Ms. Jane Tolmach  
Oxnard, California

Dear Jane,

Many, many thanks for all of your help during my campaign. In a state as large and diverse as California, County Committees are invaluable, and the leadership of those committees is of critical importance.

Your efforts played a significant role in our great victory, and I shall always be grateful. With your help, I was able to withstand a national landslide with what turned out to be a record vote.

The next six years will, no doubt, be difficult ones, but I'm looking forward to the new challenges we face. I shall do my utmost to represent you wisely and effectively and all the people of California whose dedication and loyalty helped return me to the U. S. Senate.

I hope that you will accept my sincere apology for the delay in expressing my appreciation. Thank you so much for your consistent support.

Sincerely,

  
Alan Cranston
