Hazlett -
GA 2950

June 29, 1940.

Dear Miss Morgan :

Attached is copy of the letter I
have given Nick Yost for delivery of the things in
Hazlett Warehouse which we discussed on telephone.

It is possible that they will want some
authorization from you.

Will you, therefore, kindly contact them
some time Monday to make sure there will be no hitch in
delivery to Nick.

Thank you again for your assistance, and with
best wishes always, believe me,

Sincerely yours,

Miss Julia Morgan,
San Francisco, Calif.
