Dear Jane and Dan,

First of all, you make a great omelette, Dan. Norma and I really enjoyed breakfast.

Thanks again for your gracious hospitality. It was good to see you again and to catch up a bit on our lives.

I also appreciate your hosting the delegate meeting in your home. As you know, the state convention was a great success. I believe the opportunities I had to meet with delegates throughout the state really had an impact.

Do know that I'm grateful for your support -- let's do stay in touch.

With best wishes,

Cordially,

Alan Cranston
