a place where you not only for them to strengthen their bond, but it also is a place where we can learn about our heritage, and it provides a place for future generations to their children.

00:44:51:29 - 00:45:01:12

Unknown

Thank you.

00:45:01:14 - 00:45:11:25

Unknown

Yeah.

00:45:11:27 - 00:45:32:29

Unknown

If elected, please, what would you like to with your title? And what major accomplishment would you like to achieve in your future? I think if I get, I don't know, one more uniform, I feel that.

00:45:33:01 - 00:46:00:11

Unknown

That maybe you start by getting to represent it's going to be around, but if you really don't. And I feel that your major accomplishments to try not to have prejudice. And.

00:46:00:13 - 00:46:14:02

Unknown

Prejudice is really a problem nowadays. Not that people forget. And if you really believe like this is very.

00:46:14:05 - 00:46:38:06

Unknown

Cutting and down. In. Children for them you really will achieve. And I feel at that I would try and accomplish that and also to try to get more people involved. Thank you.

00:46:38:08 - 00:46:45:10

Unknown

For that.

00:46:45:13 - 00:46:53:13

Unknown

Yeah. And you had choice for anyone. You wanted to be like my why?

00:46:53:15 - 00:47:18:03

Unknown

If I had a choice to be anyone in this world, I think myself, I think I be myself. Why? Because God made us all special. And I feel you made me special. You made everybody special. He made everybody unique in his own way. And I feel that by making me, me and you guys very unique, that we can all share our uniqueness.

00:47:18:03 - 00:47:36:28

Unknown

Everybody. And I feel that that's what we need to do is share all our, all our goals together. And that way we can prosper like this, share, be happy together. Thank you.

00:47:37:01 - 00:47:47:27

Unknown

So head to number five. Right hand on our.

00:47:47:29 - 00:47:52:01

Unknown

Planet. If you became a doctor one you. What would you have to.

00:47:52:01 - 00:47:53:04

Speaker 1

Accomplish for your.

00:47:53:08 - 00:47:56:16

Unknown

Patients?

00:47:56:19 - 00:48:34:08

Unknown

By the team. I think I would like to get up. I don't like talking like in the New York game. You get involved and you have to learn about it. So. And like in our school, basically no one really knew what it was like. Not many people back, they to me, I feel that I would like to go and talk to the people and tell them what to, you know, help me out with, you know, further my education.

00:48:34:11 - 00:48:59:26

Unknown

So I get a chance to meet with other people that I go weekend edition. And one thing that I like to, you know, go around like can go and be a role model out there. Unknown

00:49:29:00 - 00:49:29:21

Speaker 1

Women should not.

00:49:29:21 - 00:49:35:08

Unknown

Be intimidated by anyone to let the doctor tell them that. And I.

00:49:35:08 - 00:49:38:14

Speaker 1

Feel they should always go higher and higher education as much as.

00:49:38:14 - 00:49:48:24

Unknown

They can and go with what they can. And yeah, Hispanic women have always been pushed out a lot, and I think that they should go higher education to a doctor.

00:49:48:27 - 00:49:54:19

Speaker 1

We are all equal, but we all run for job together as one and work together.

00:49:54:19 - 00:50:03:22

Unknown

To make this world a better place.

00:50:03:25 - 00:50:04:19

Unknown

Now on the.

00:50:04:19 - 00:50:07:08

Speaker 1

00:50:52:22 - 00:51:01:29

Speaker 3

So while they're doing that, I would like to have the young ladies up who are waiting for their scores to listen to.

00:51:02:02 - 00:51:04:18

Unknown

Why we who were born before.

00:51:04:18 - 00:51:05:28

00:51:20:07 - 00:51:29:09
